# TINTIN EN EL CONGO

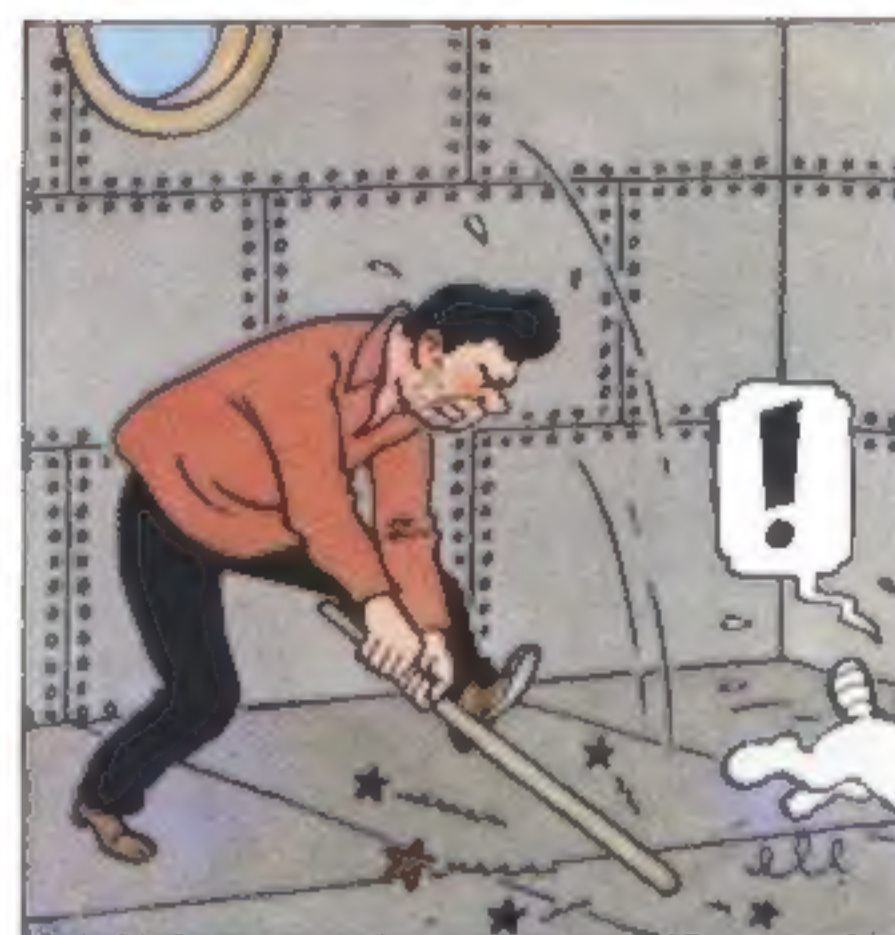

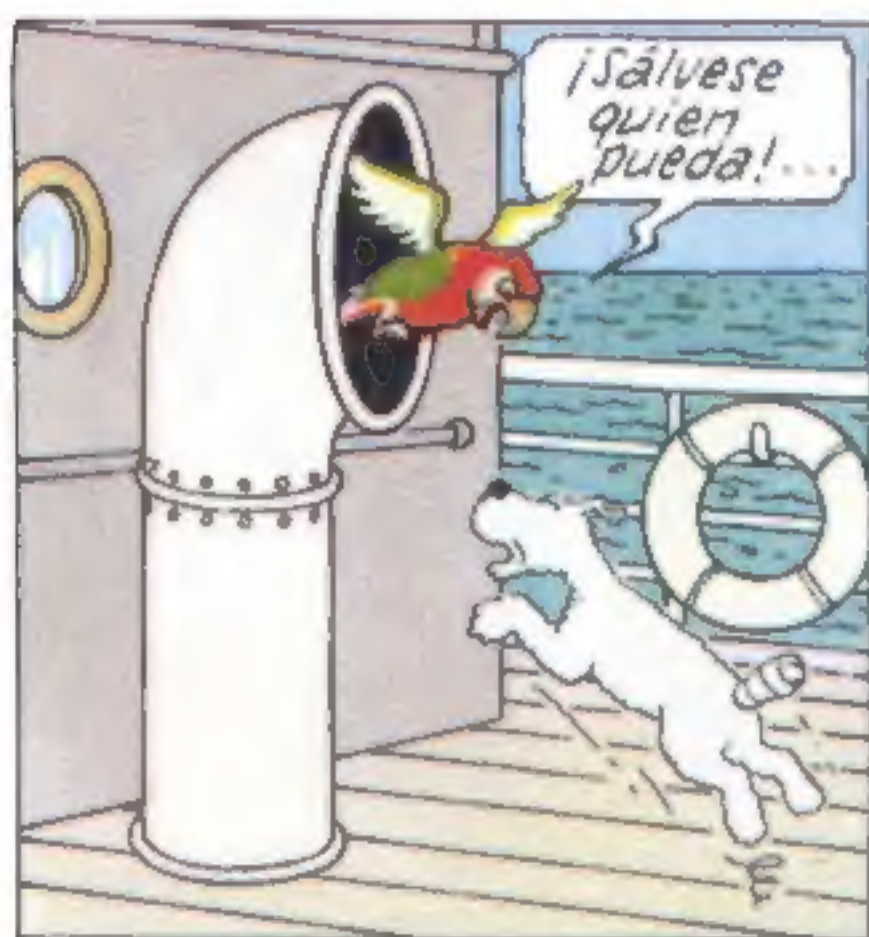

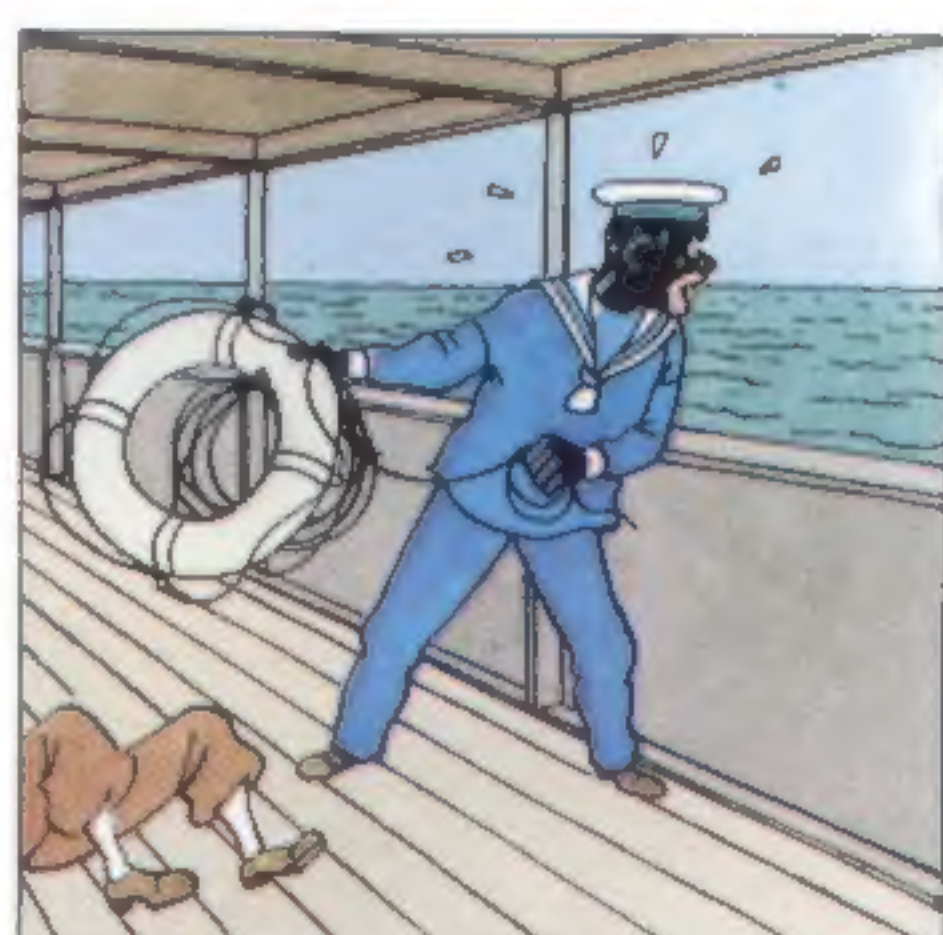

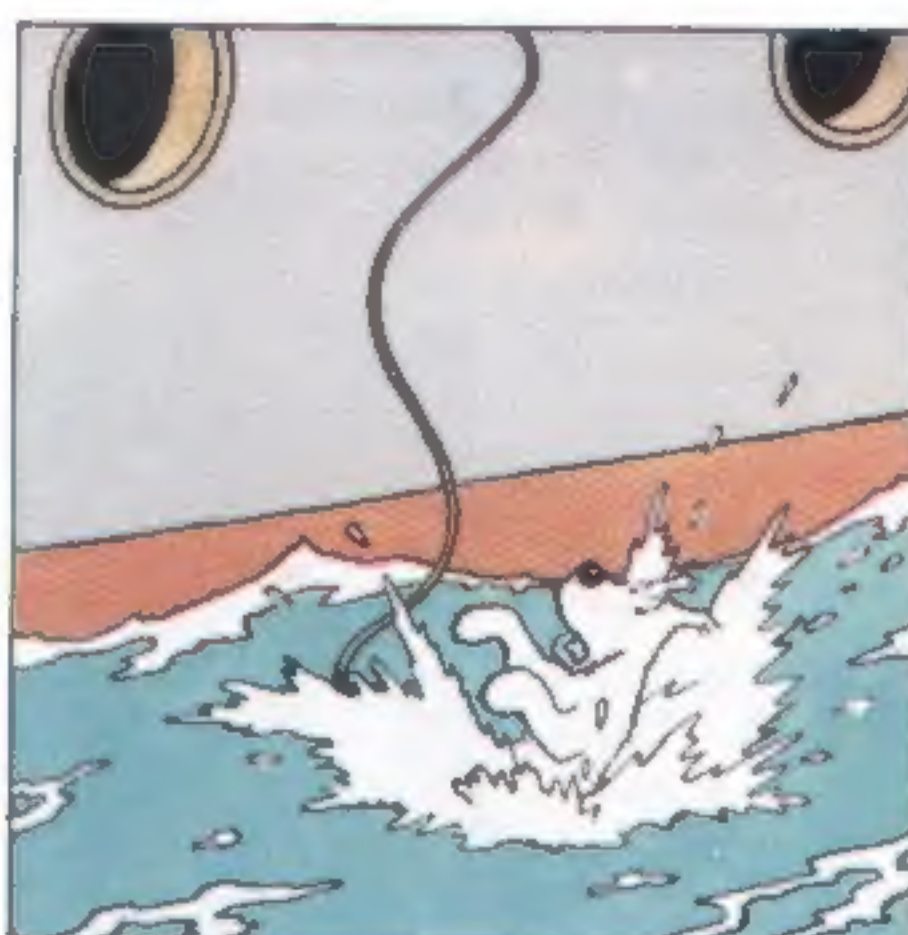

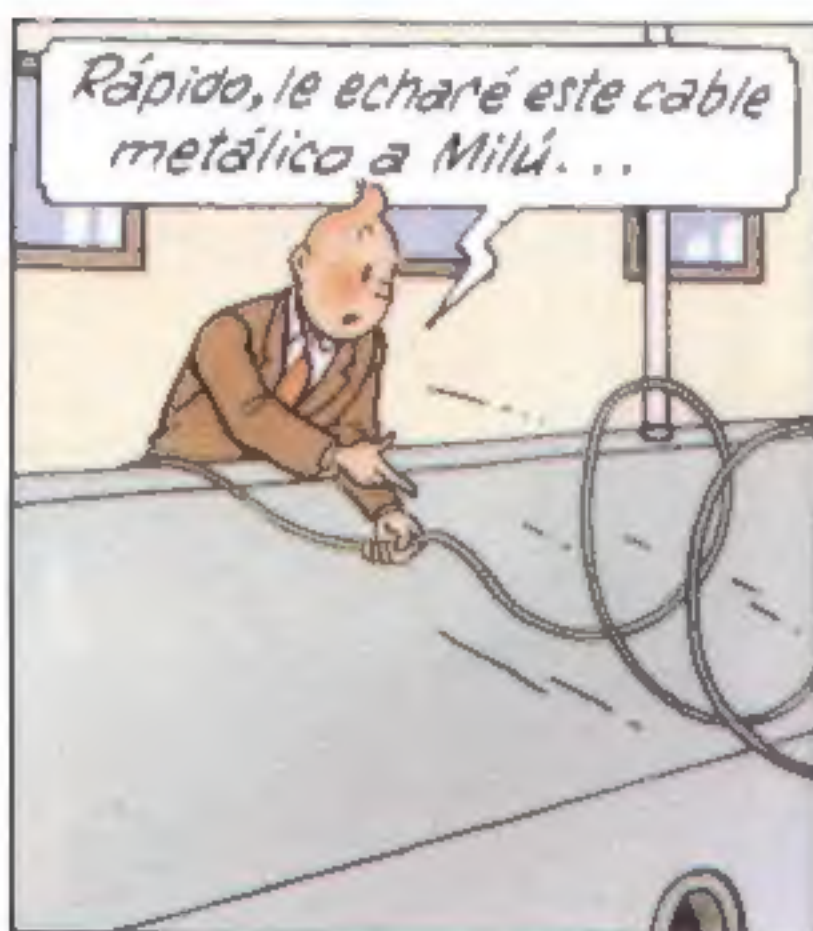

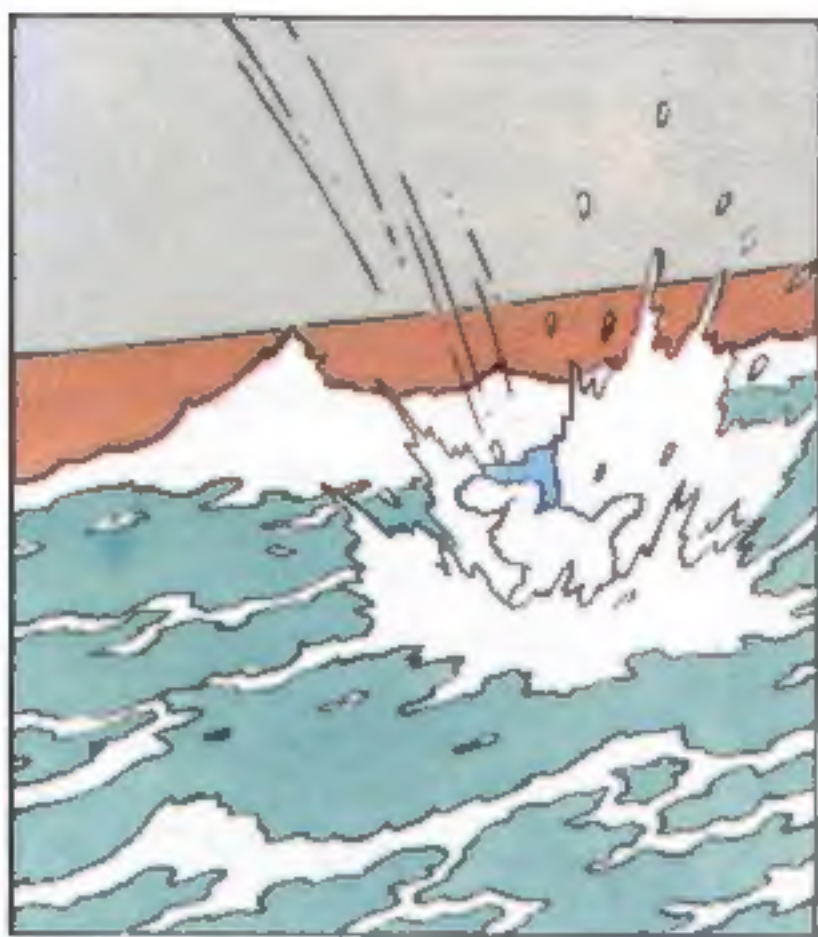

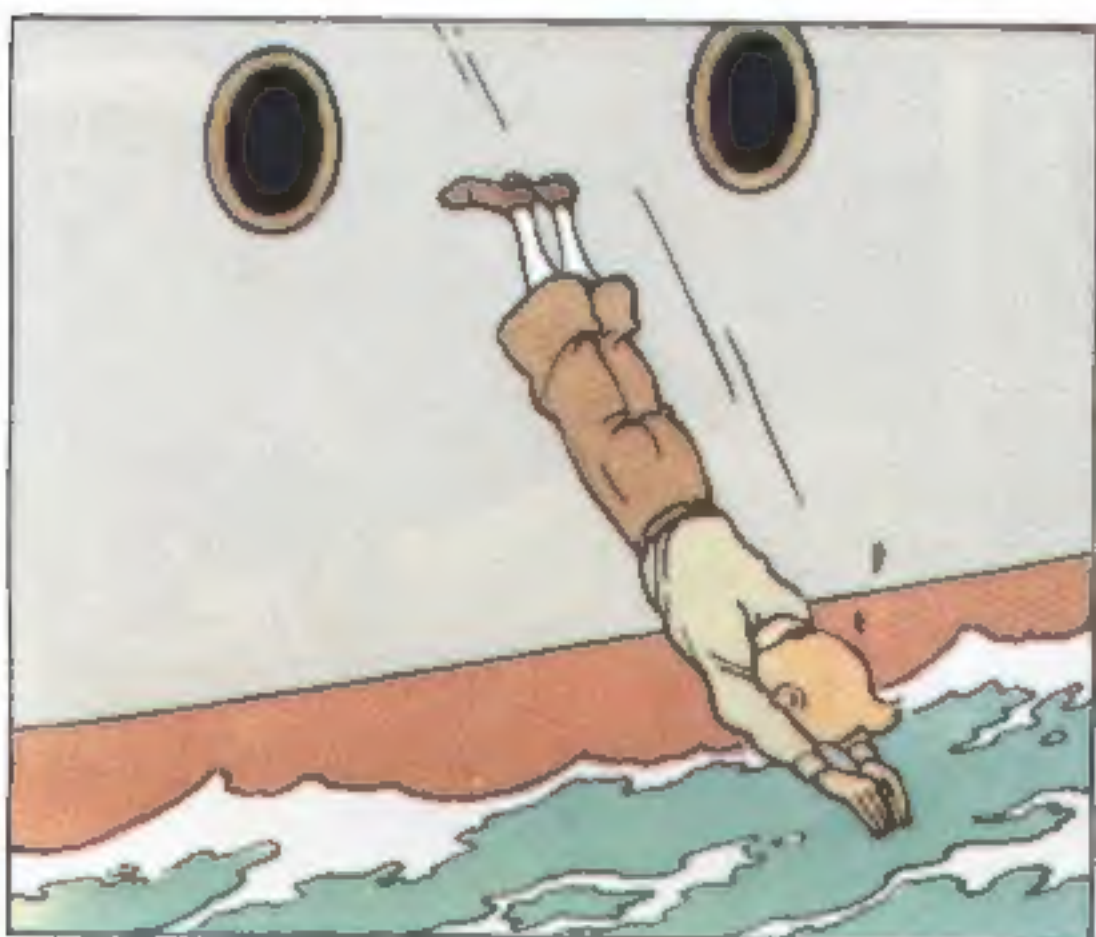

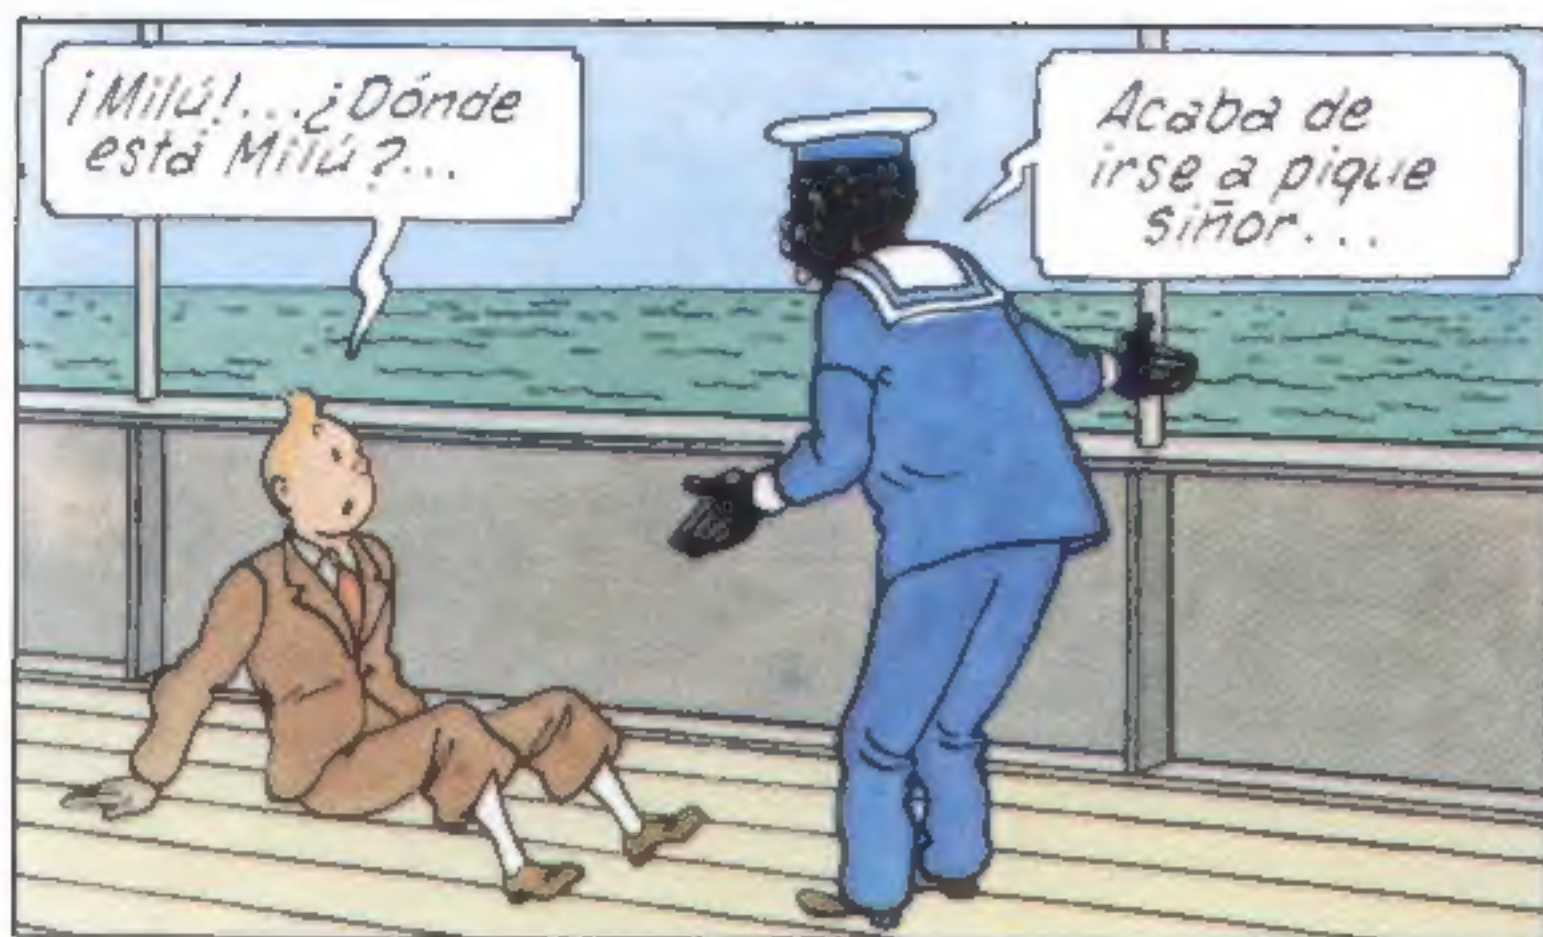

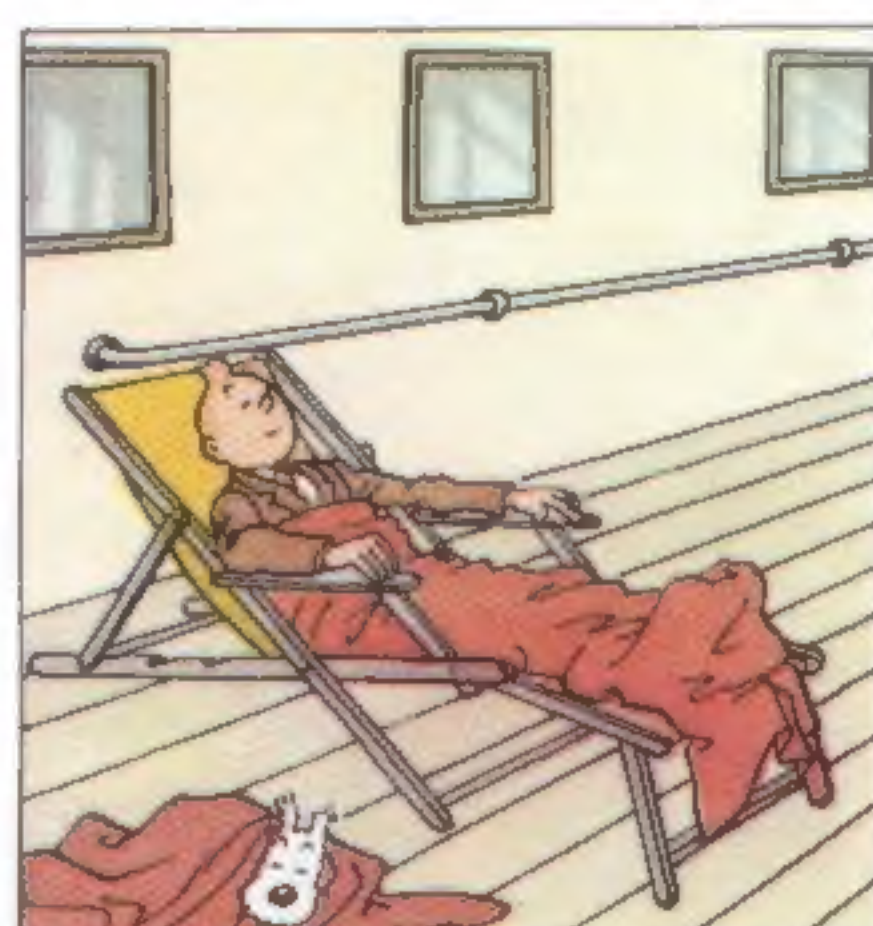

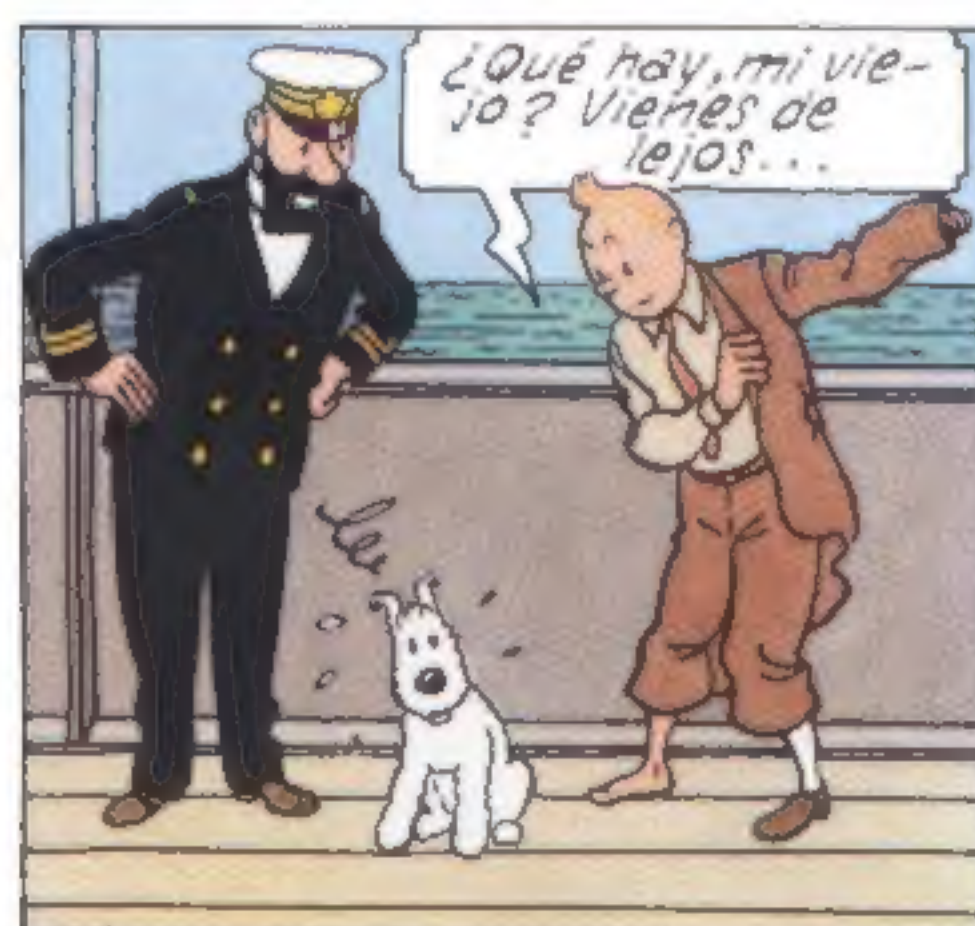

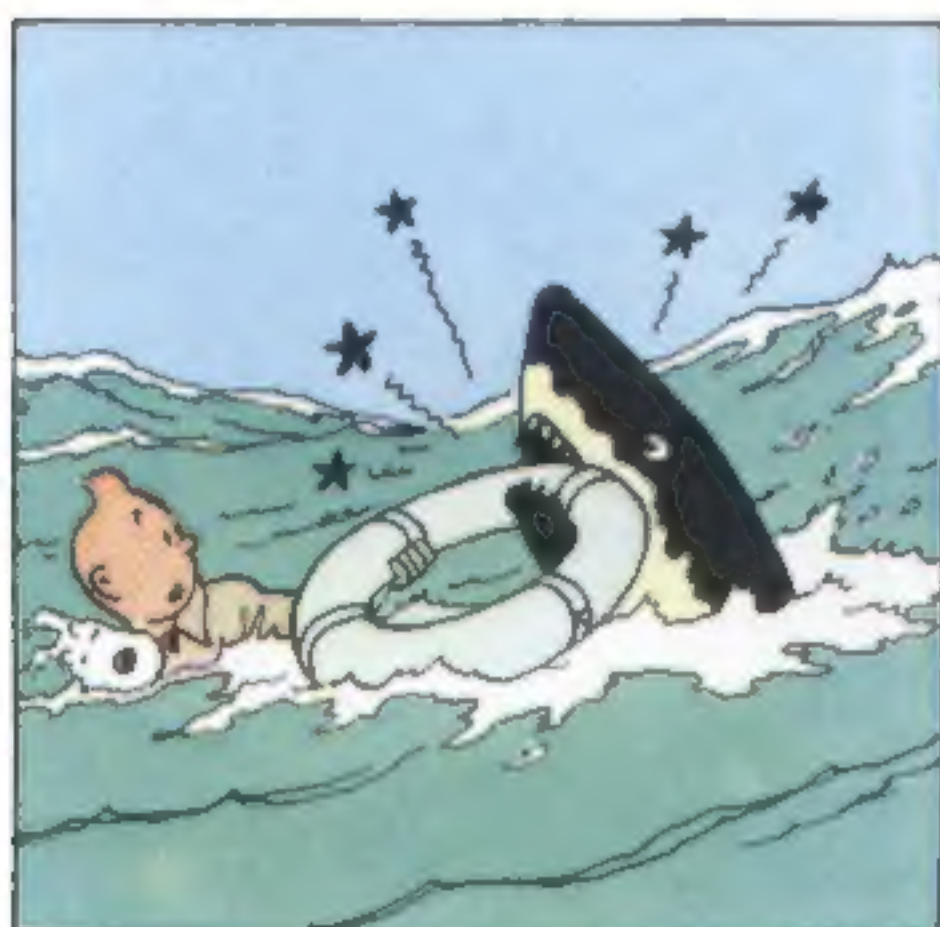

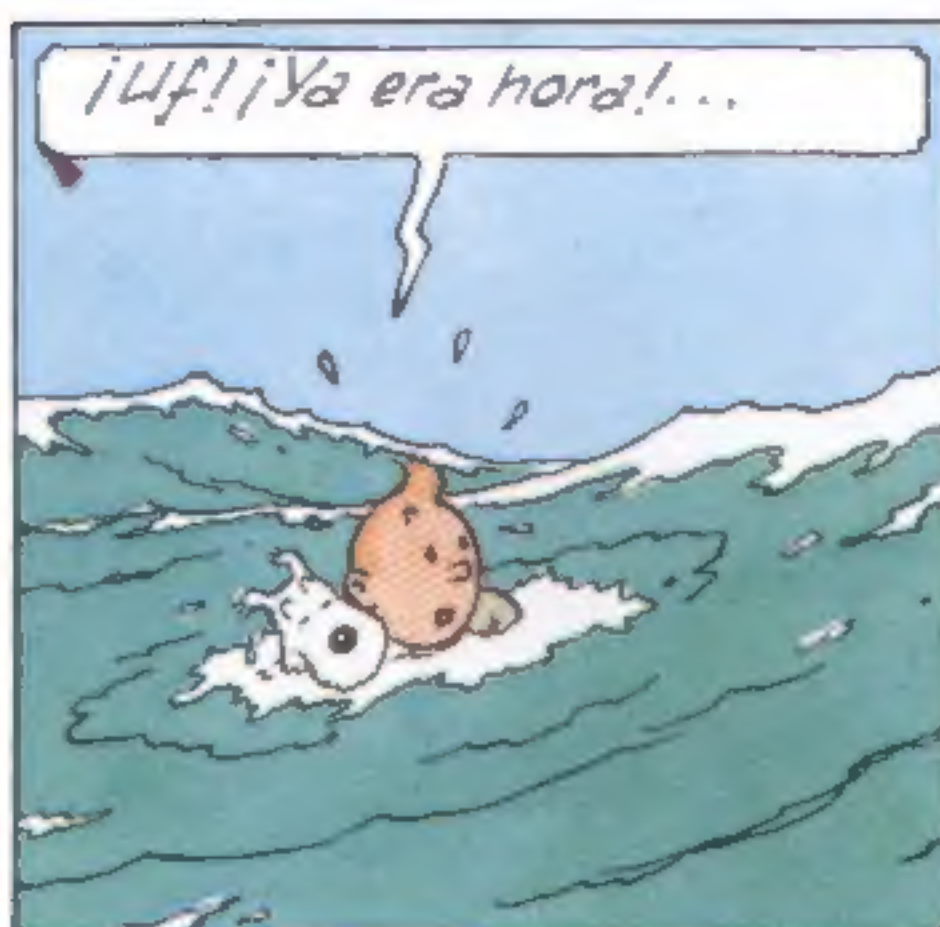

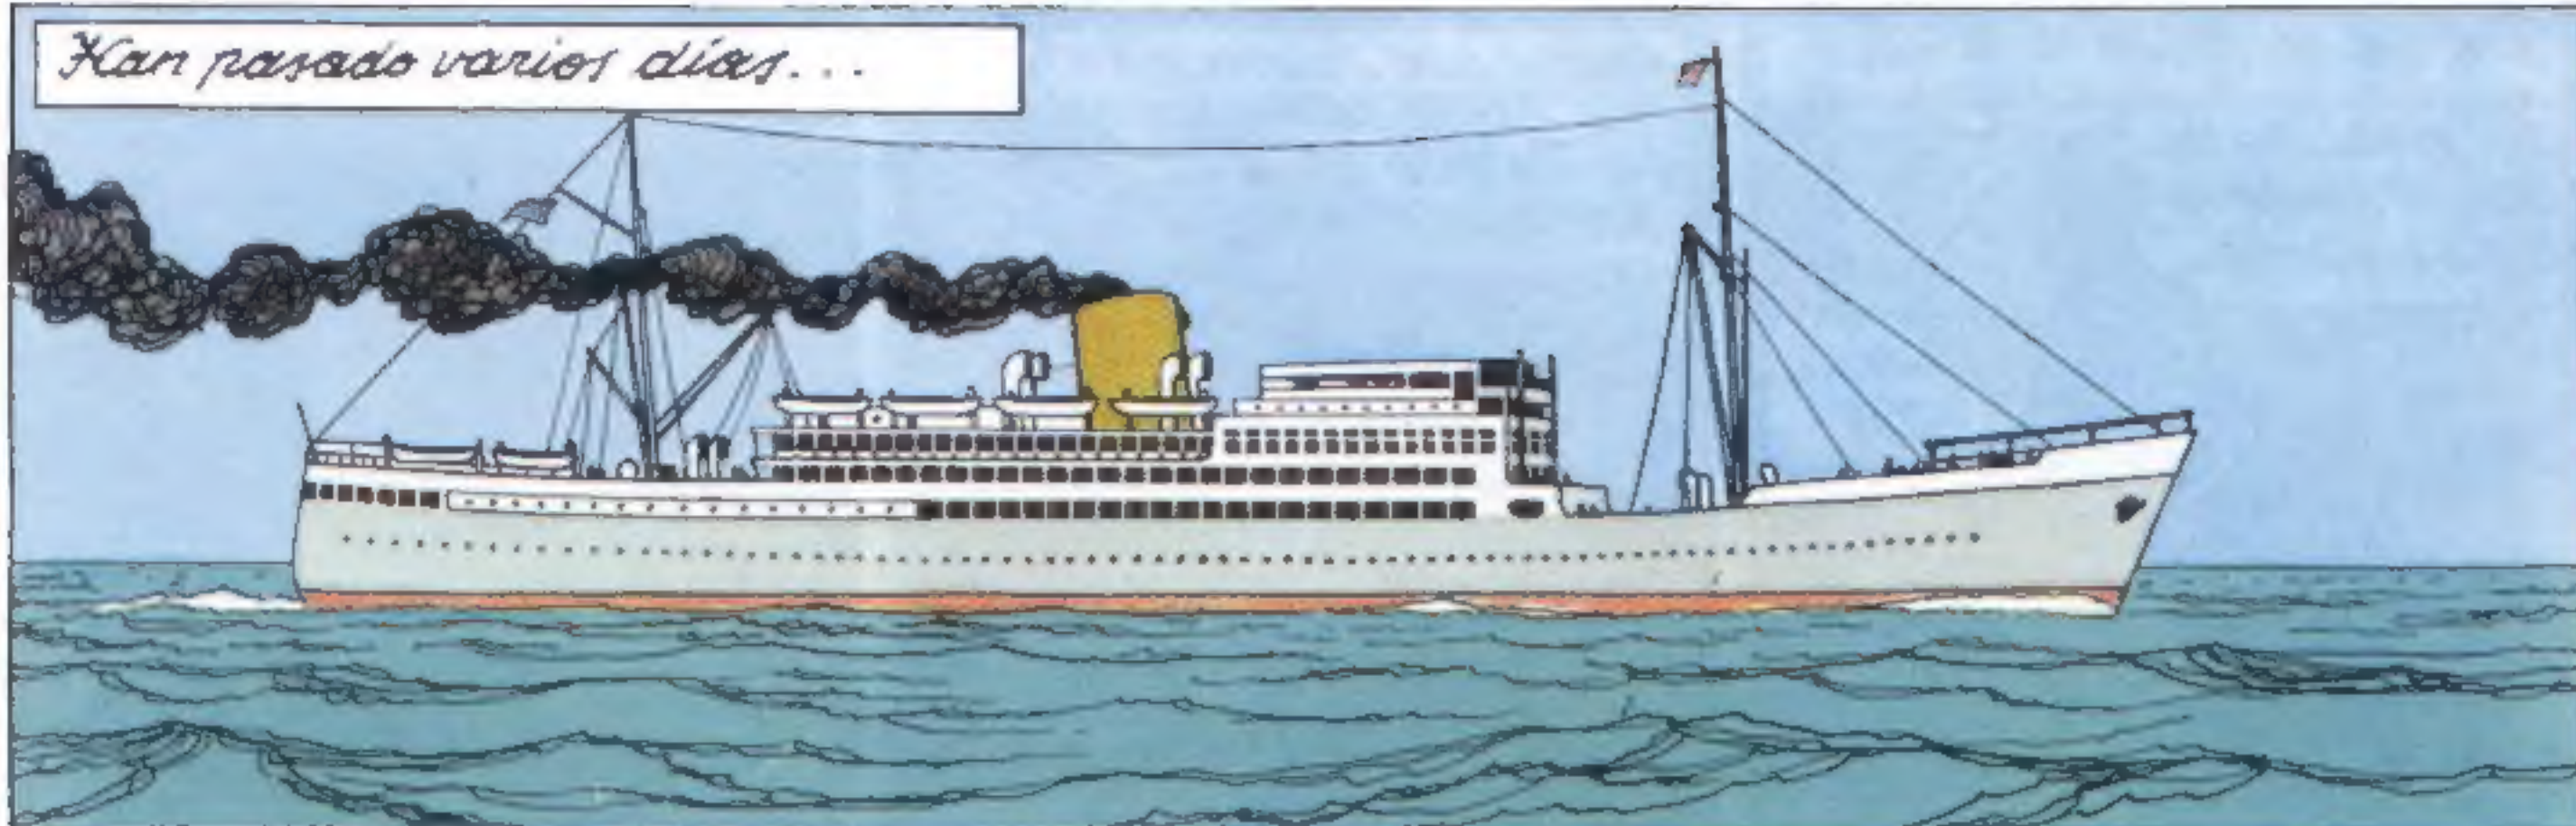

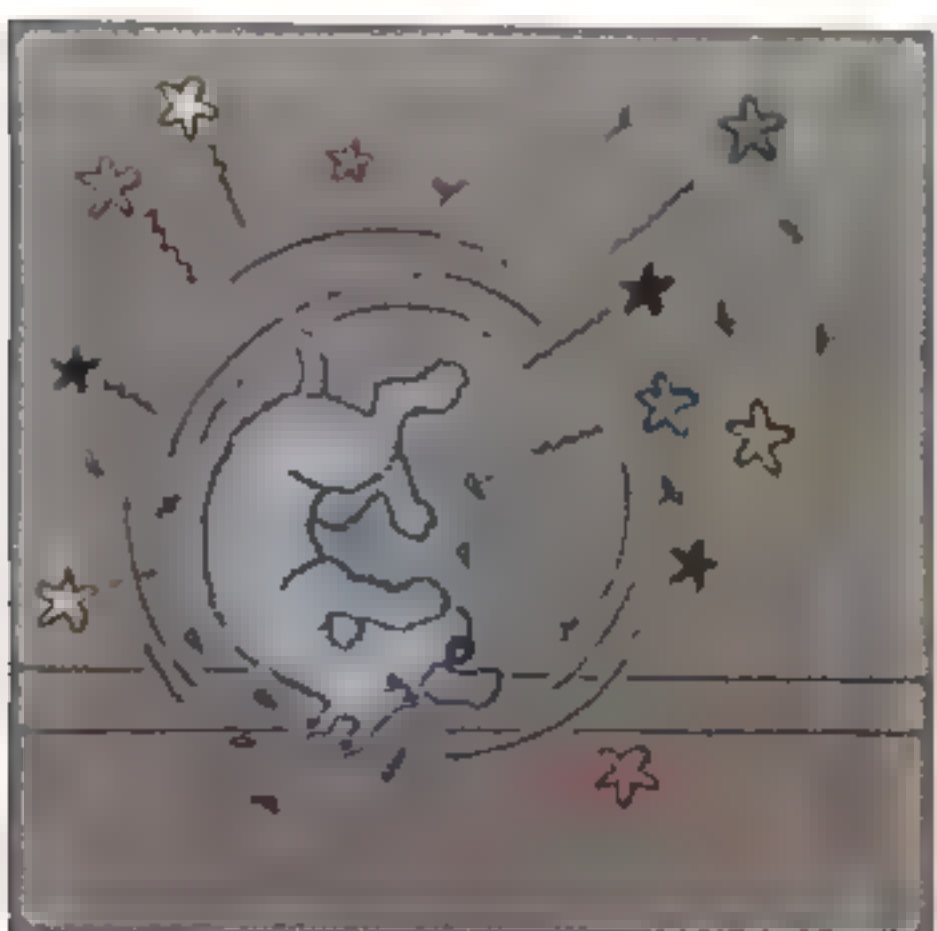

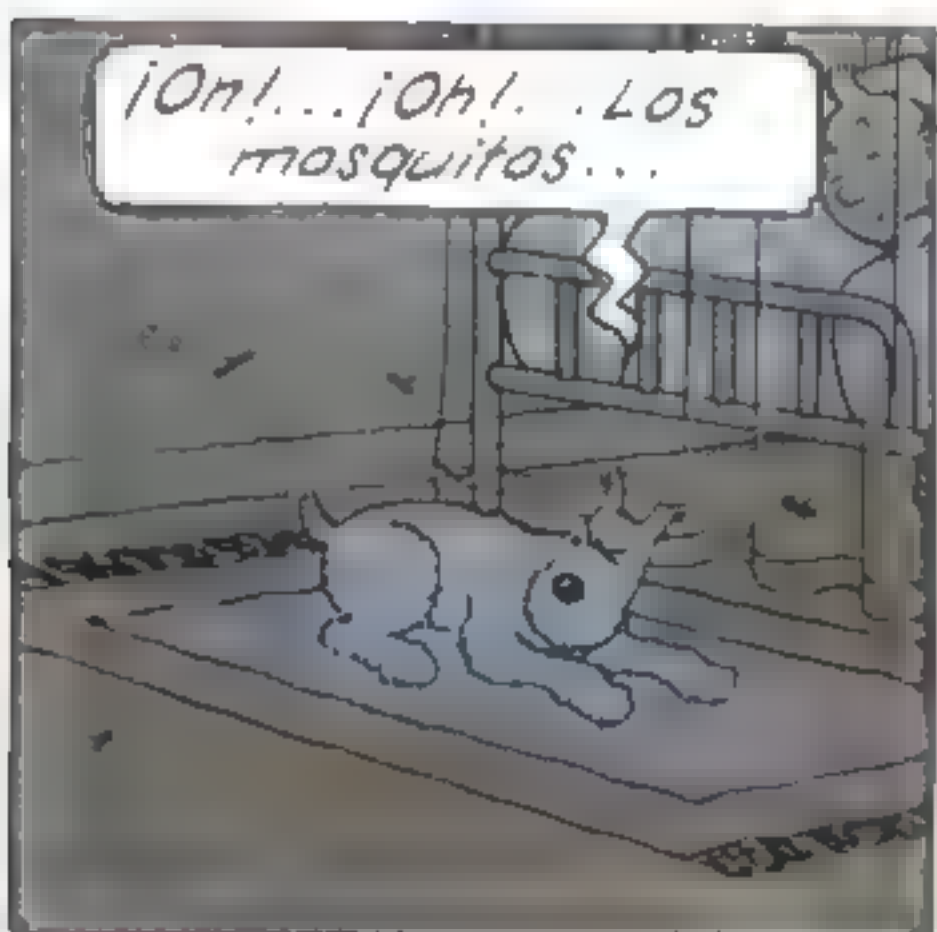

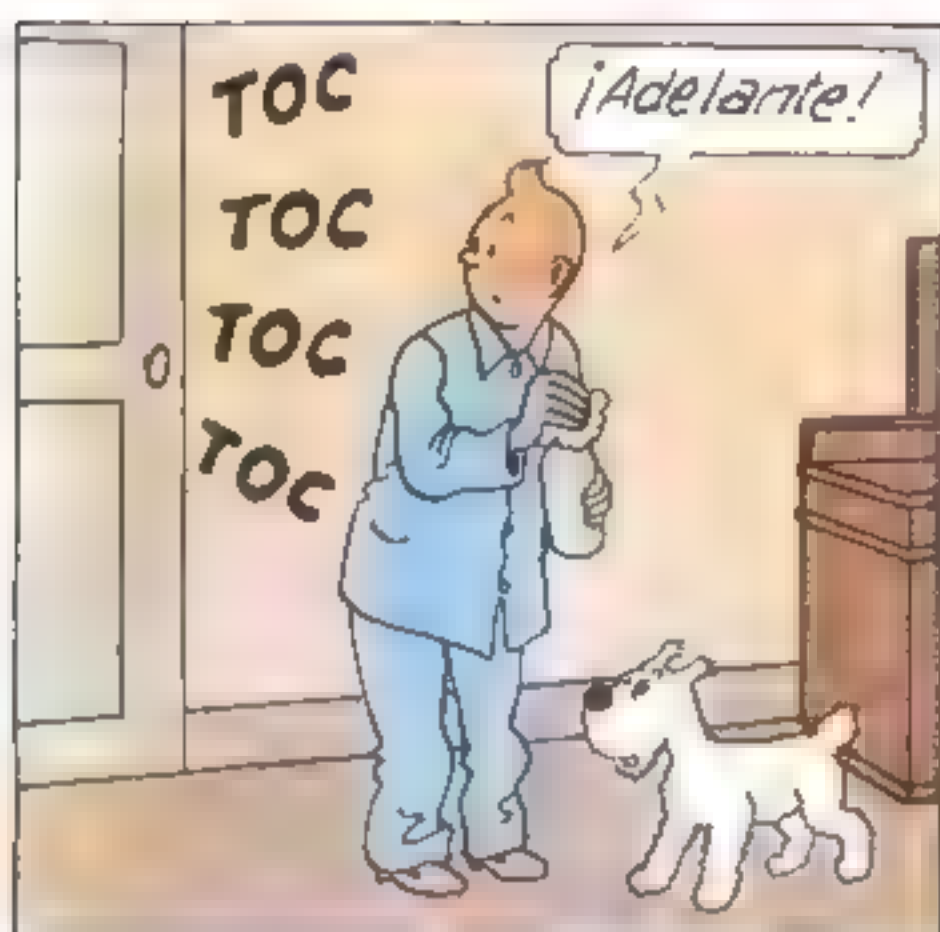

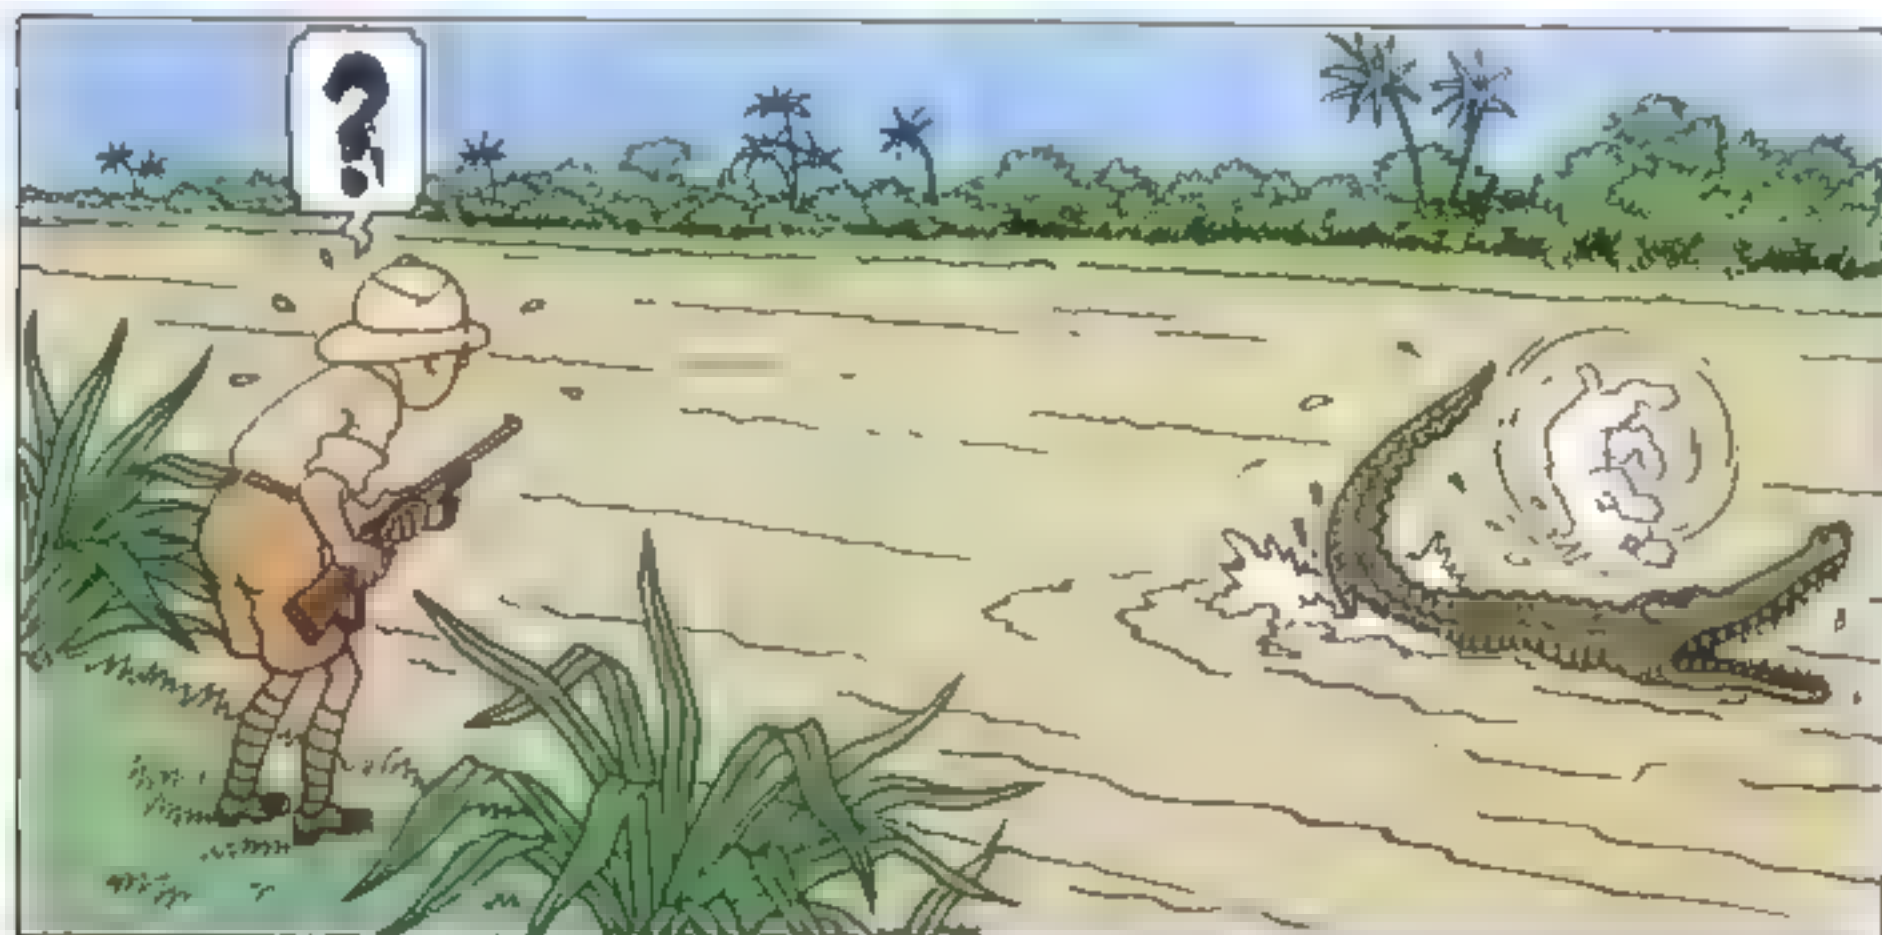

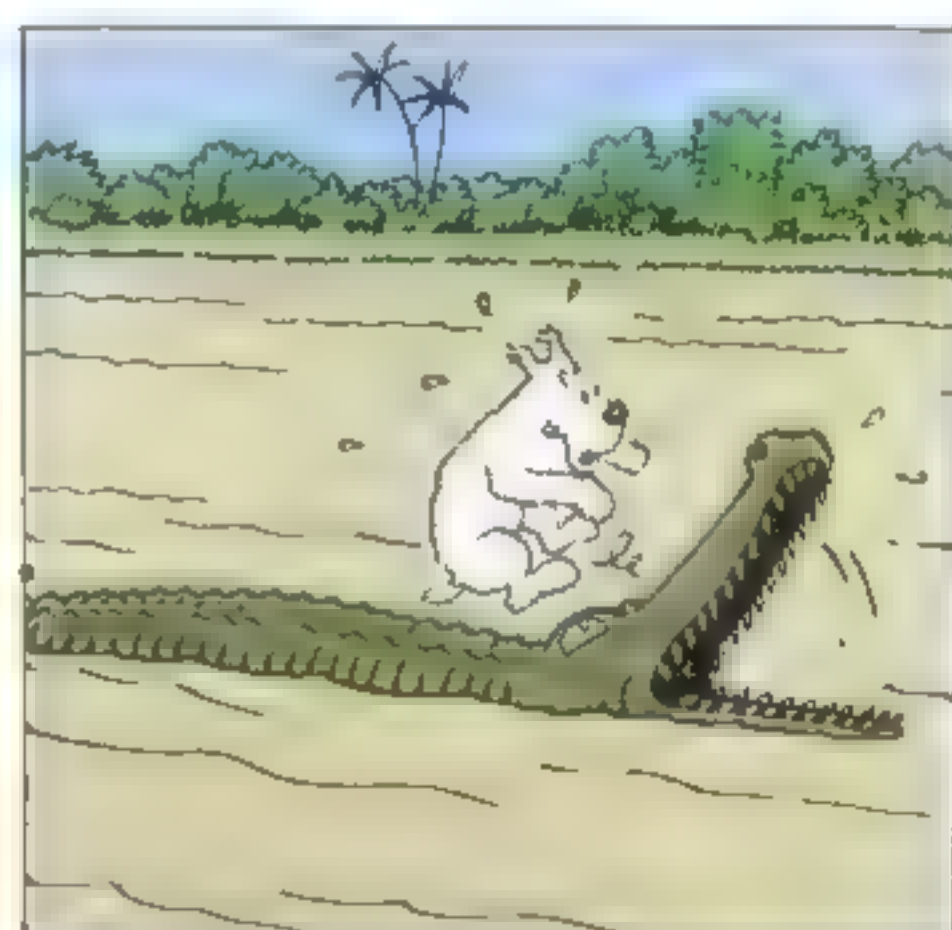

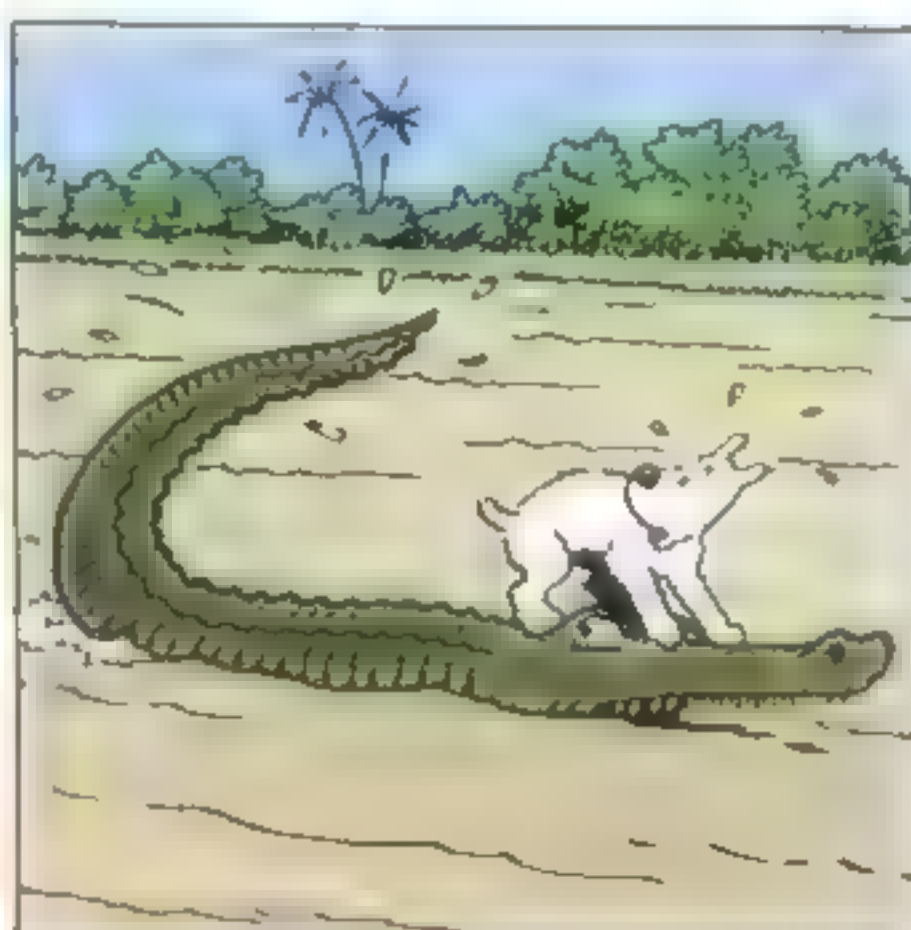

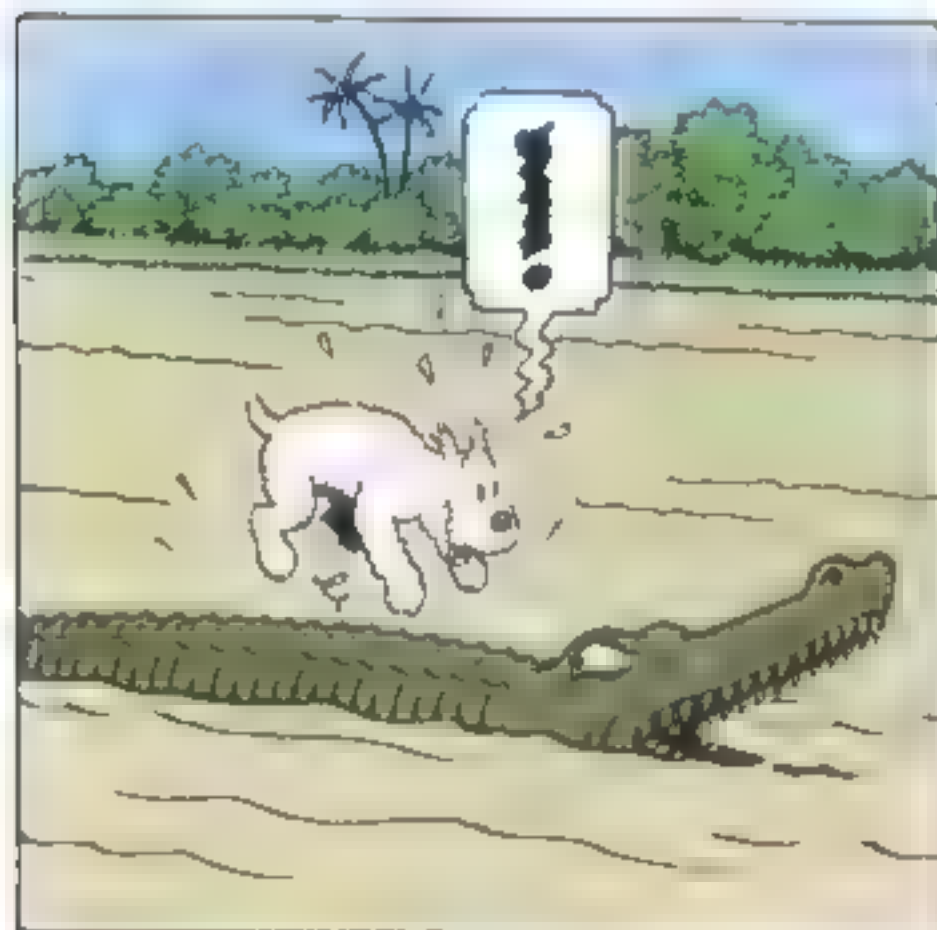

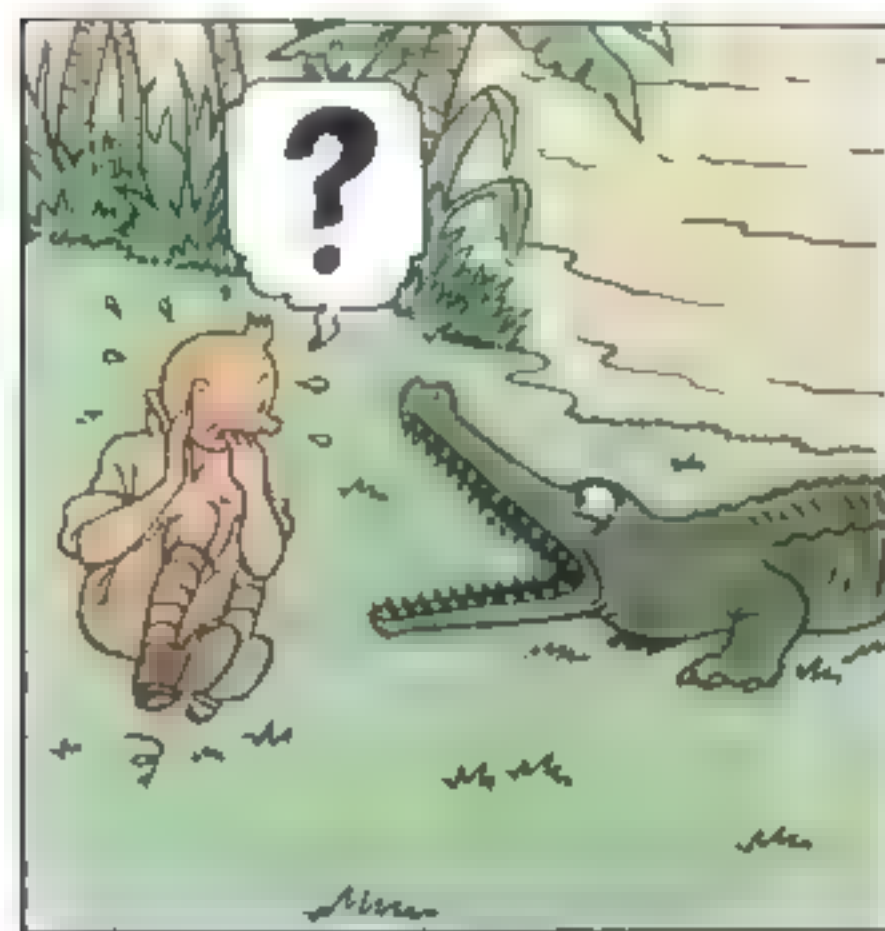

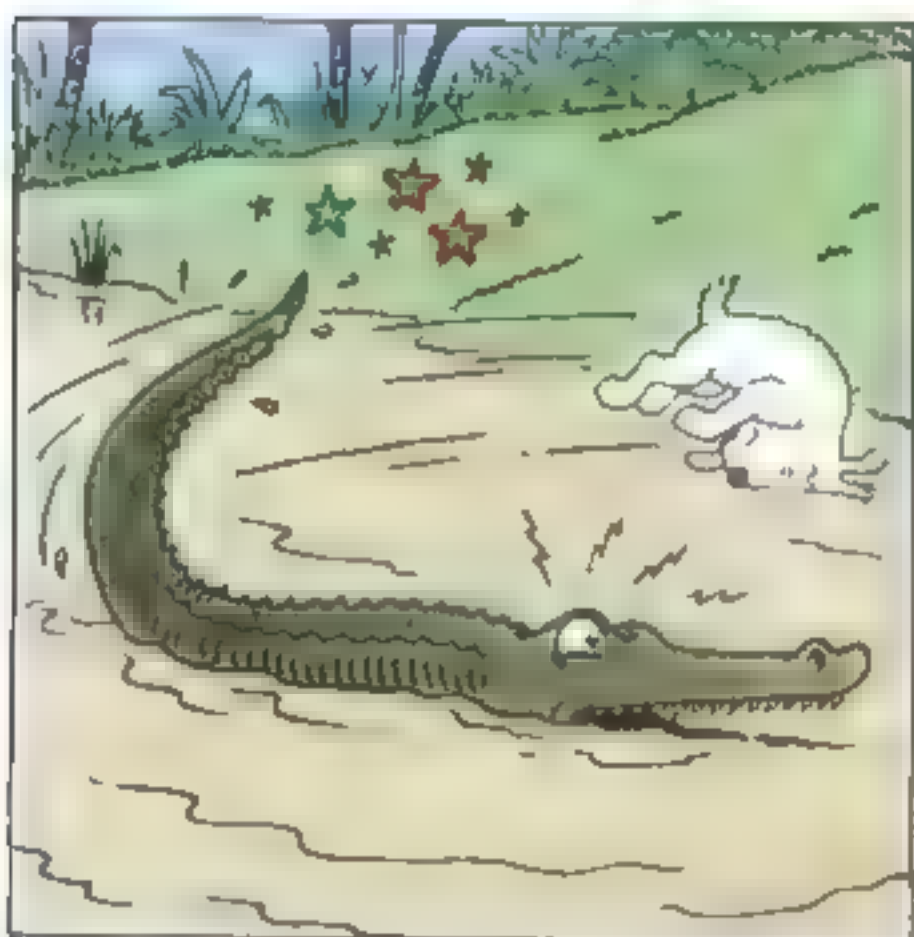

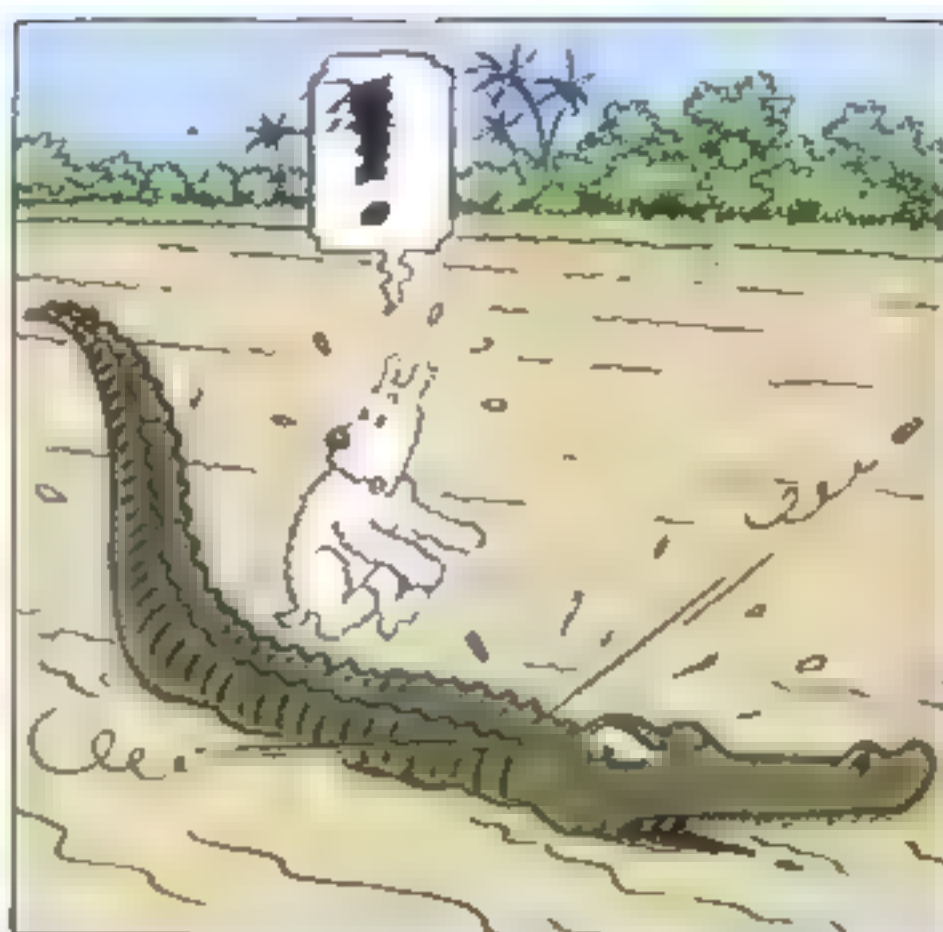

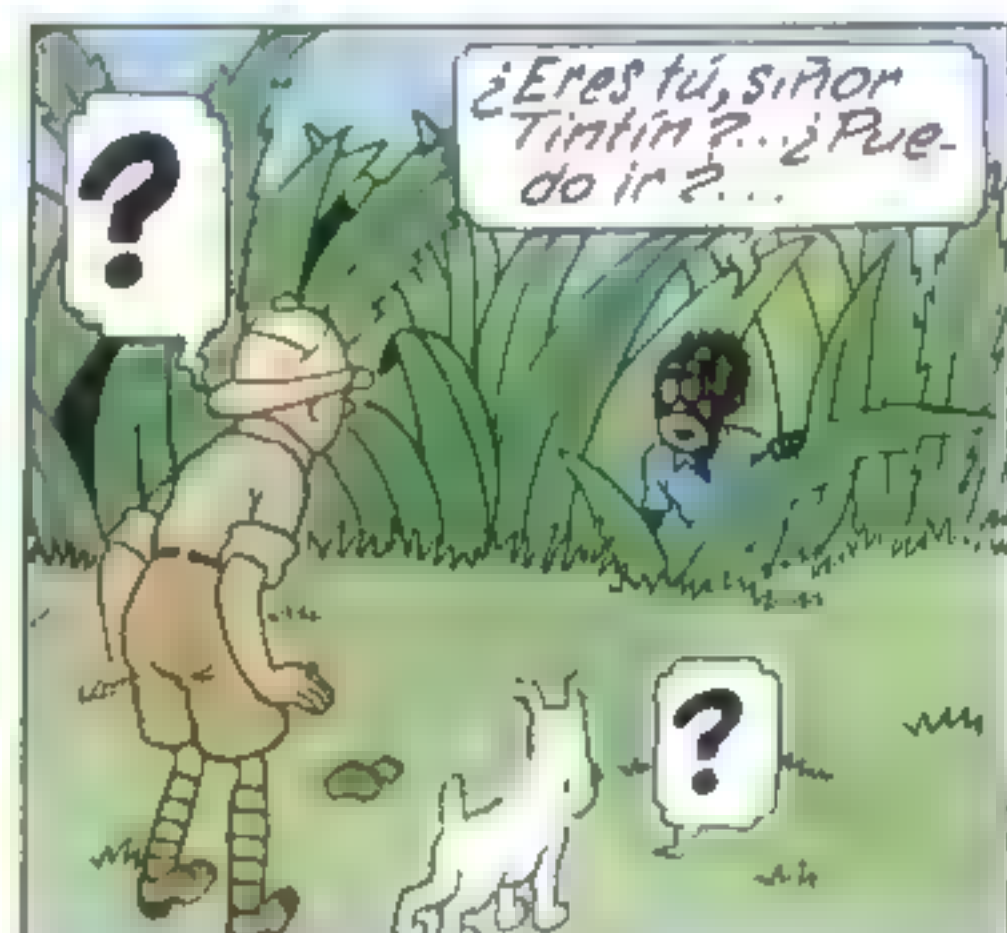

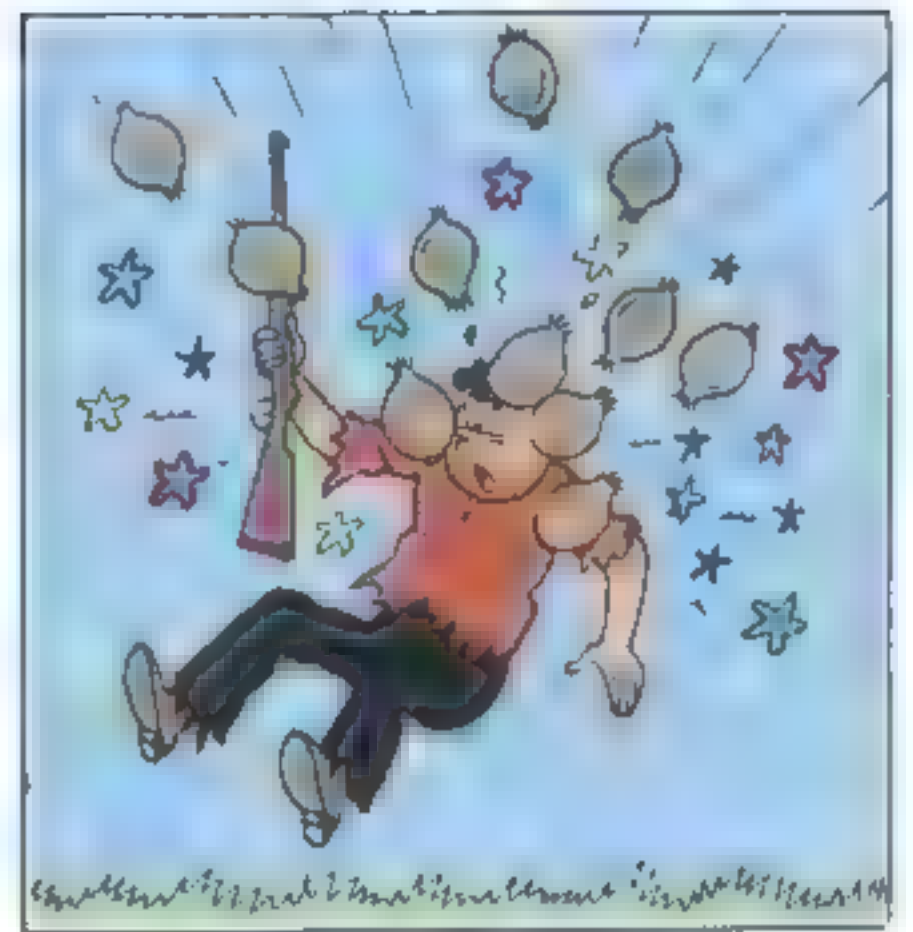

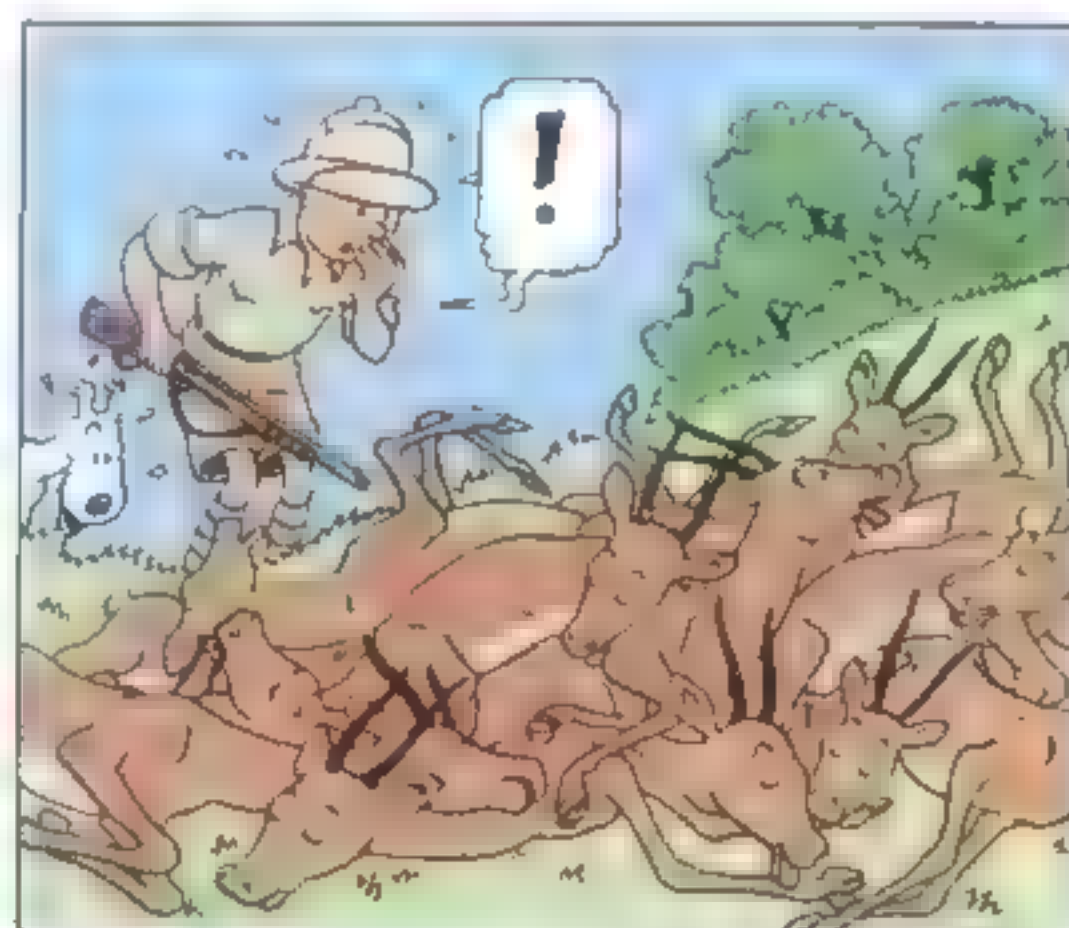

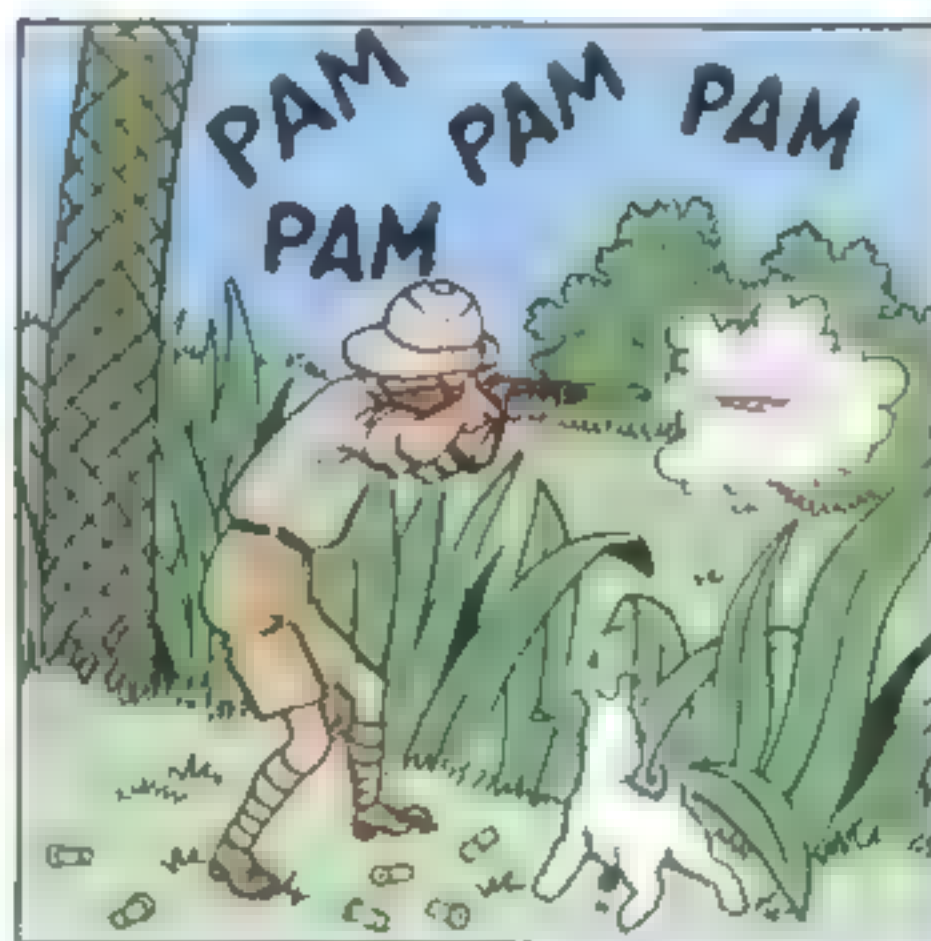

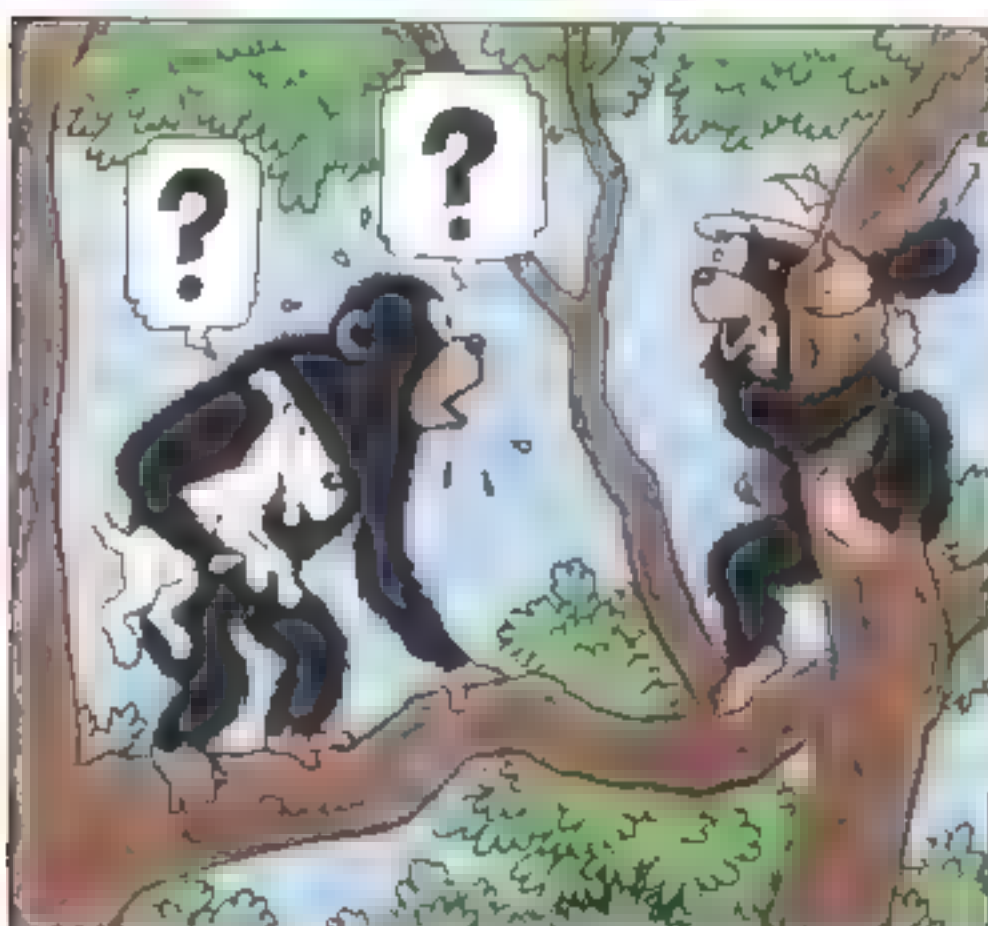

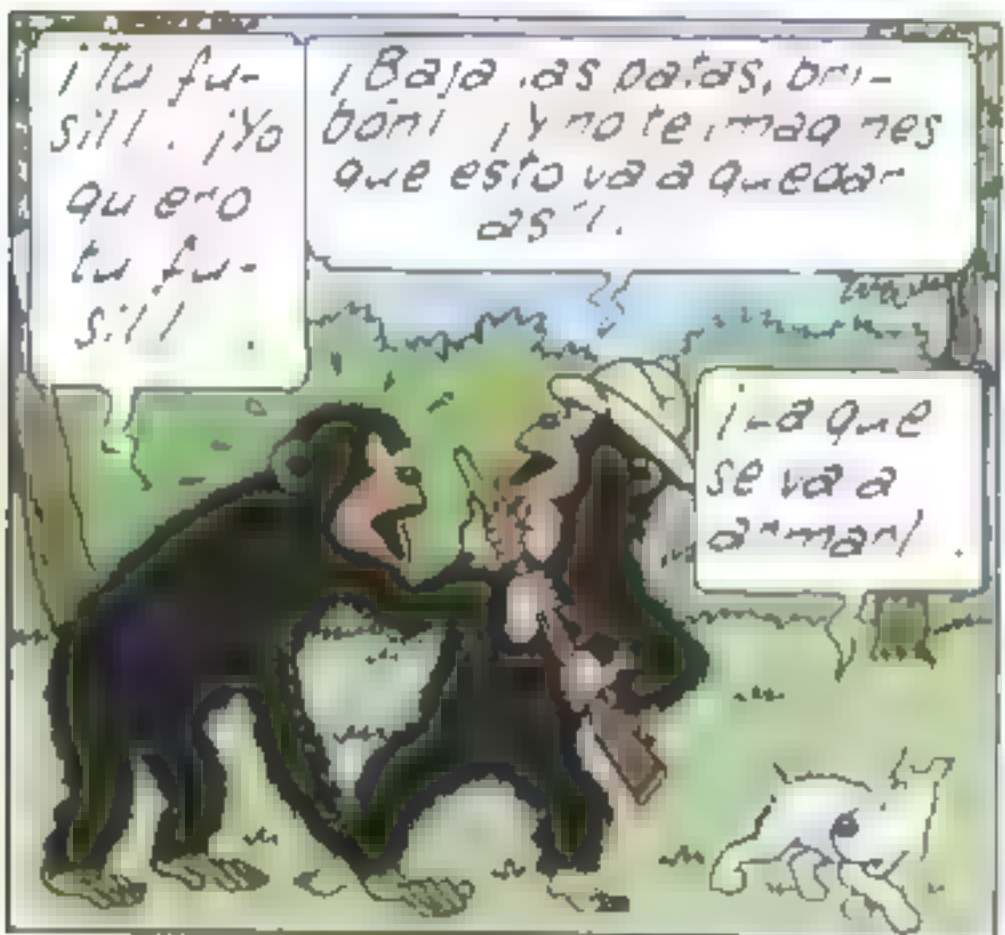

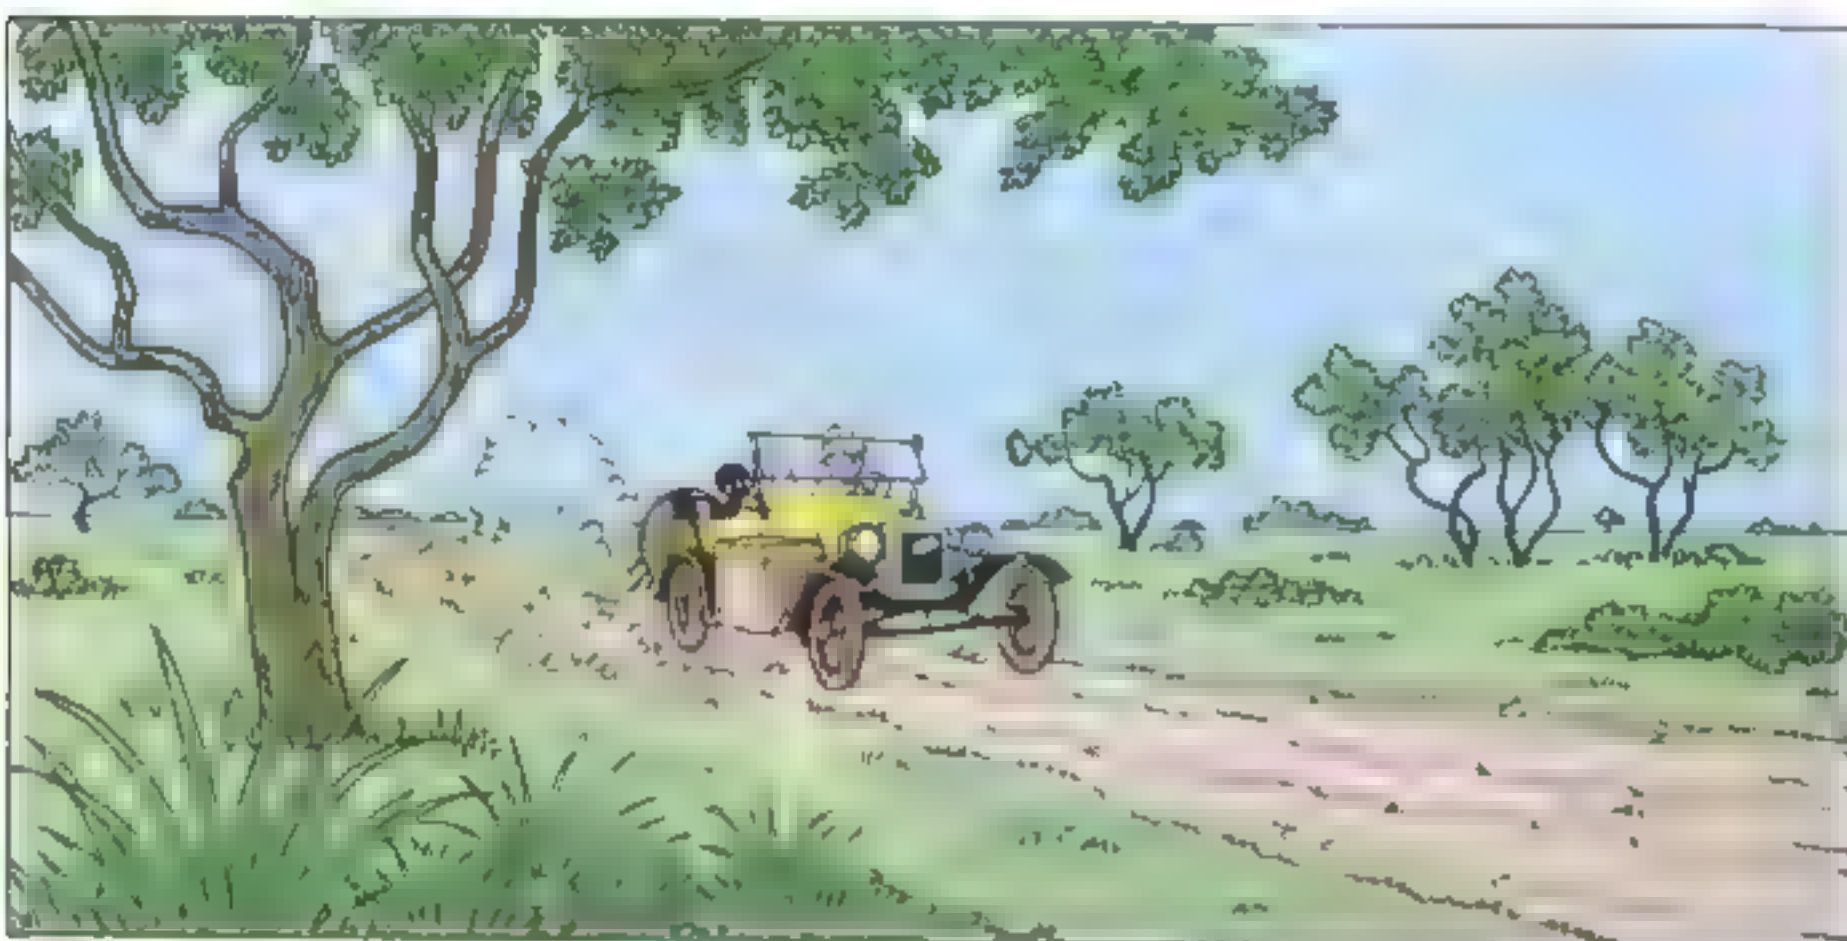

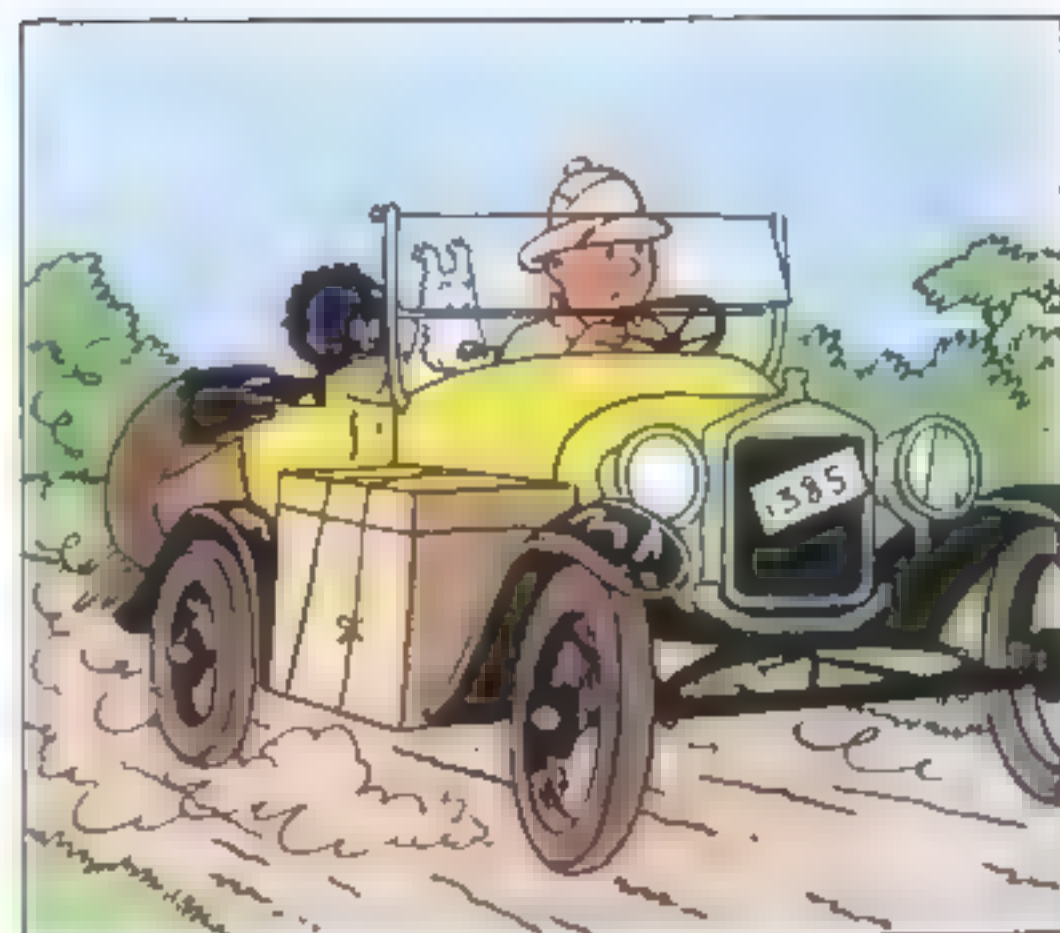

A la mañana siguiente...

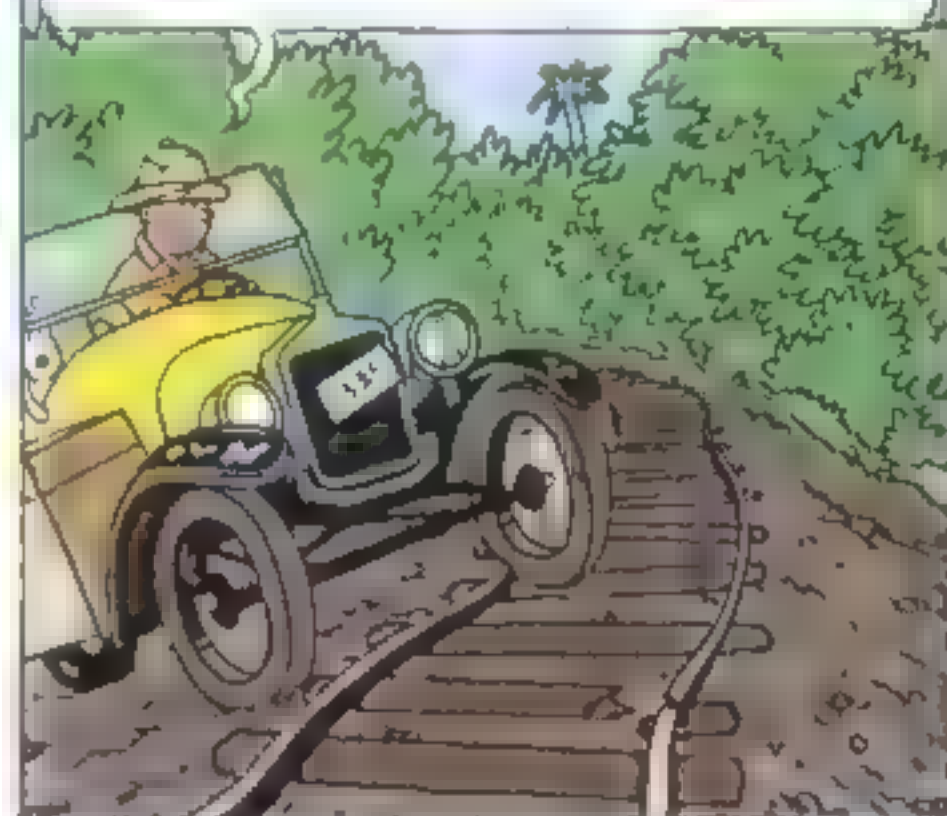

¡Señor!... ¡Señor!... El prisionero ha escapado...

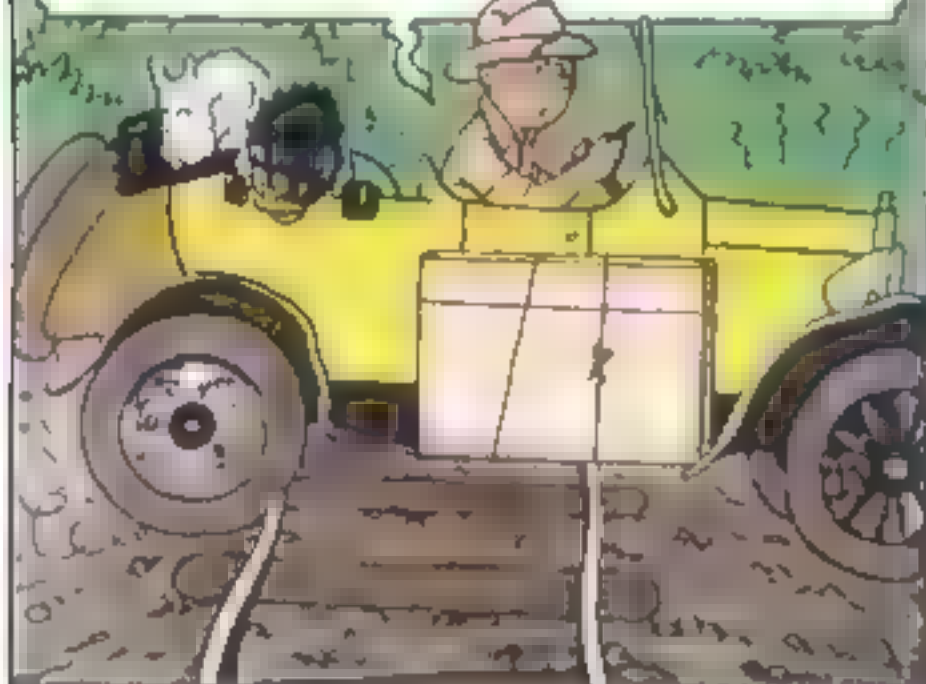

¡Bah!... ¡Peor para él!... Dejémosle correr y continuemos nuestro camino...

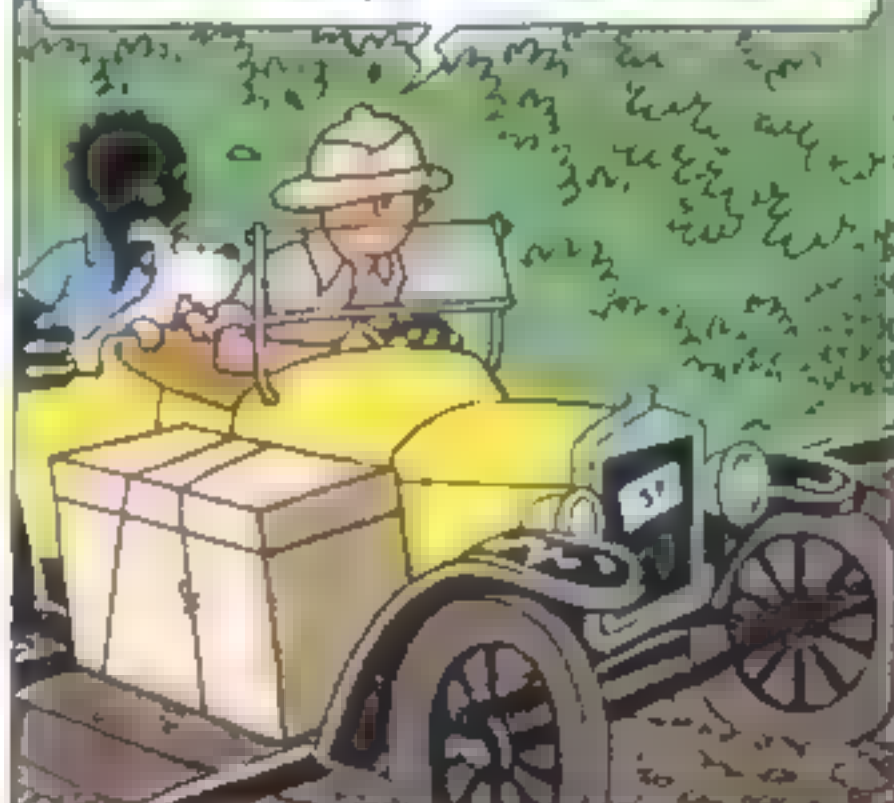

¡Atiza! ¡La vía del tren!...

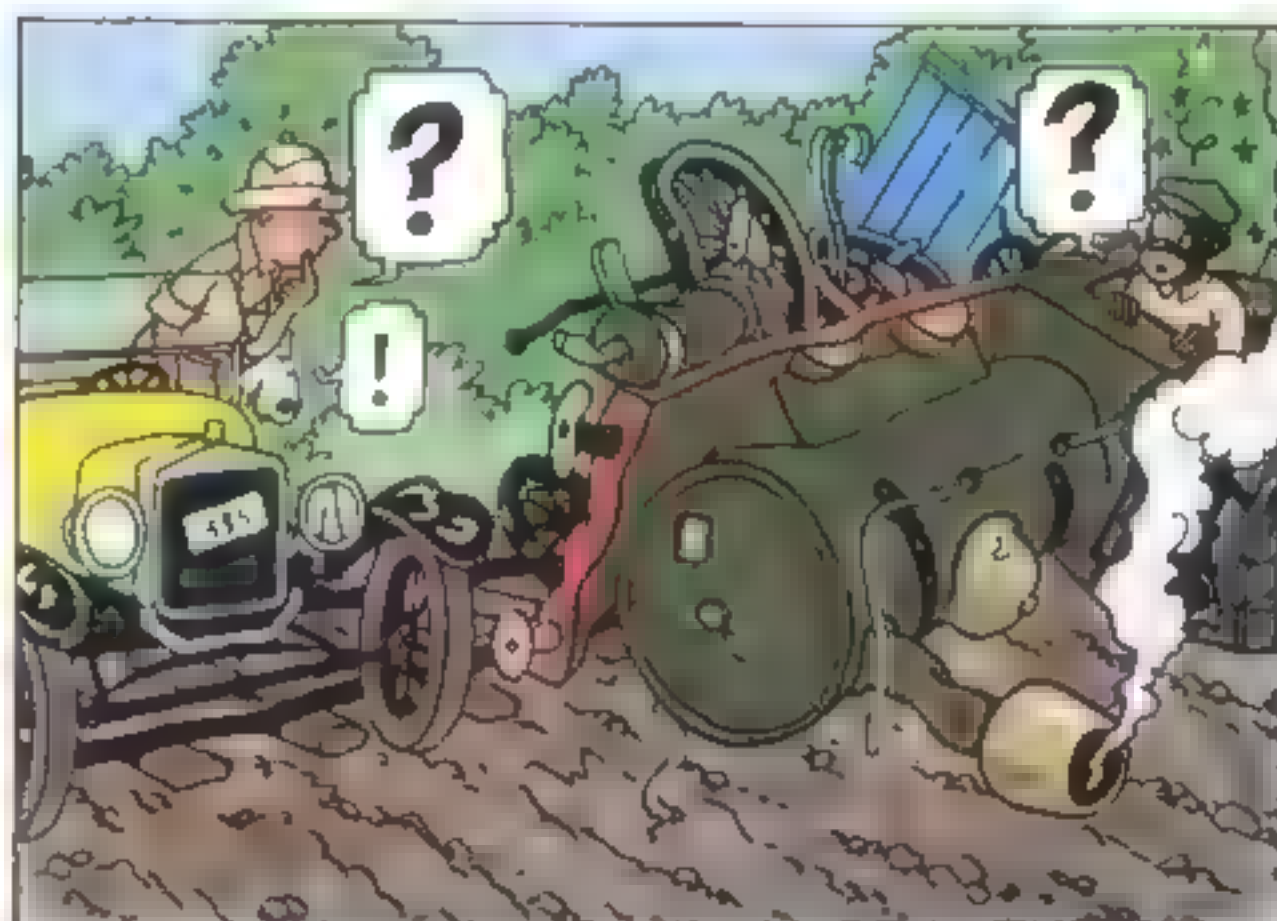

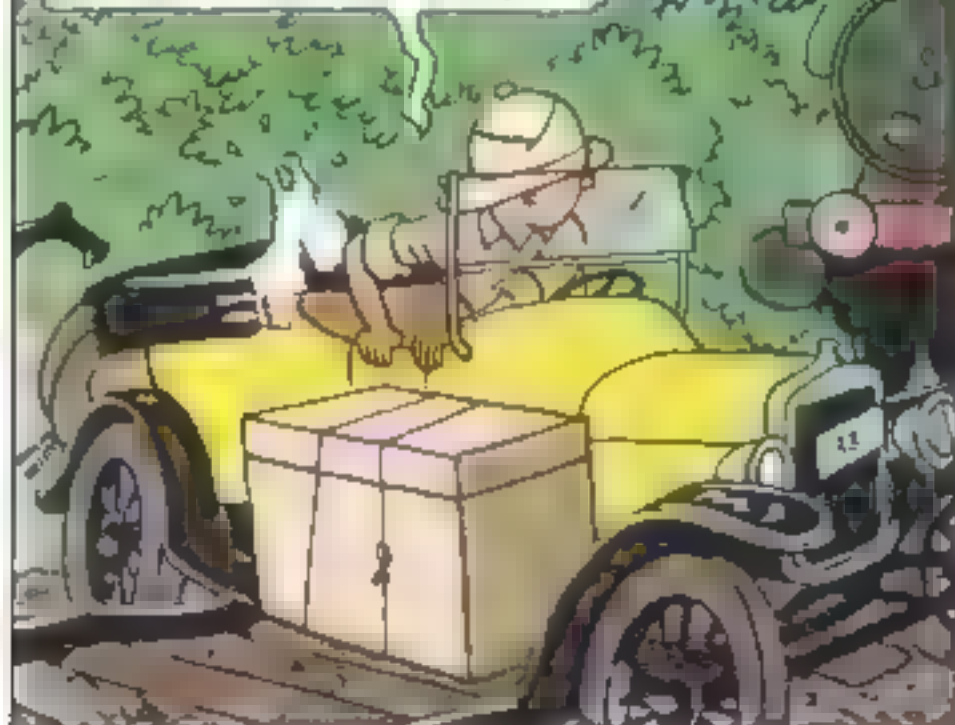

Bueno. ¿Y ahora qué? No puedo atravesar la vía...

¡Dios mío! Ese ruido...

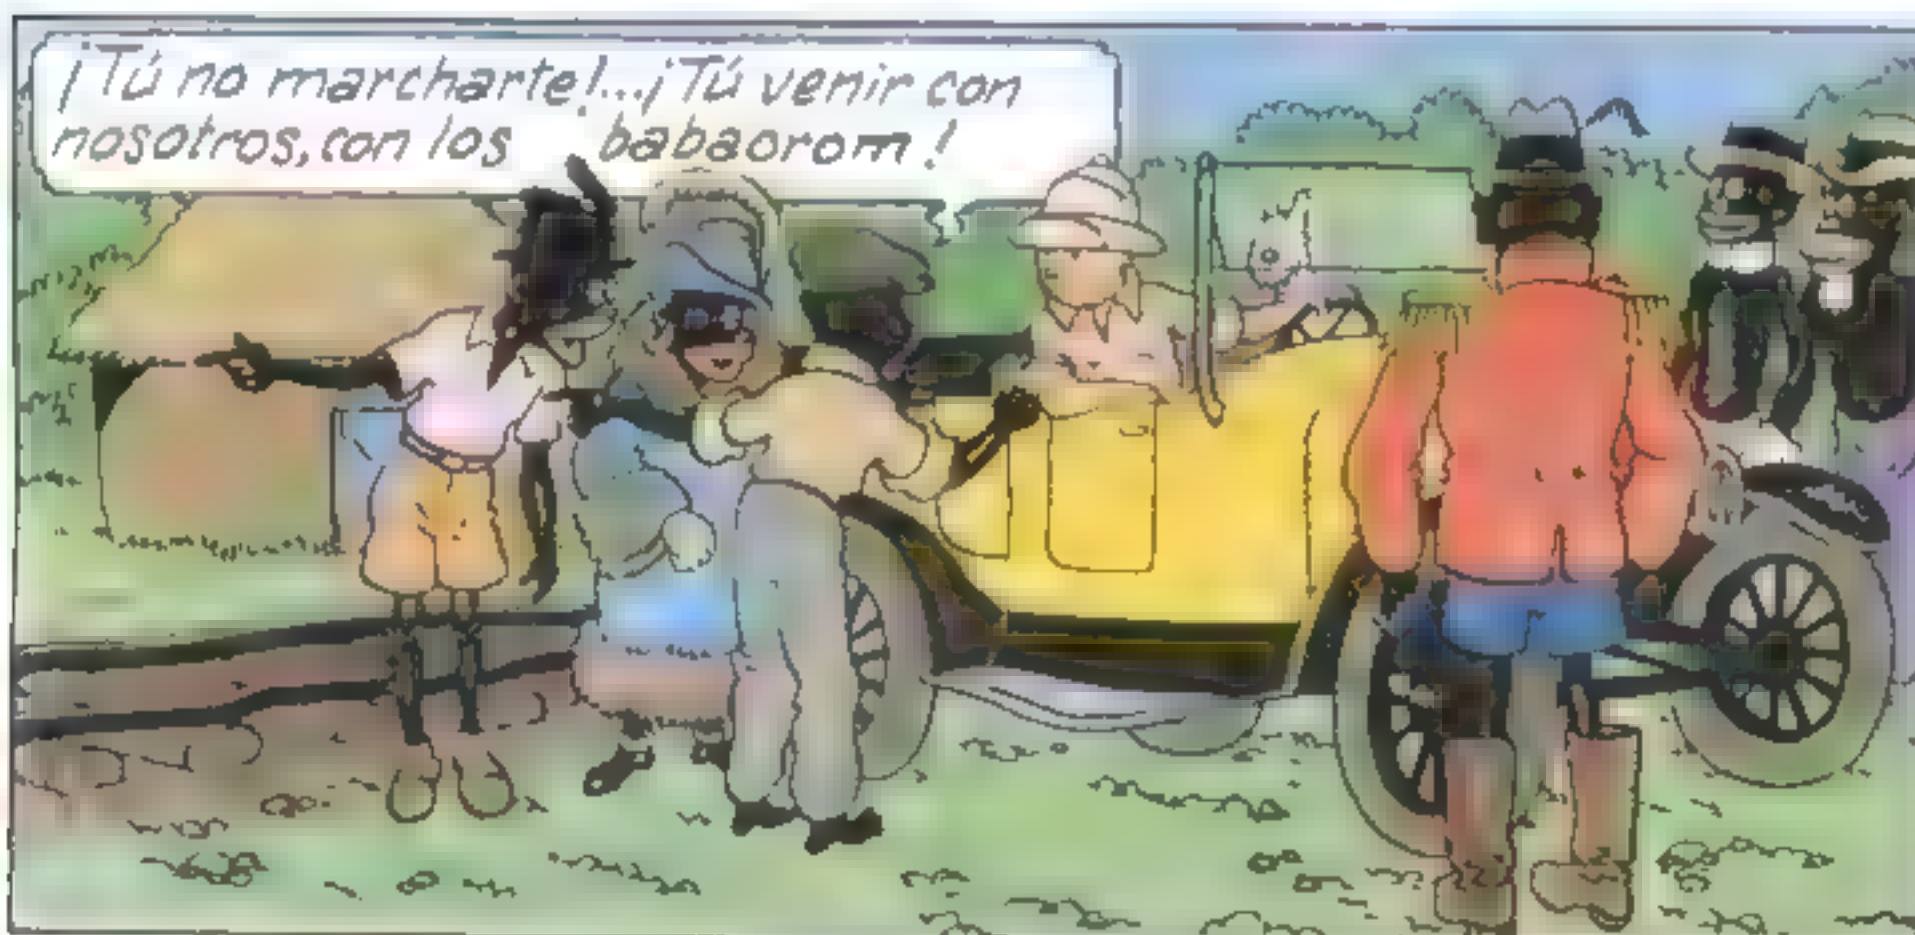

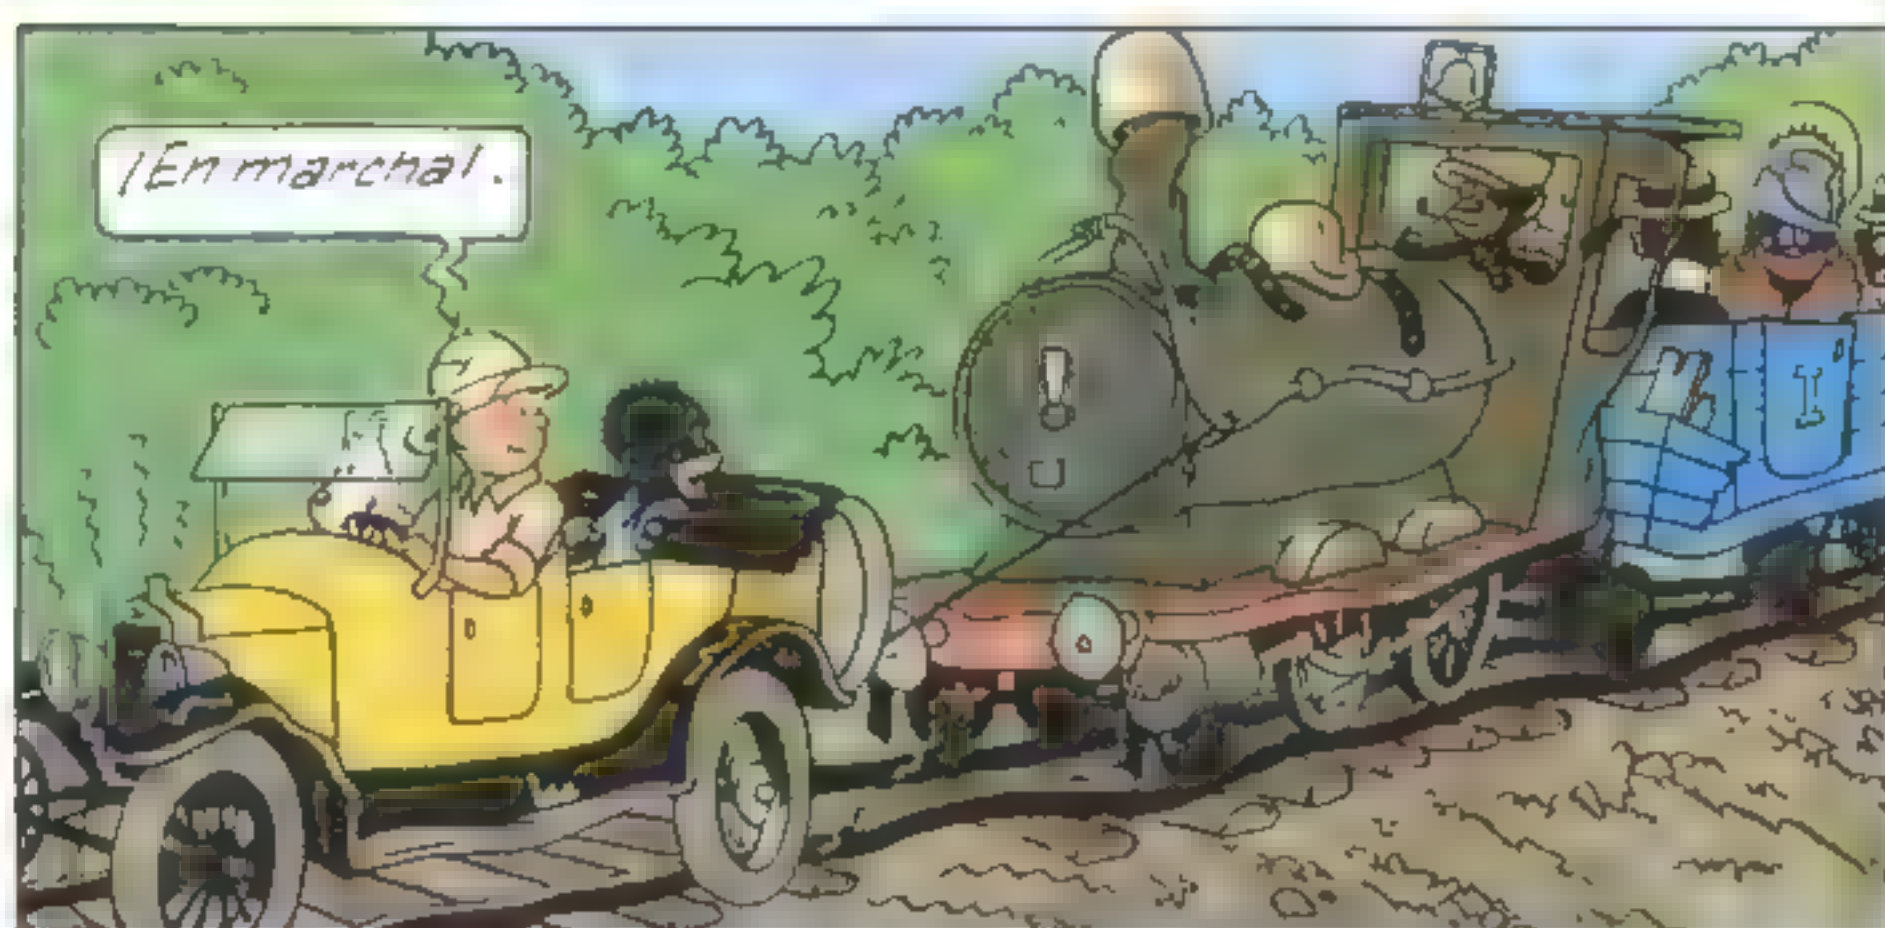

¡Horror! ¡El tren va a triturarnos!...

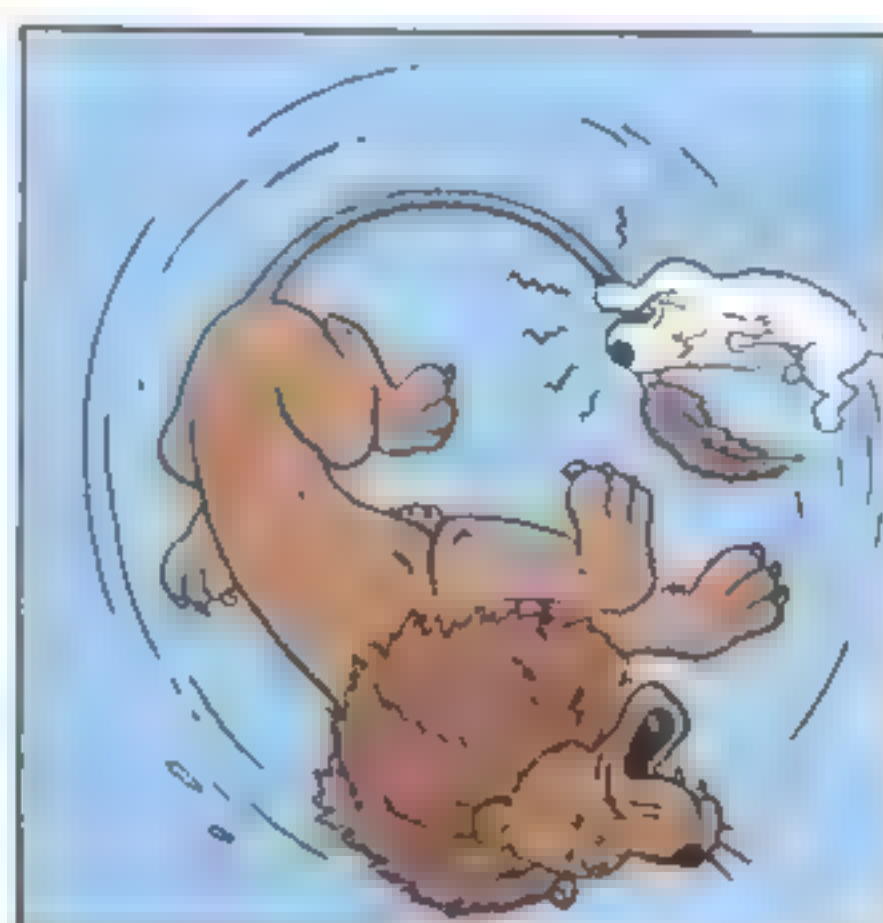

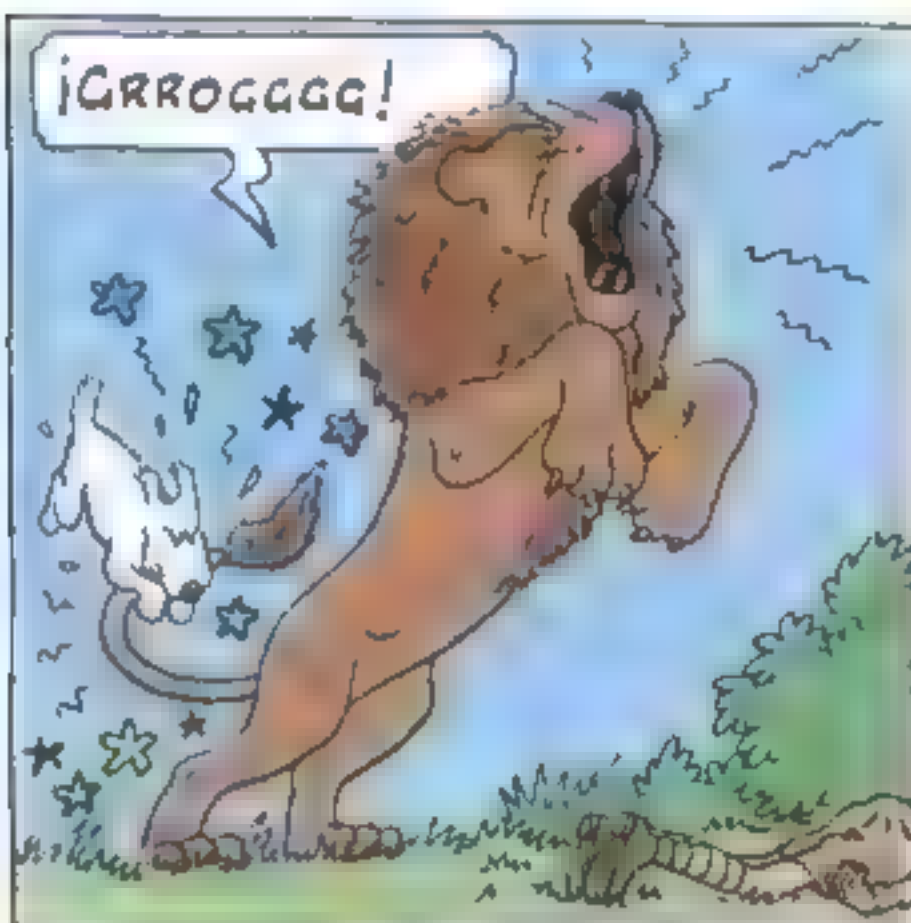

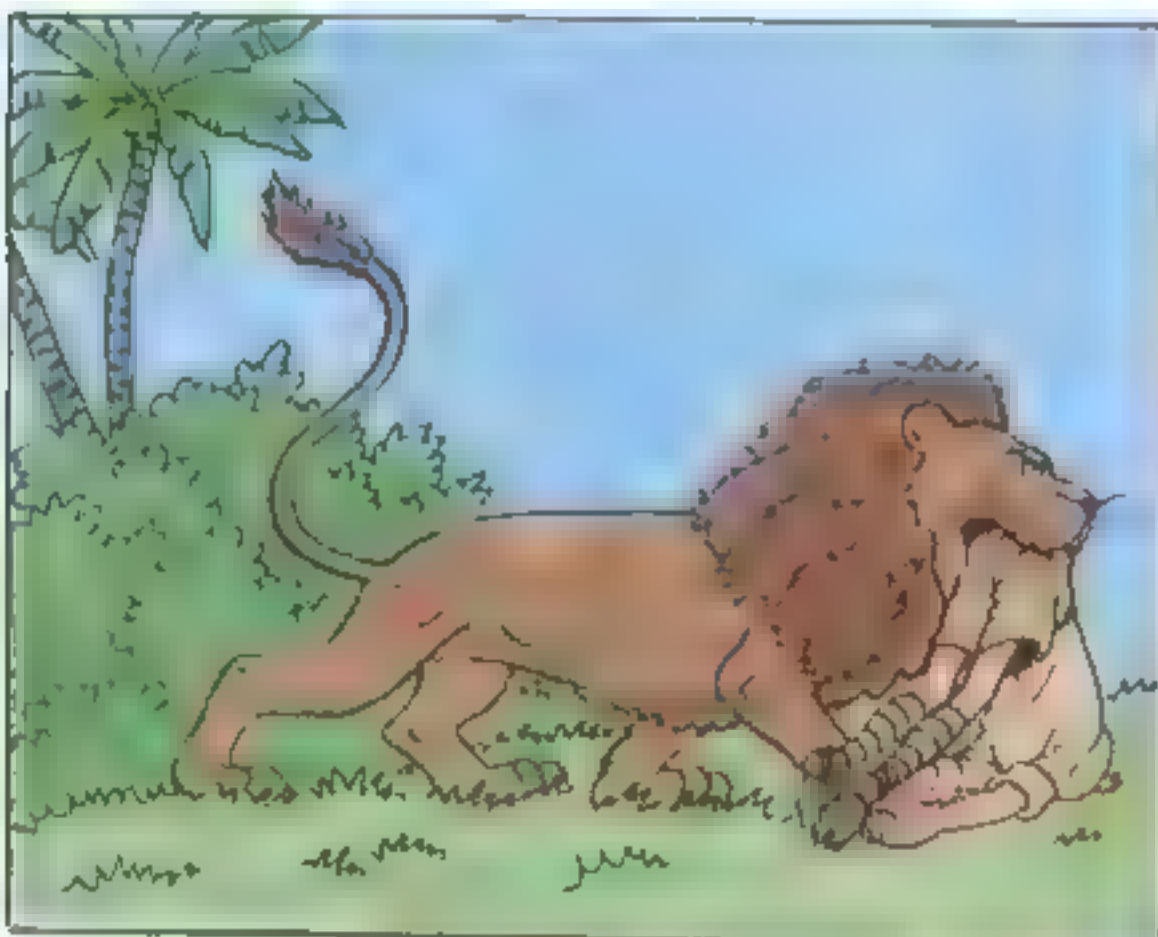

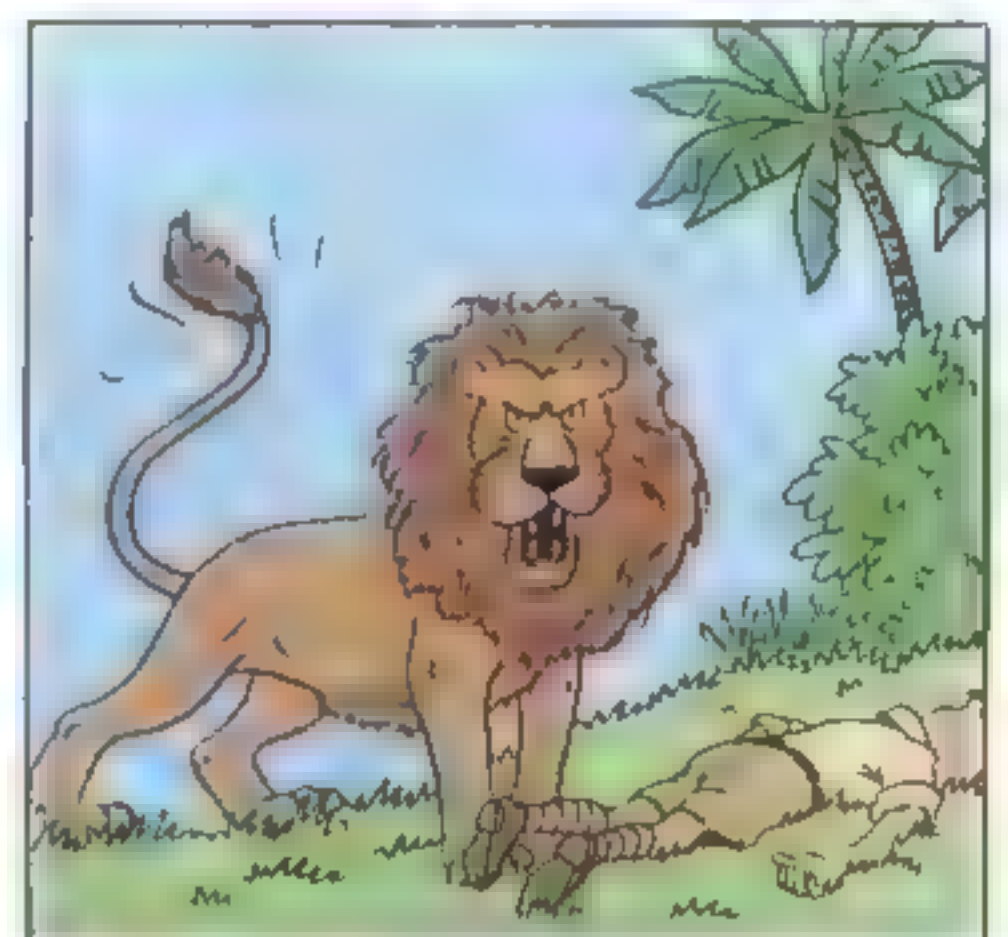

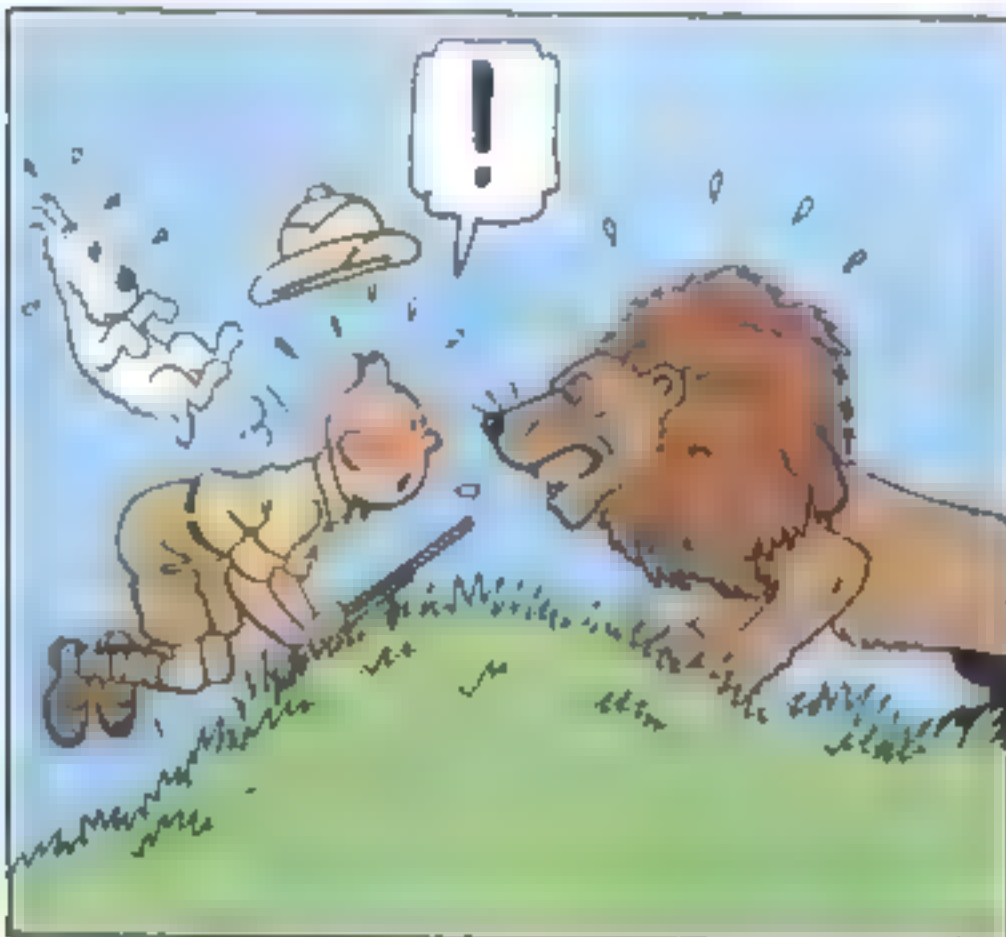

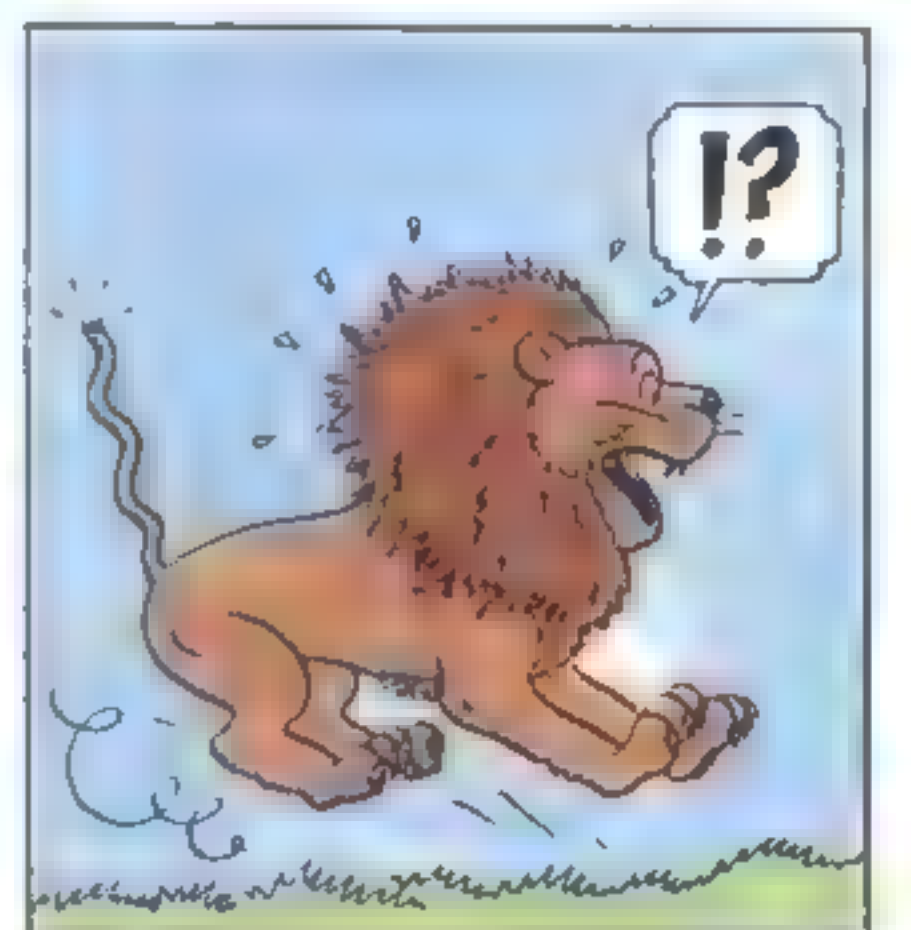

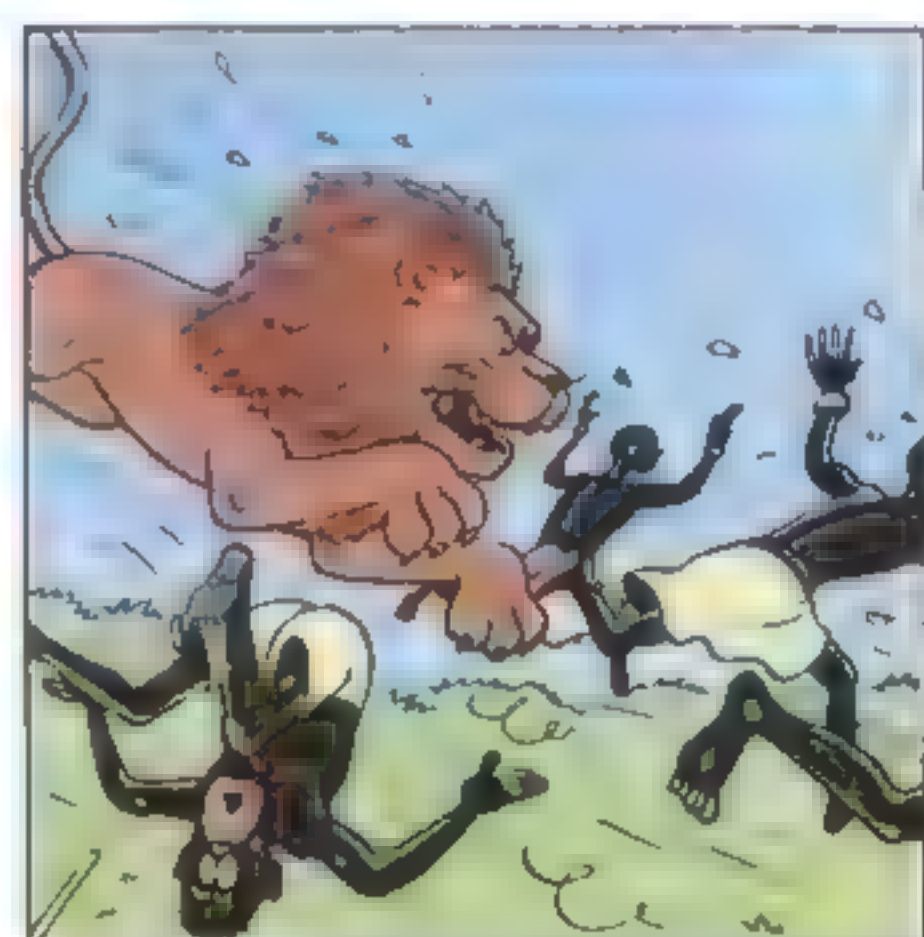

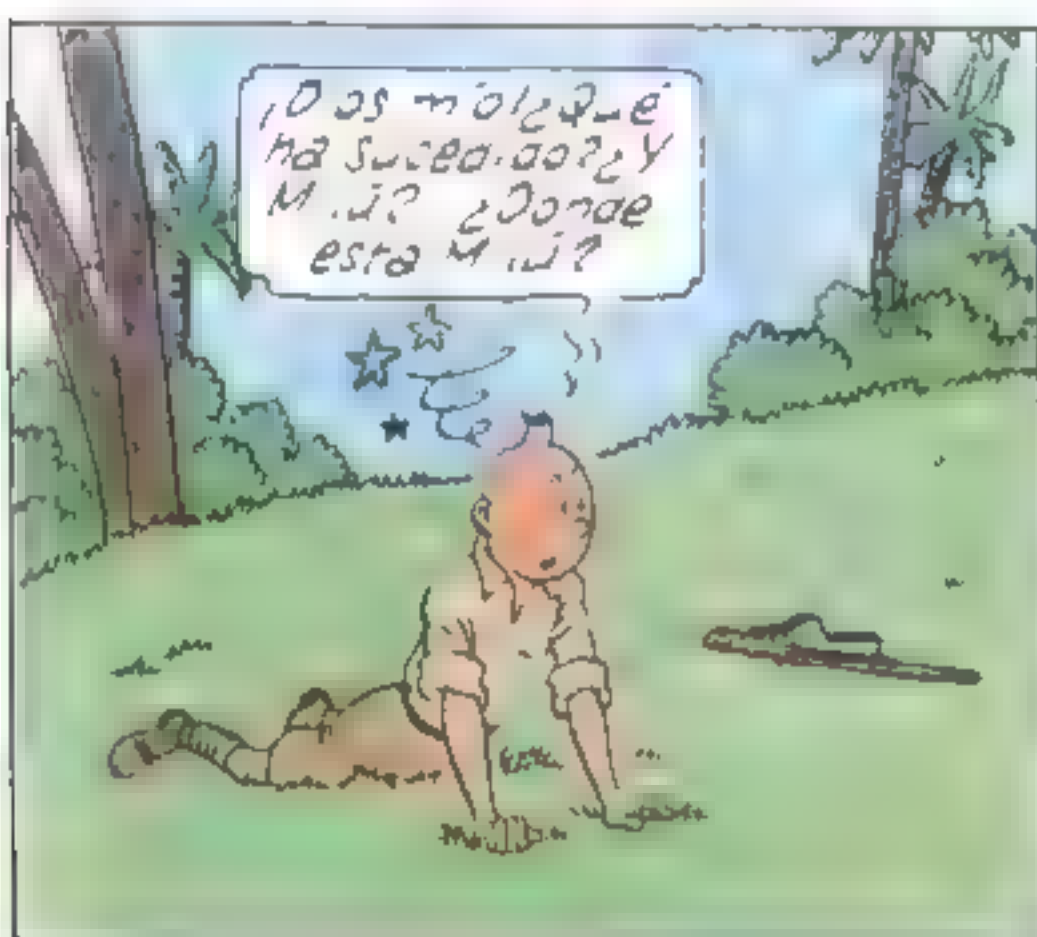

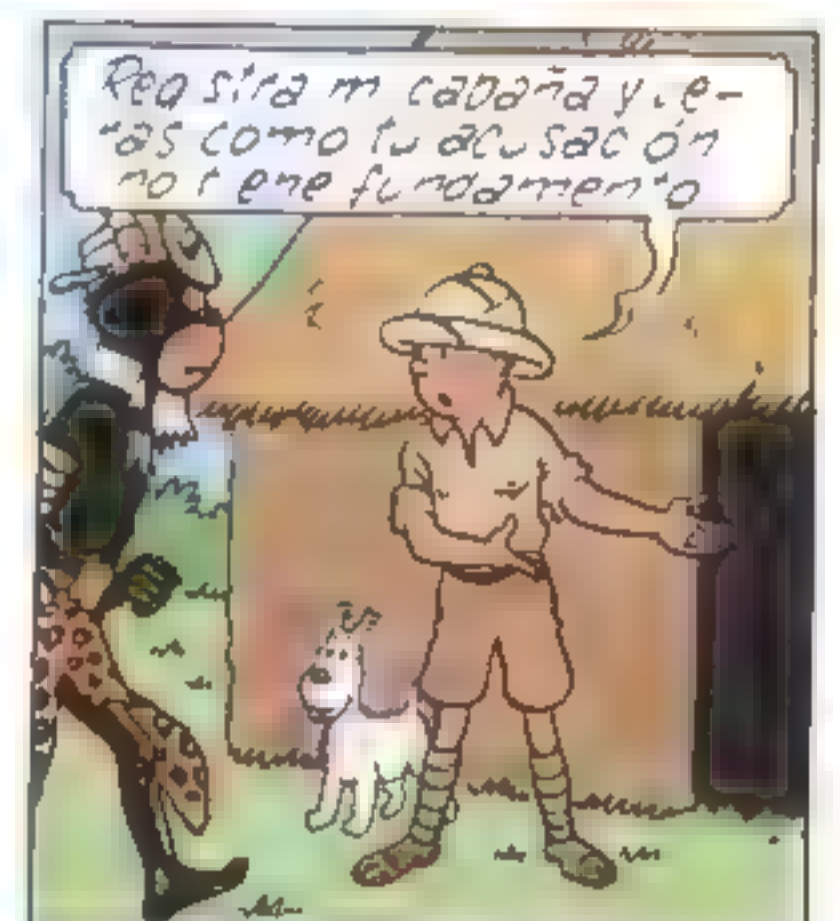

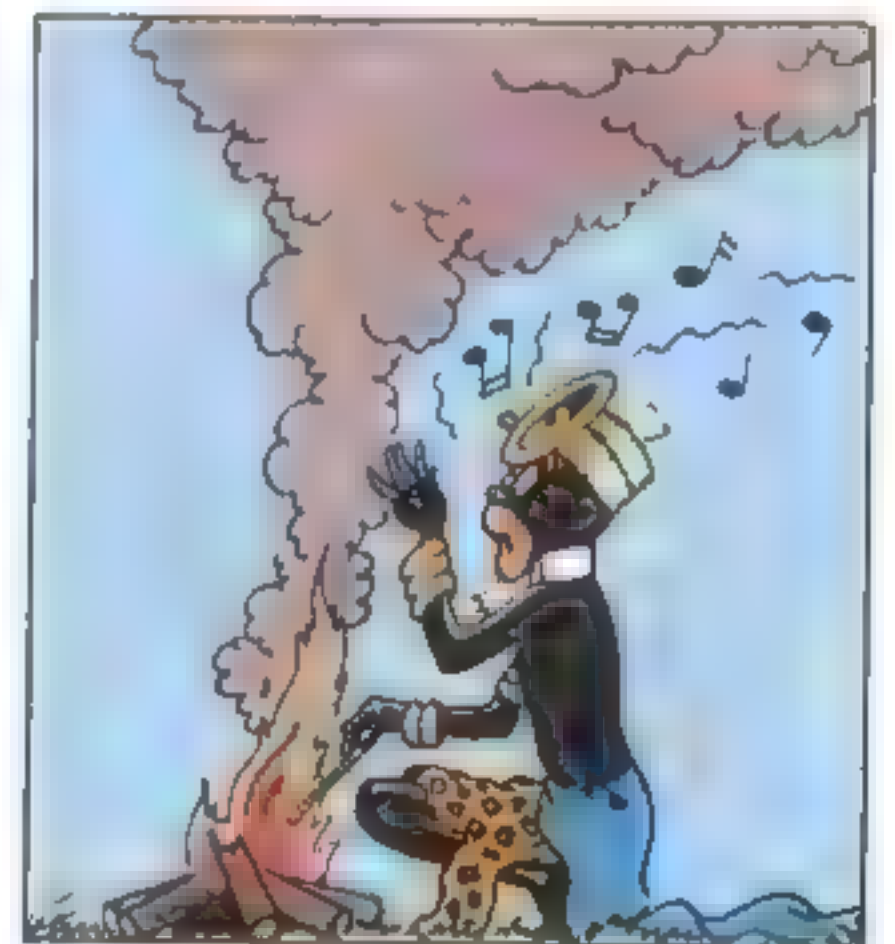

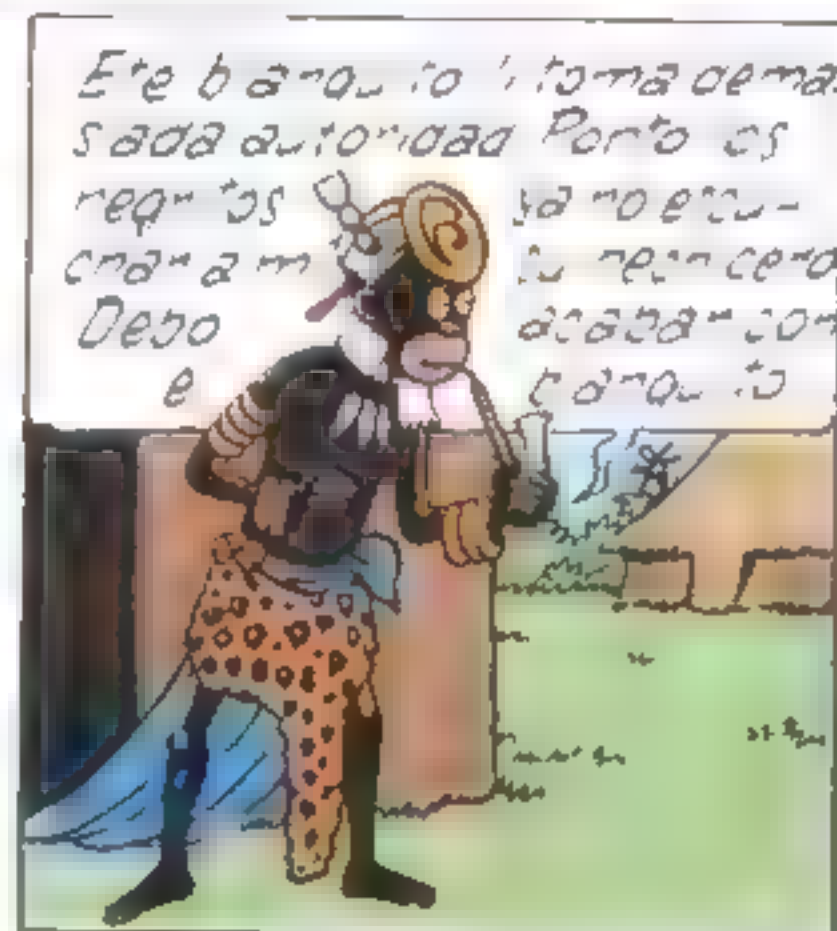

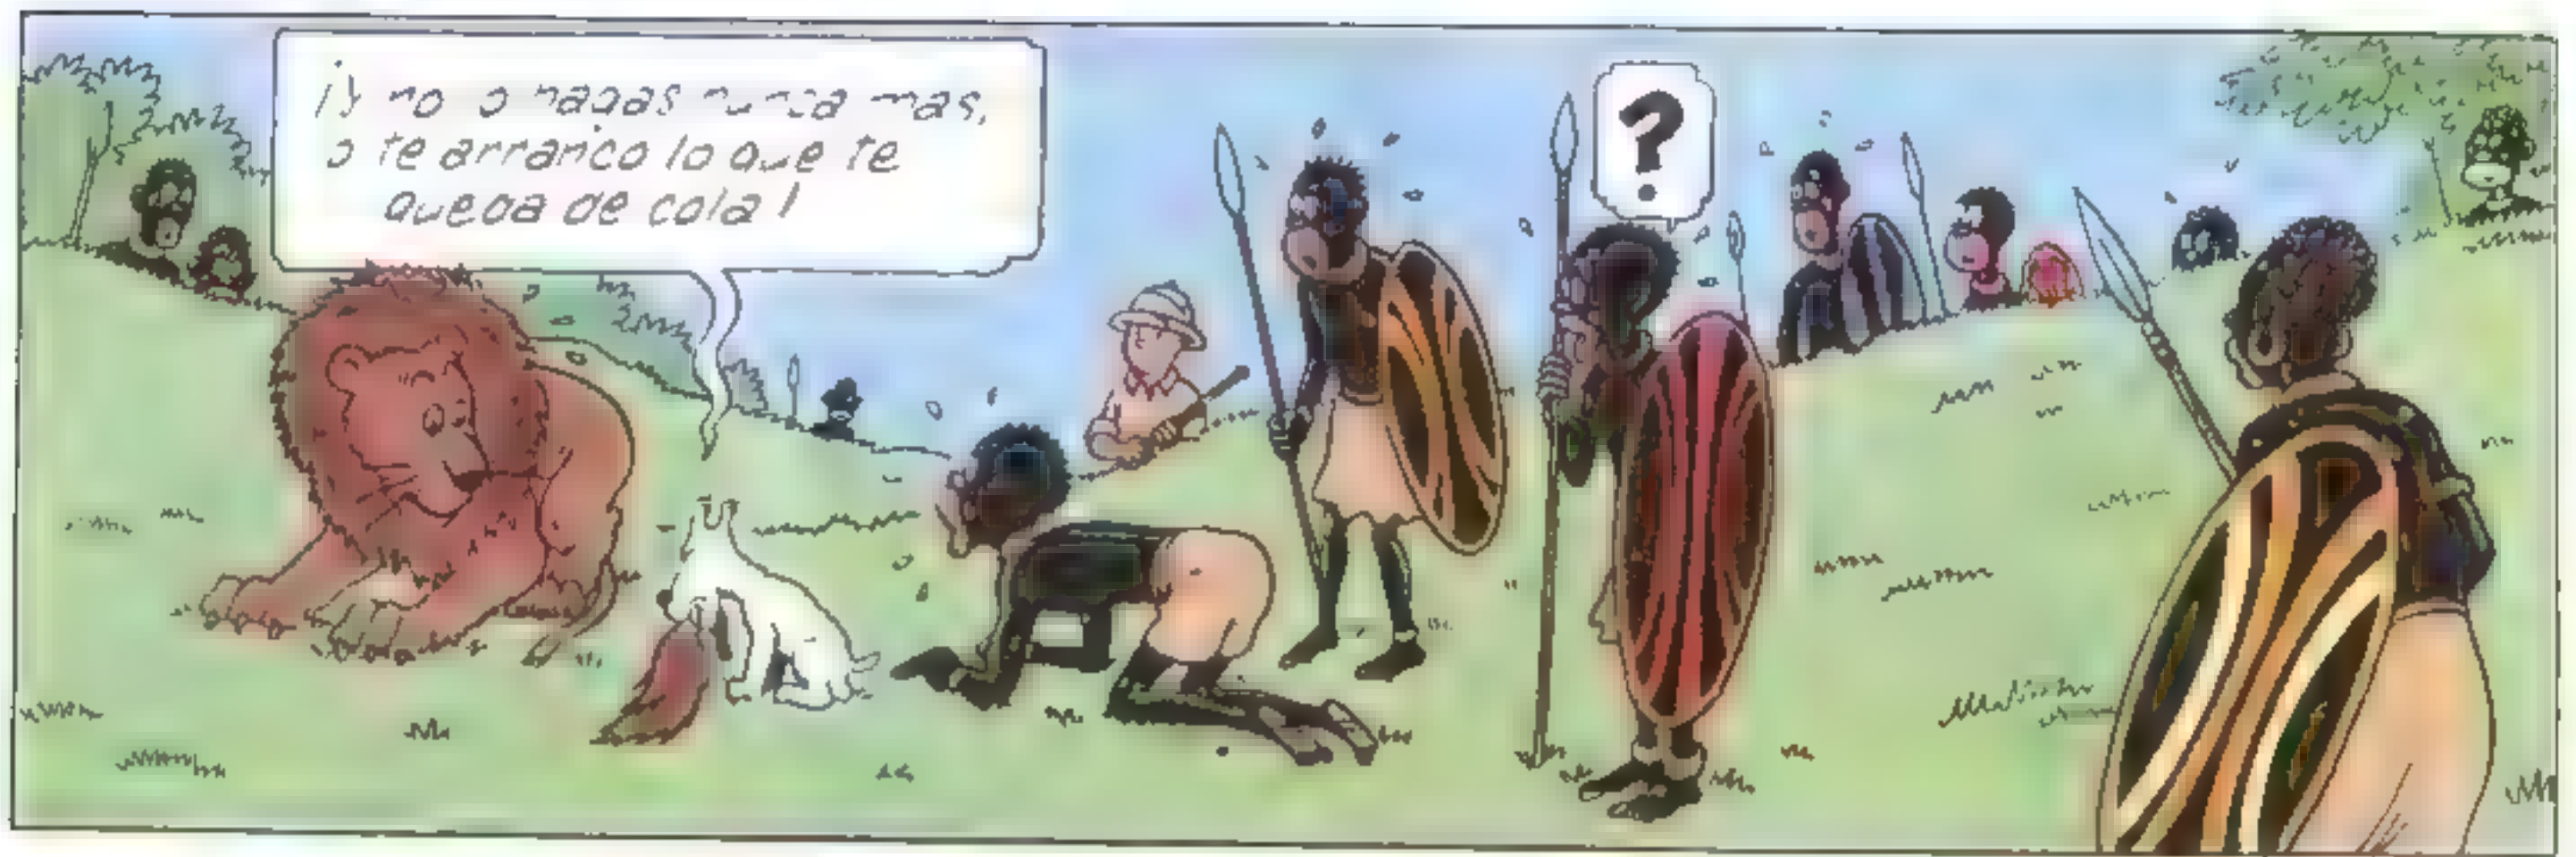

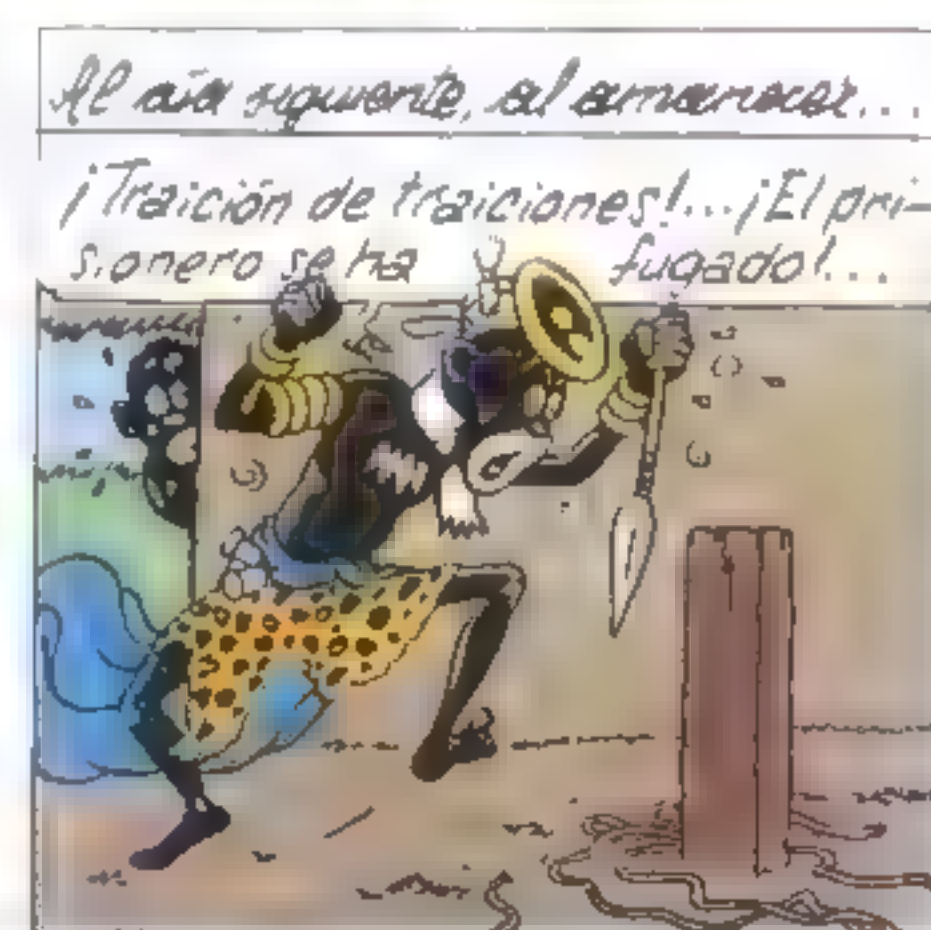

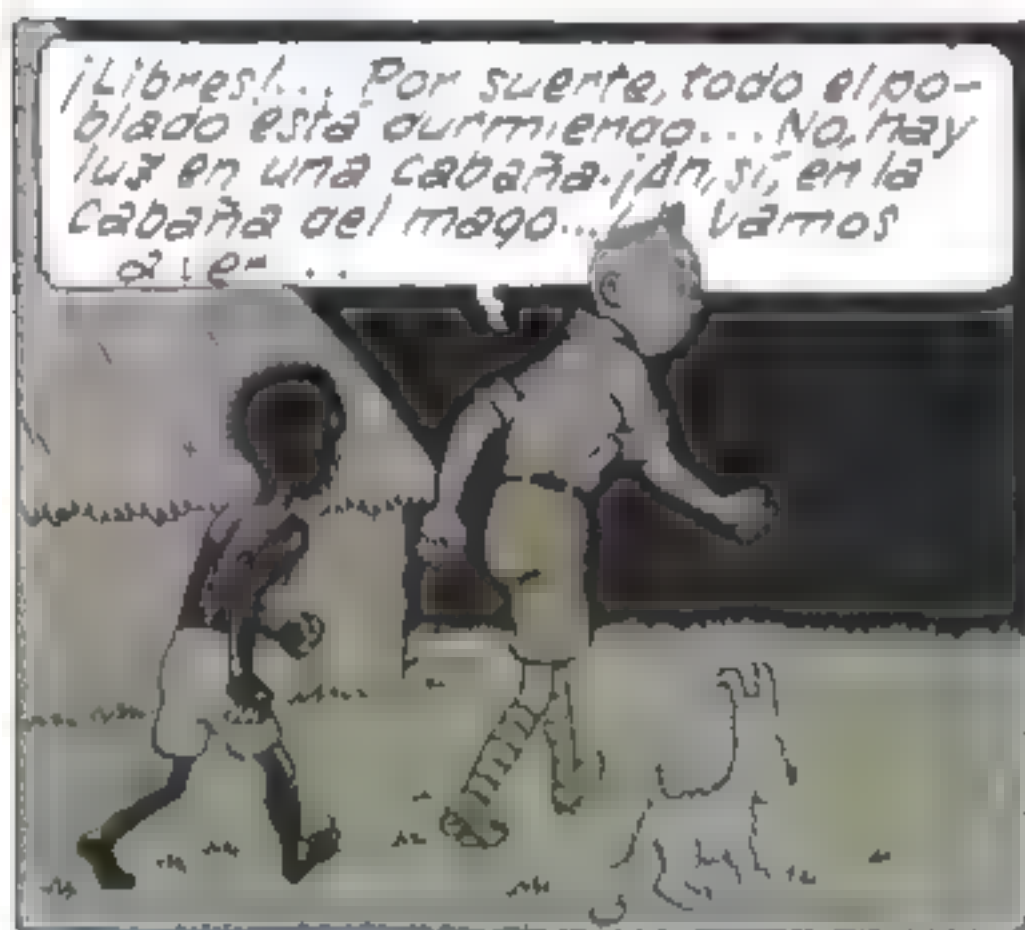

Unos minutos después...

¡El prisionero!... ¡Está aquí!... ¡Que muera!

¡Espera, mago, espera!...

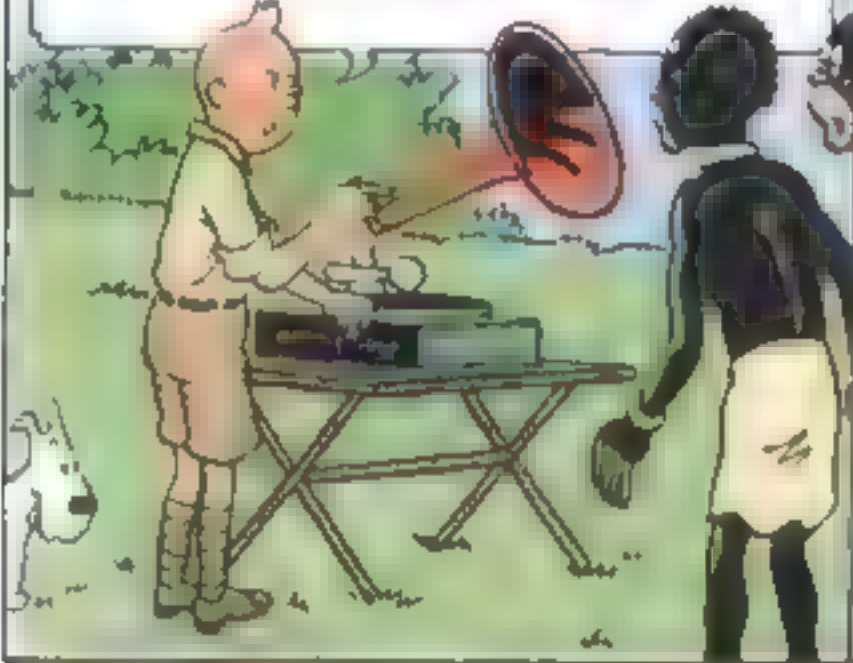

¡Pam!  
¡O en el  
blanco!

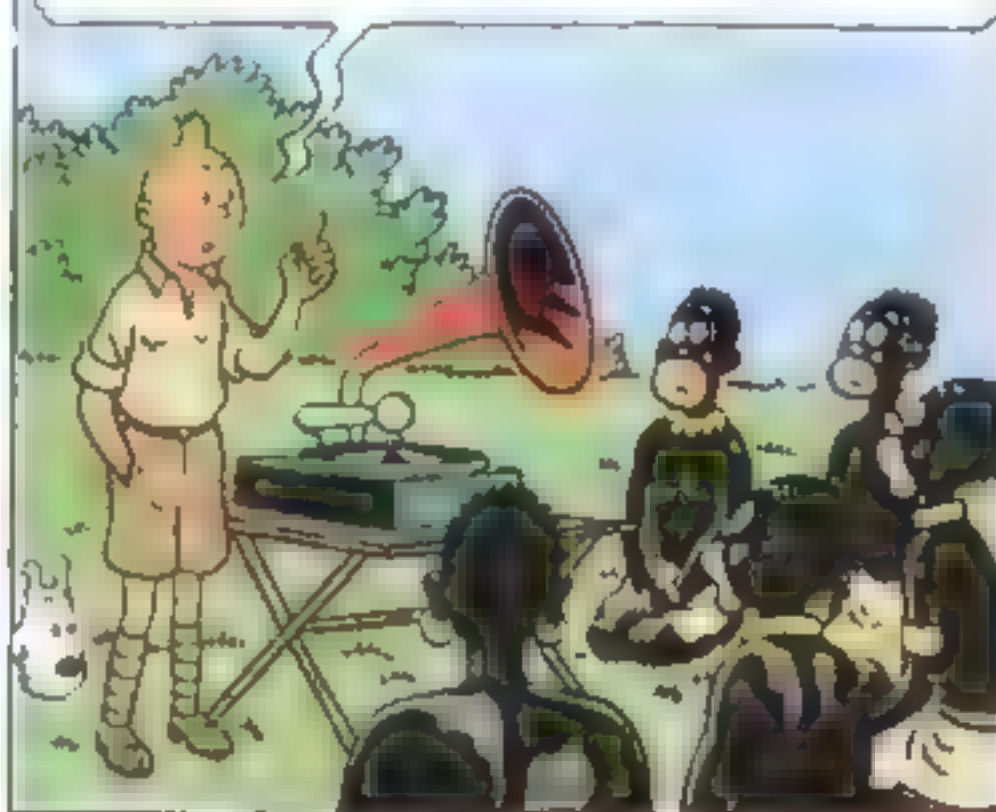

¿Alguien más quiere luchar?...  
¿Nadie?... ¡Bien!...

Y ahora, amigos, os aconsejo que escuchéis con atención: vuestro hechicero va a hablaros...

Aquí está, escuchad.

Y yo, hechicero de los babaorom, tendré aún durante mucho tiempo a este pueblo ignorante y tonto bajo mi dominio...

¿El brujo está aquí dentro?... ¡Es o ser malo!

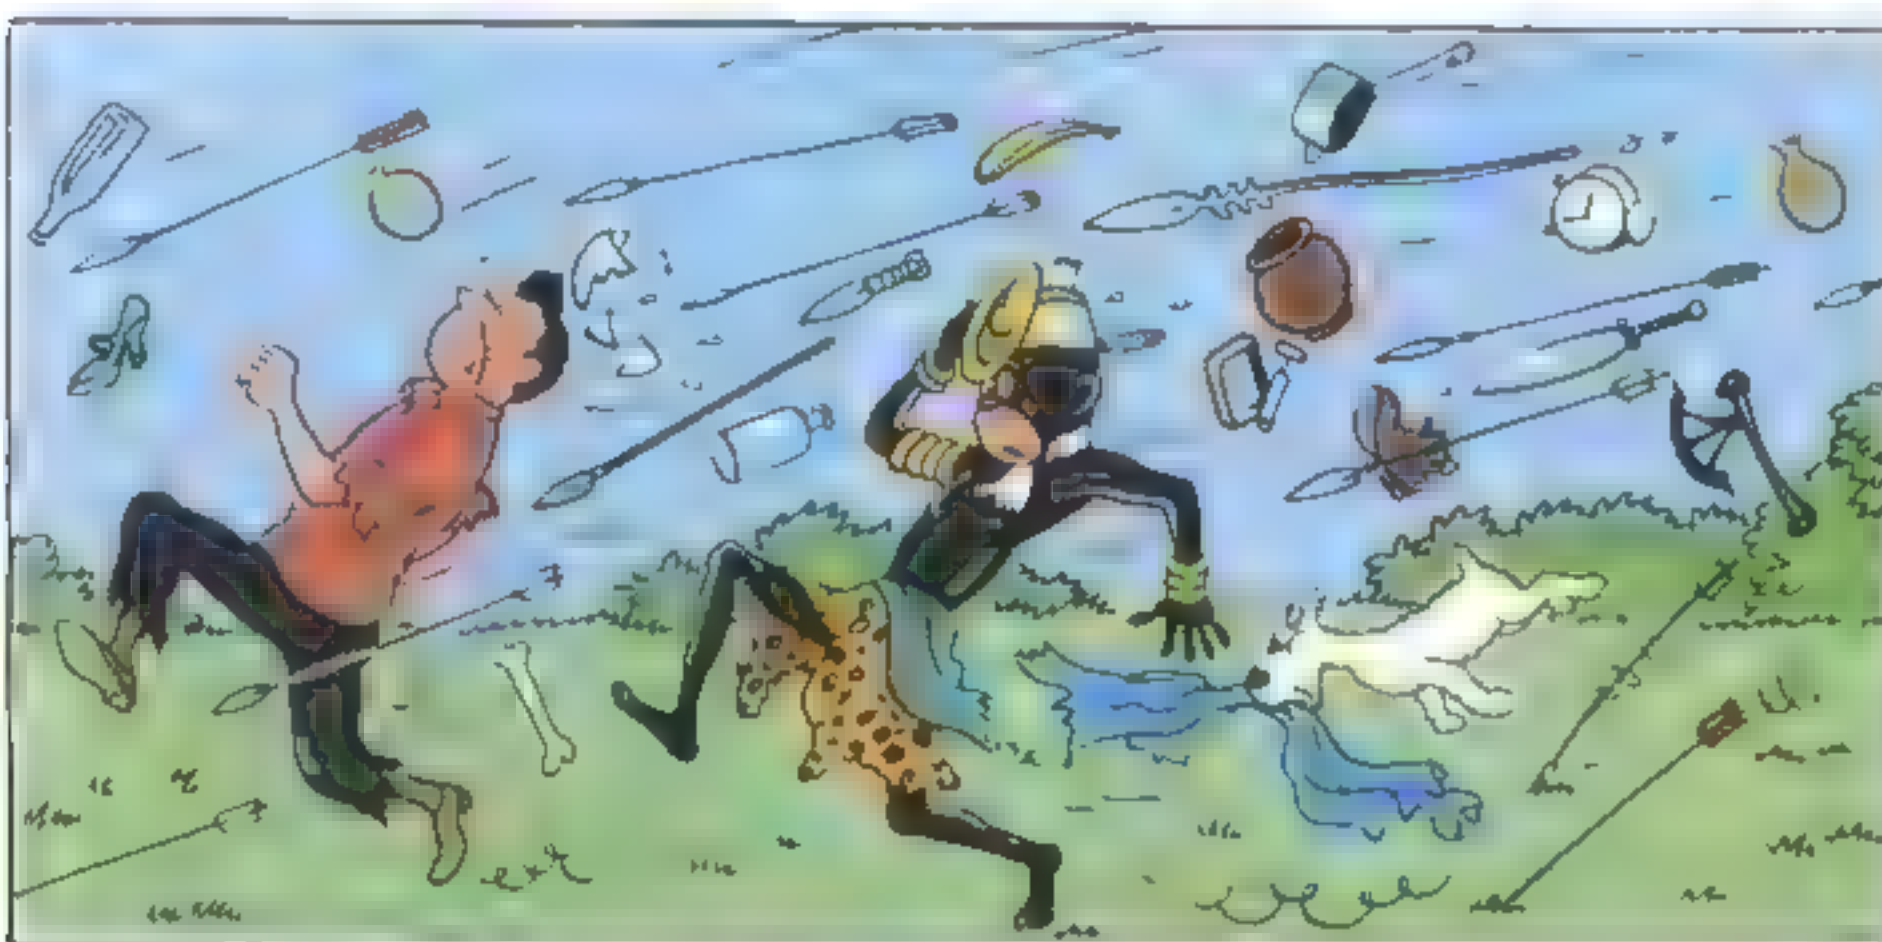

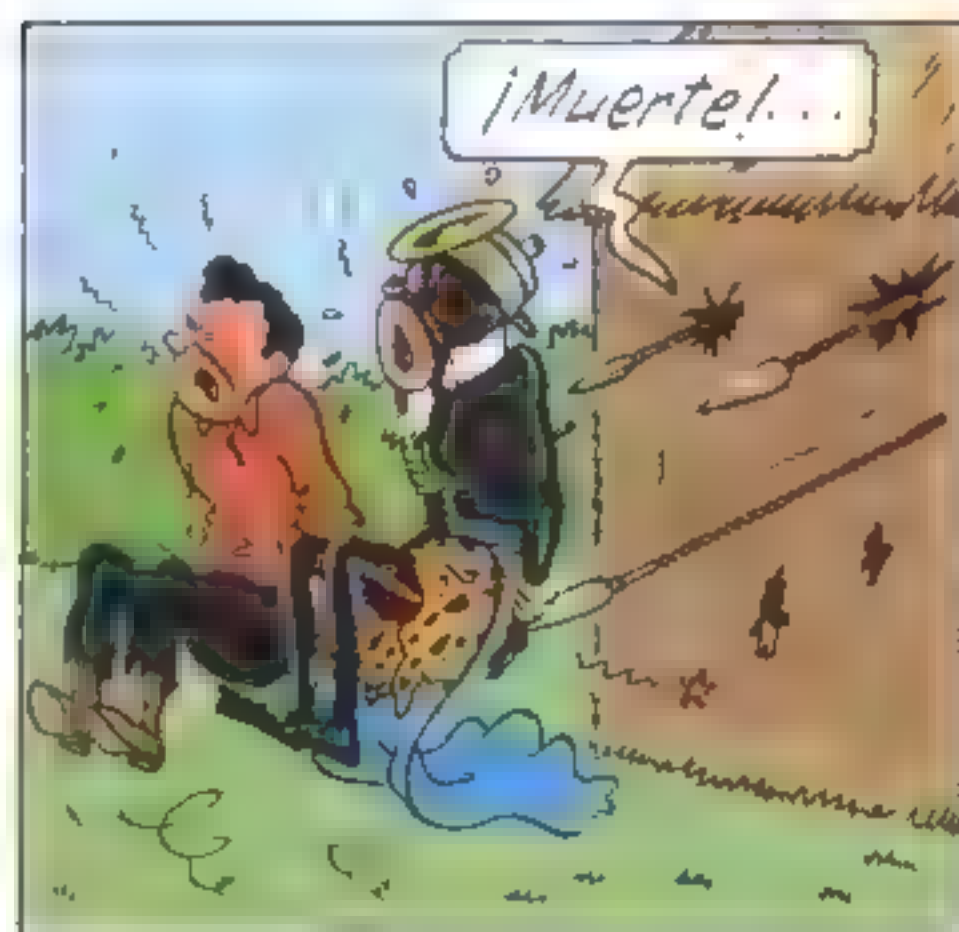

¡Ja, ja, ja! ¡Si supiesen cómo me río de ellos y de su estúpido fetiche!...

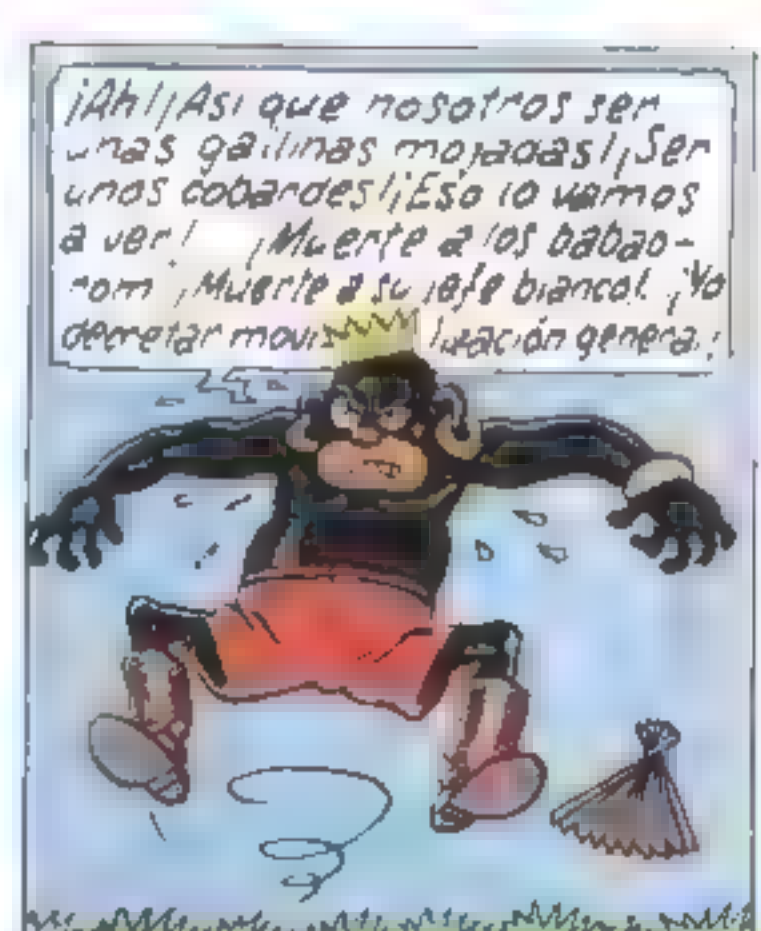

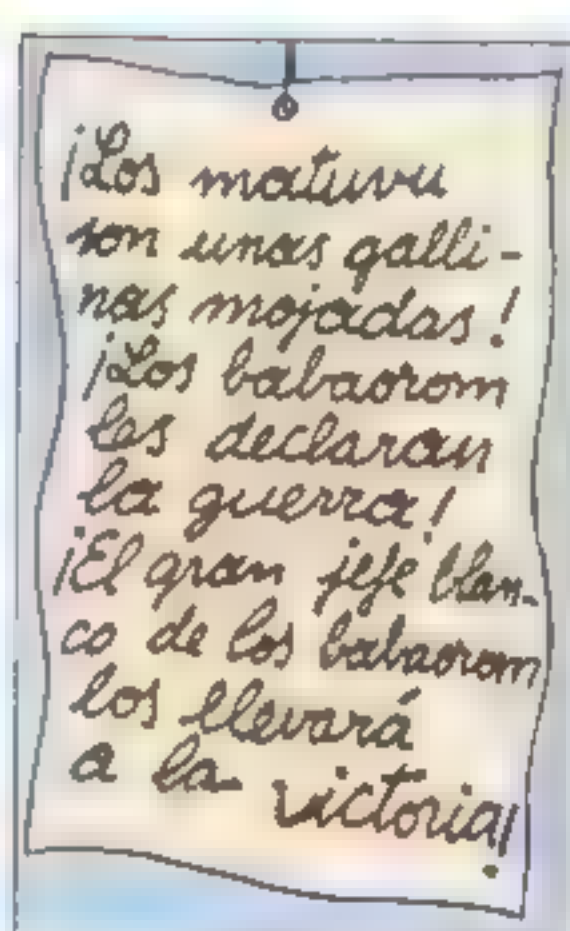

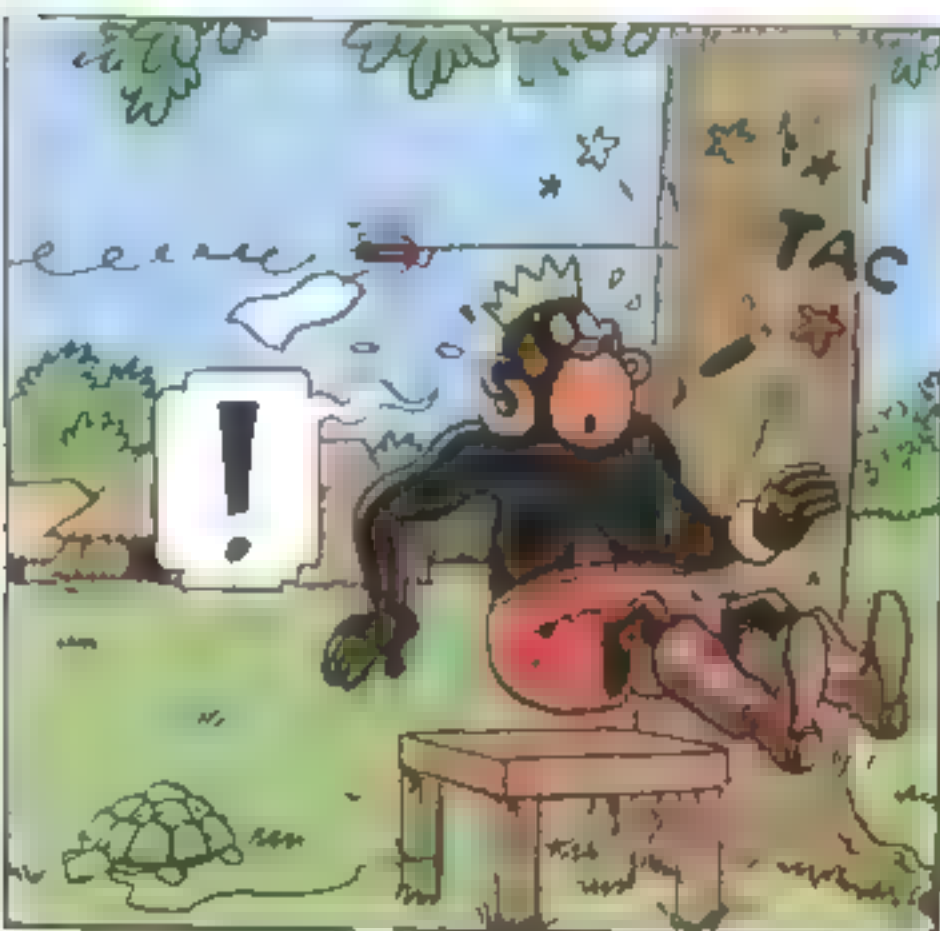

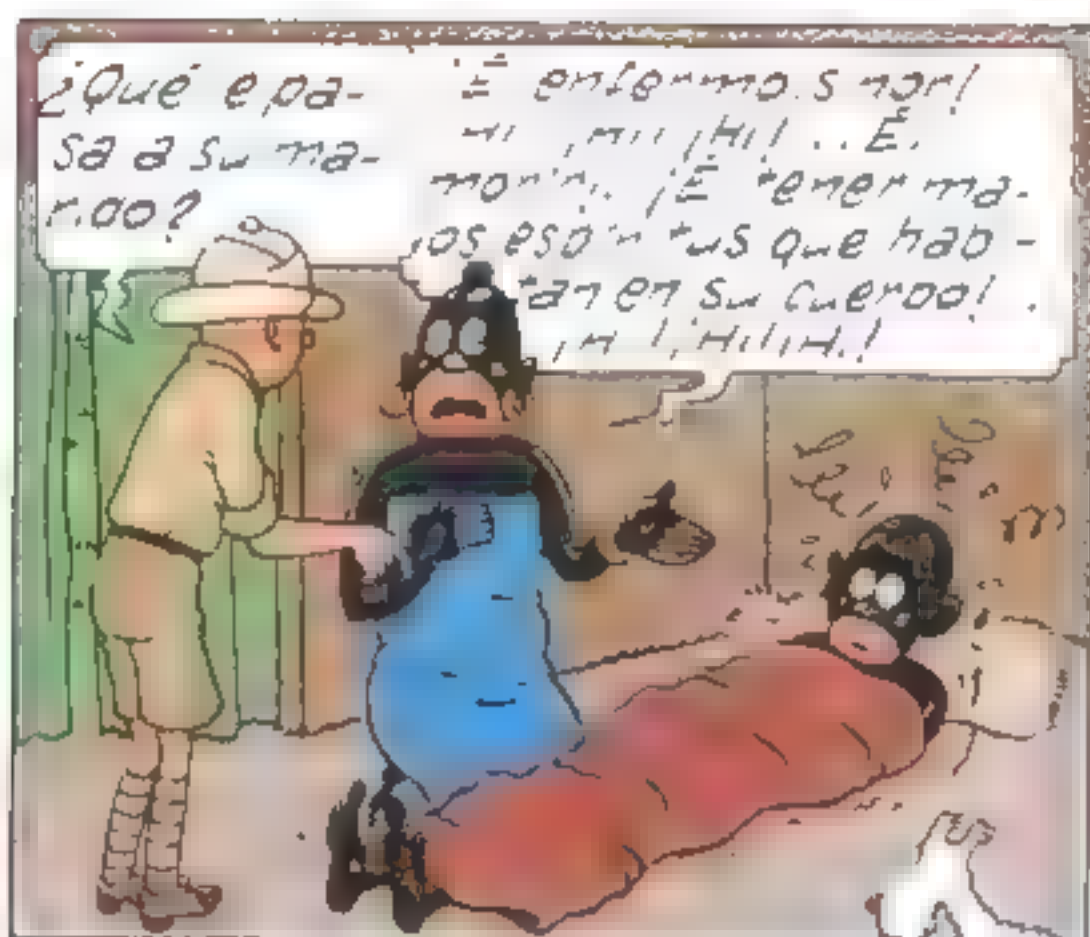

Aún hay más. Entrad ahora en esta cabaña. Os voy a enseñar algo...

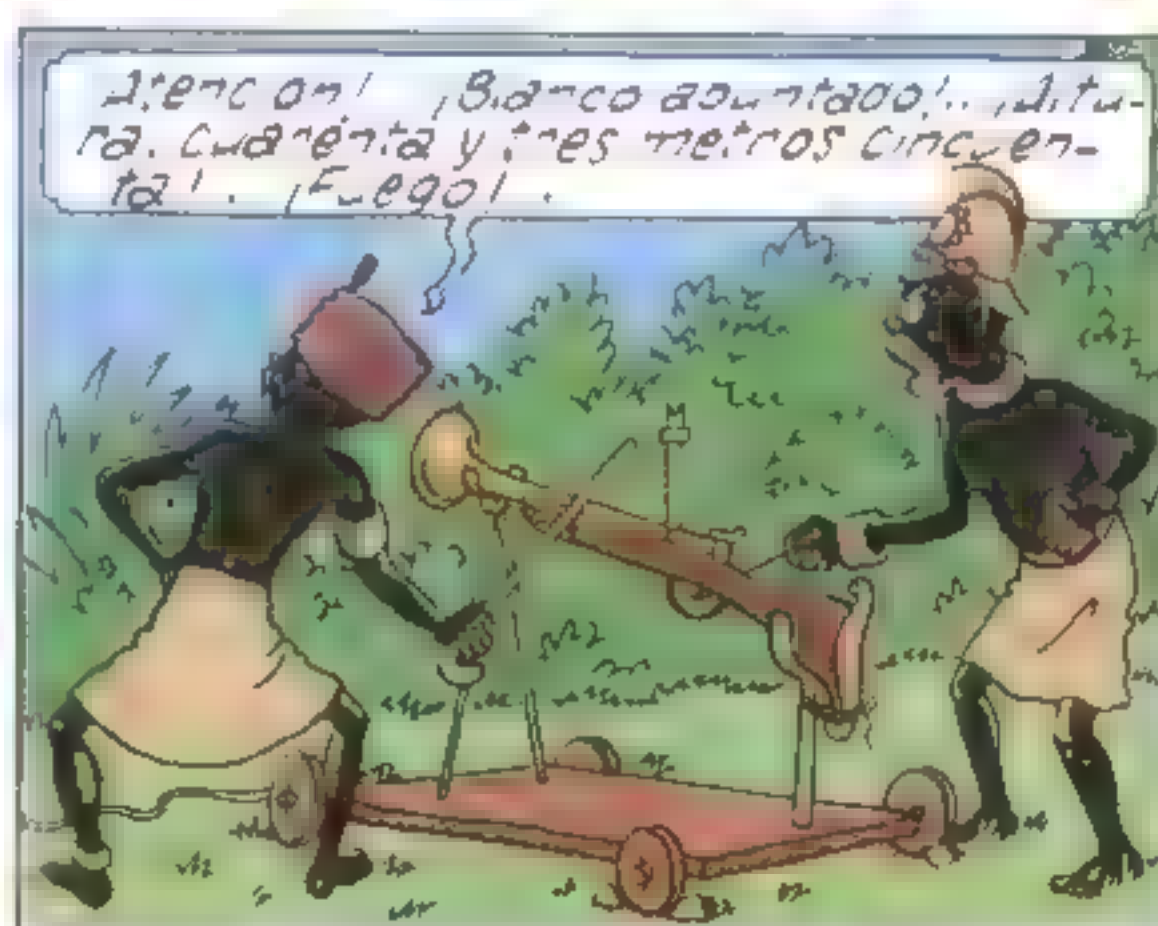

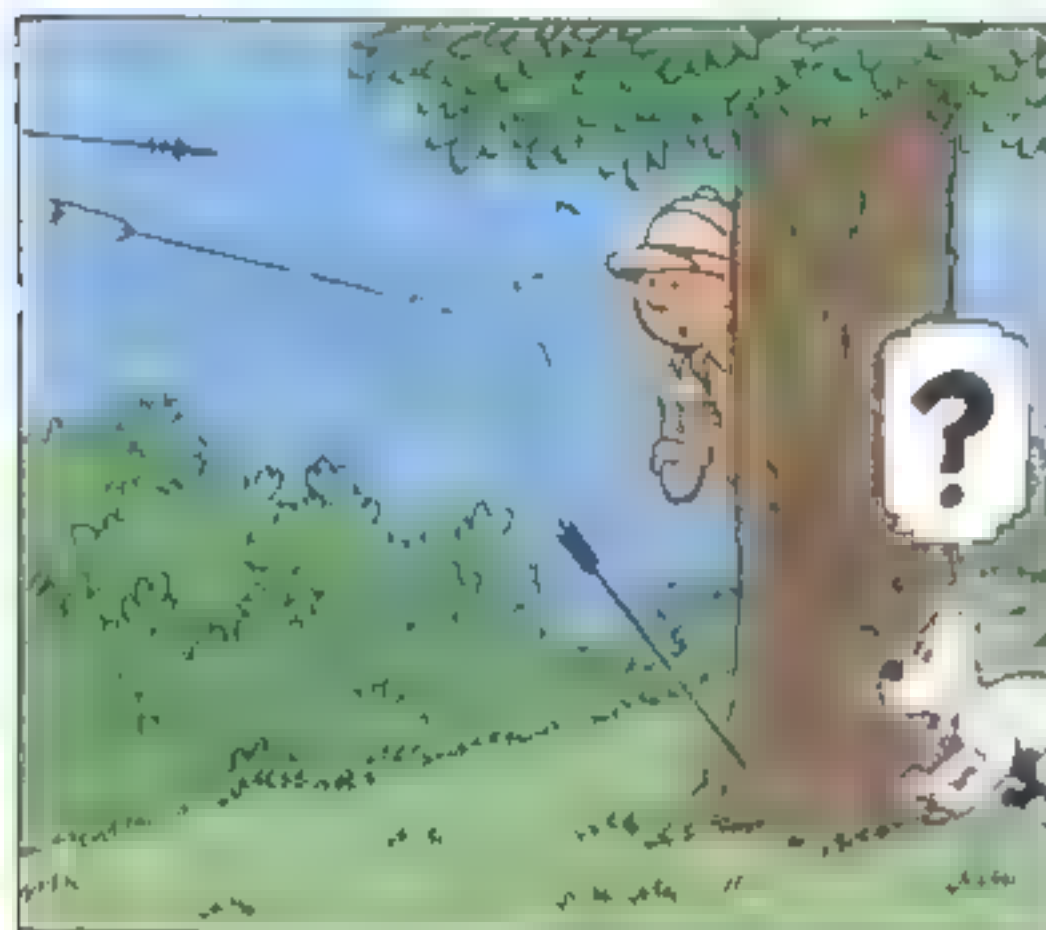

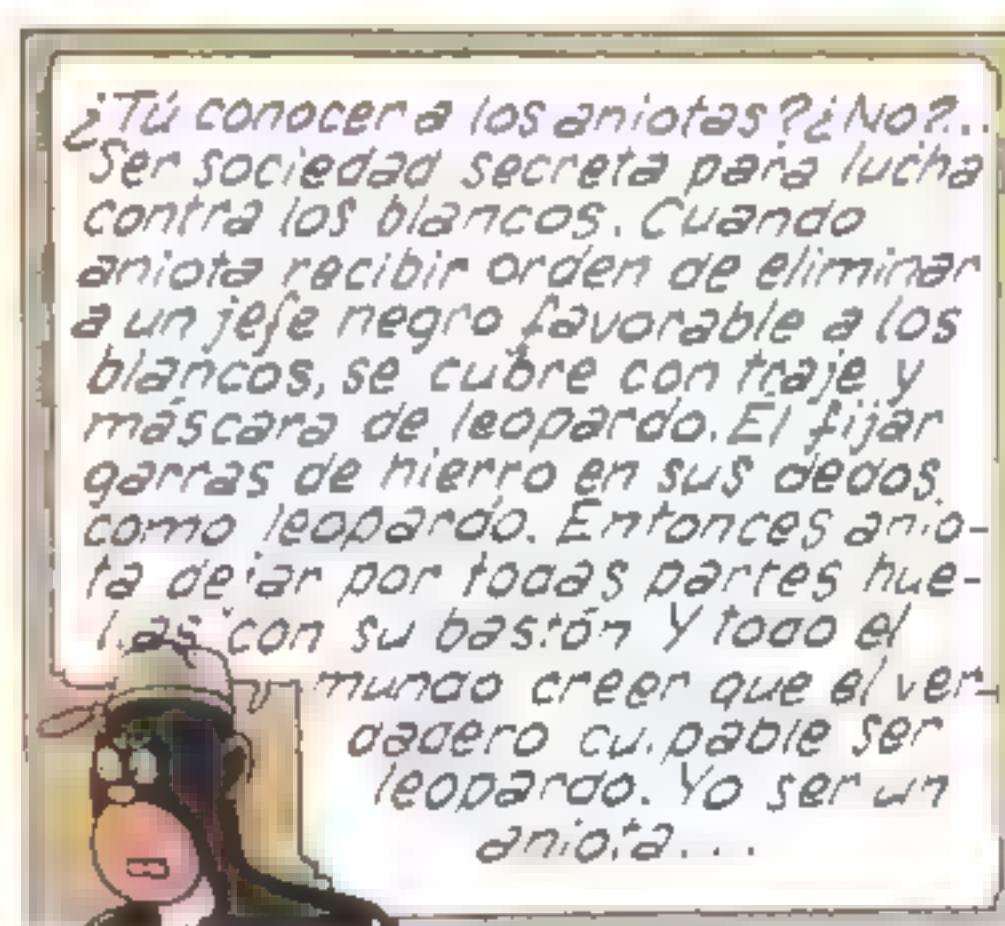

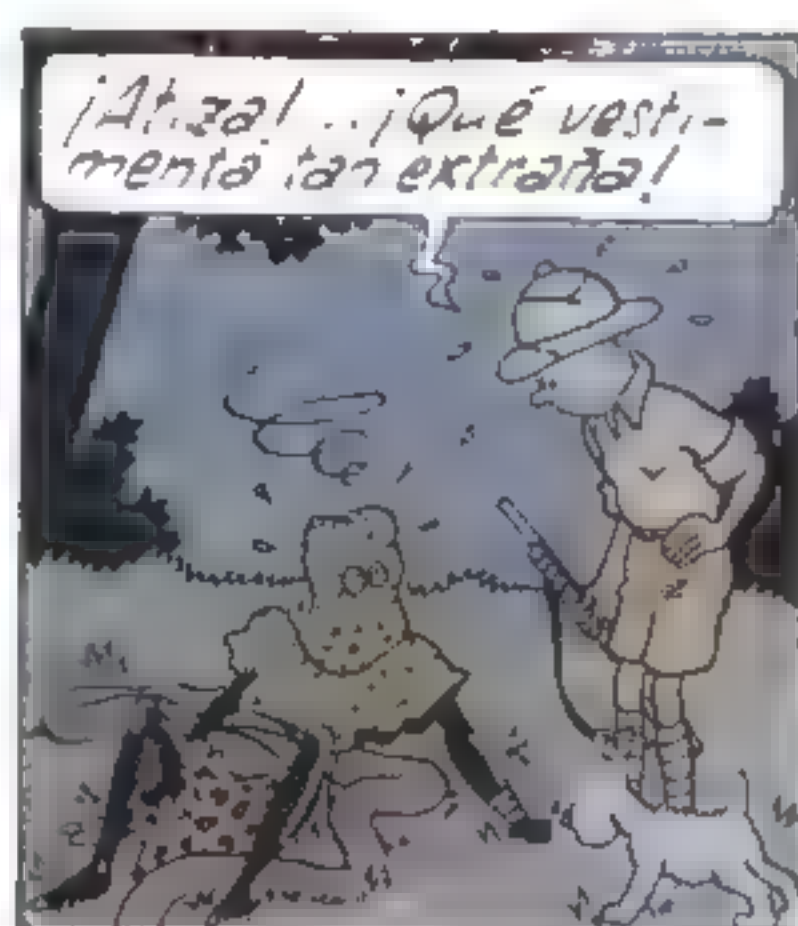

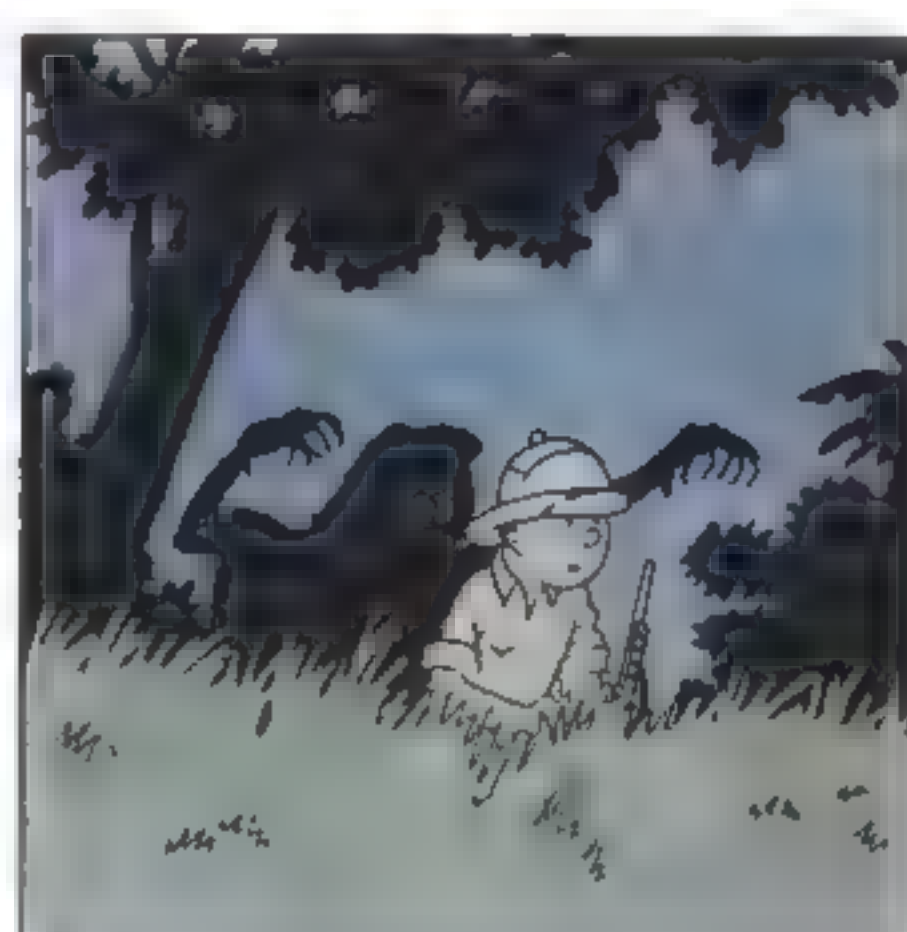

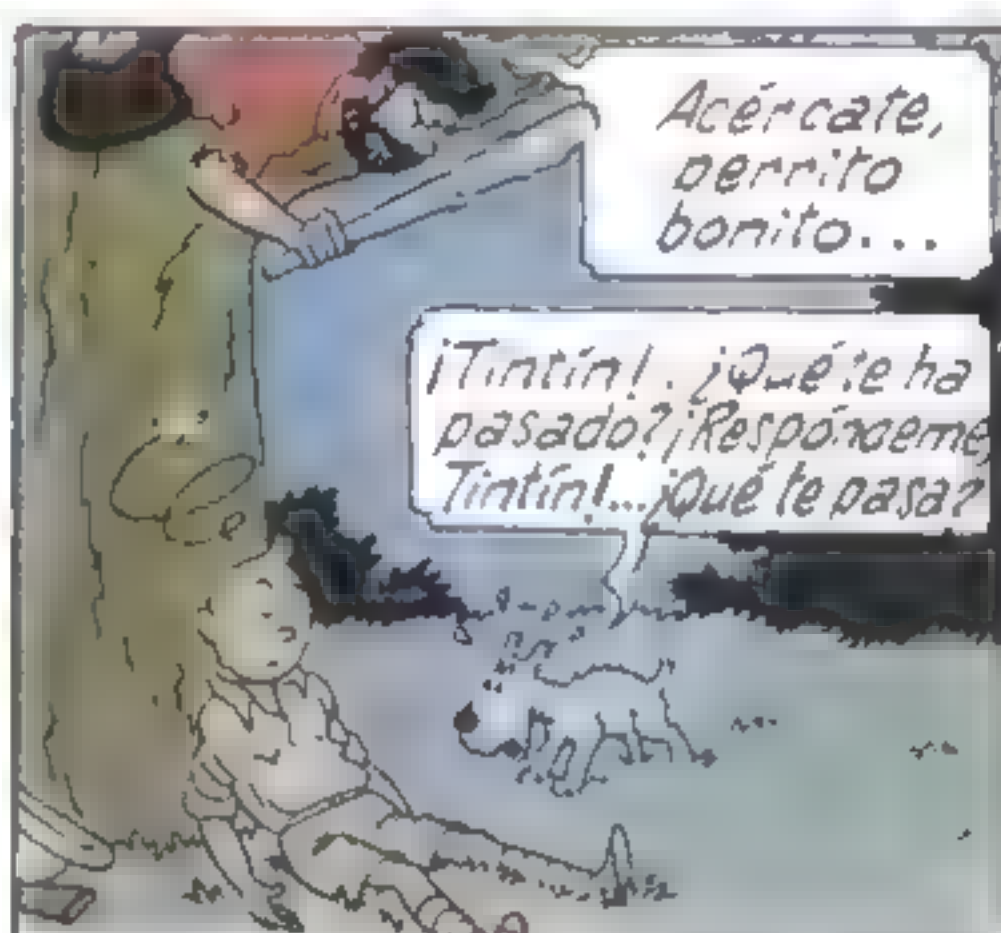

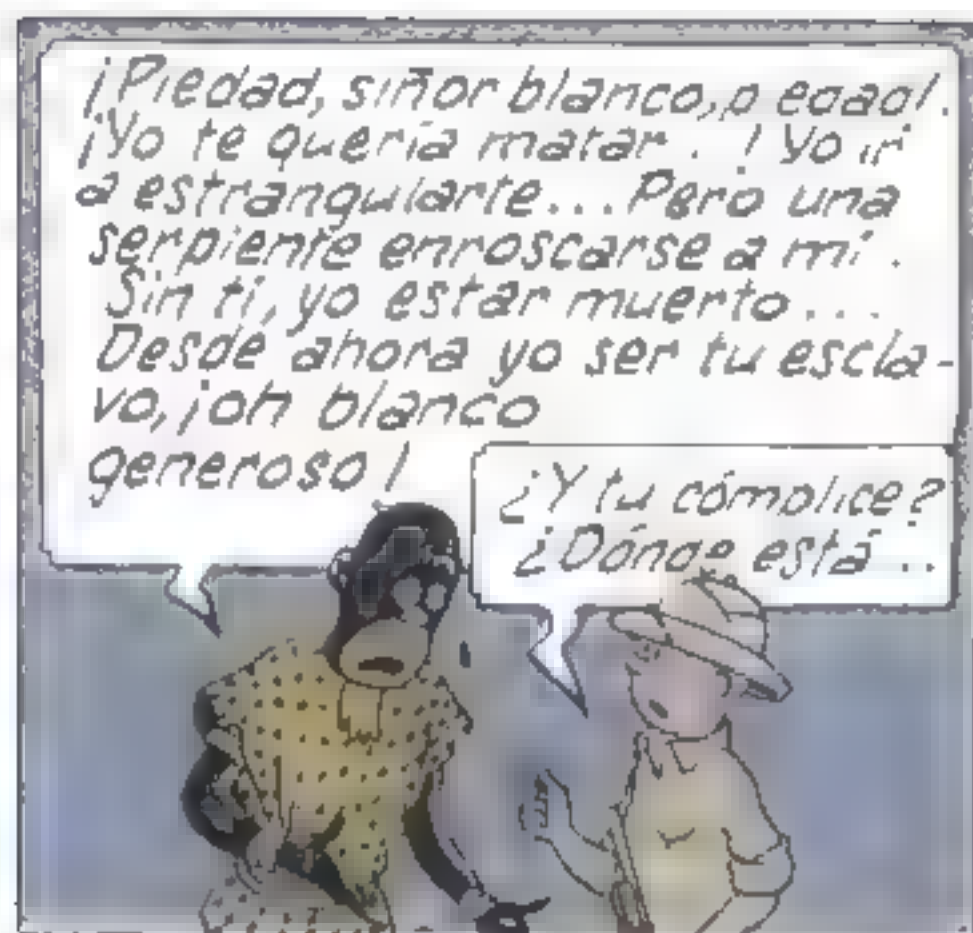

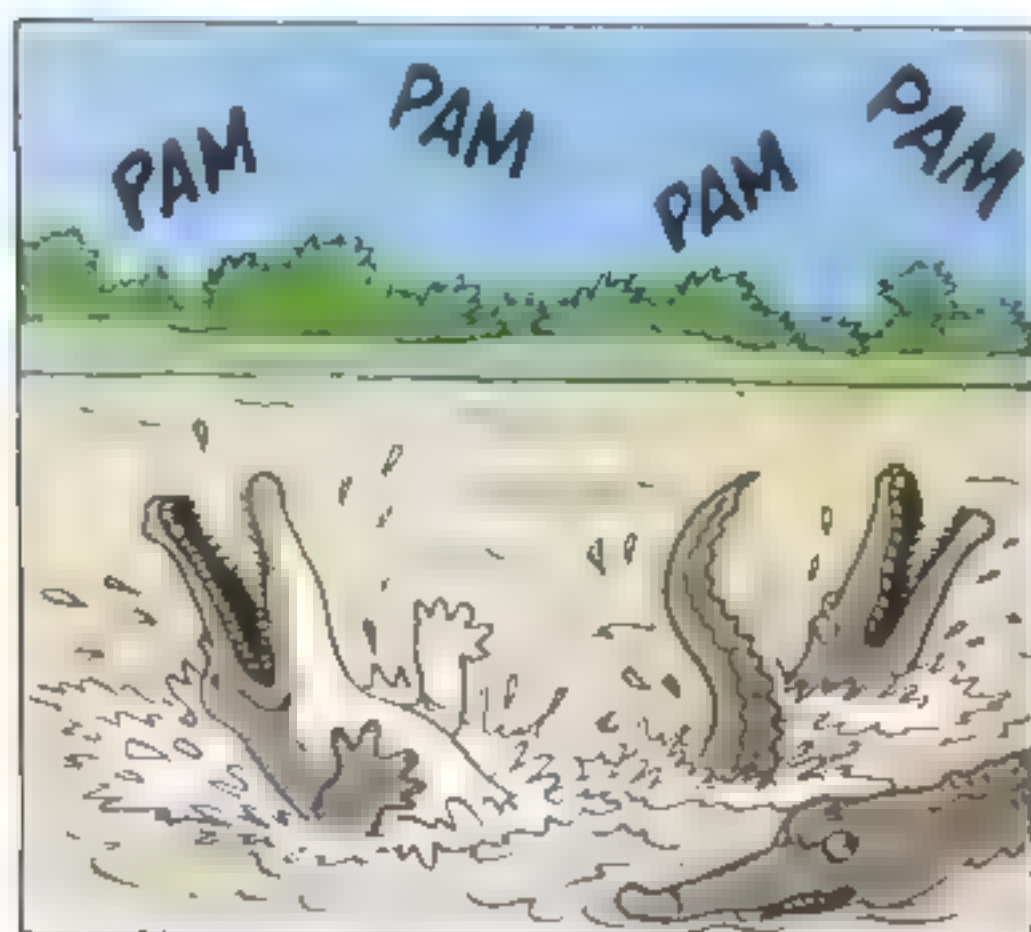

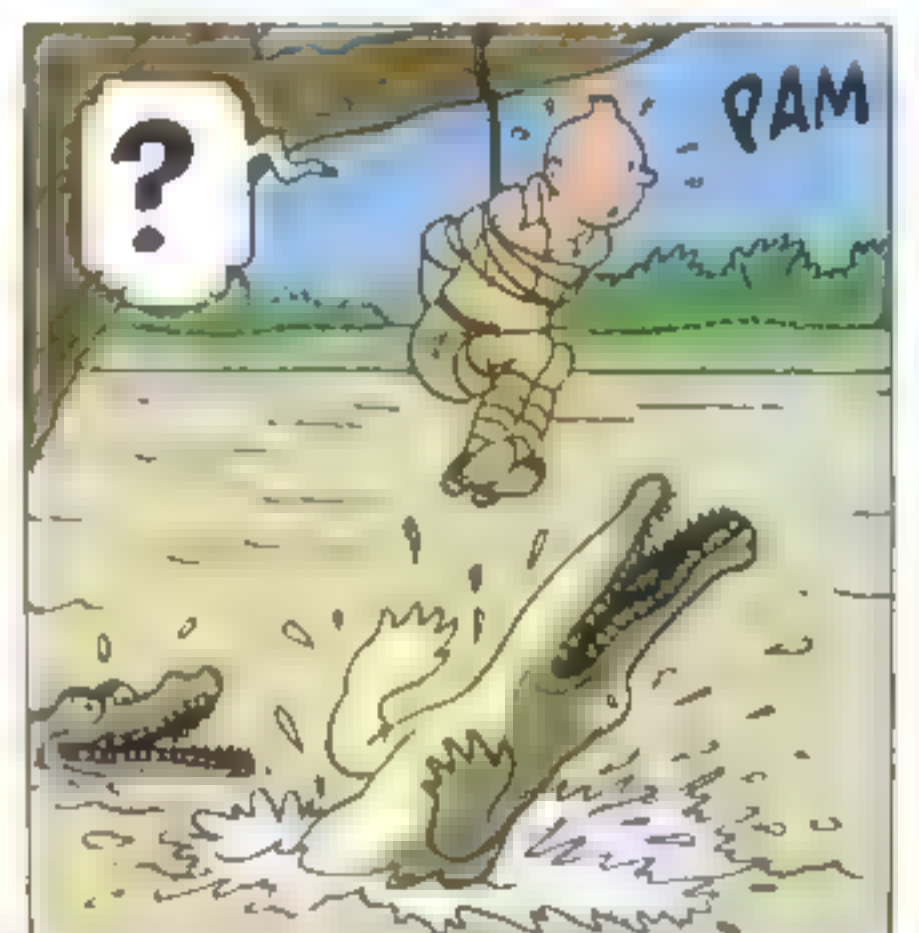

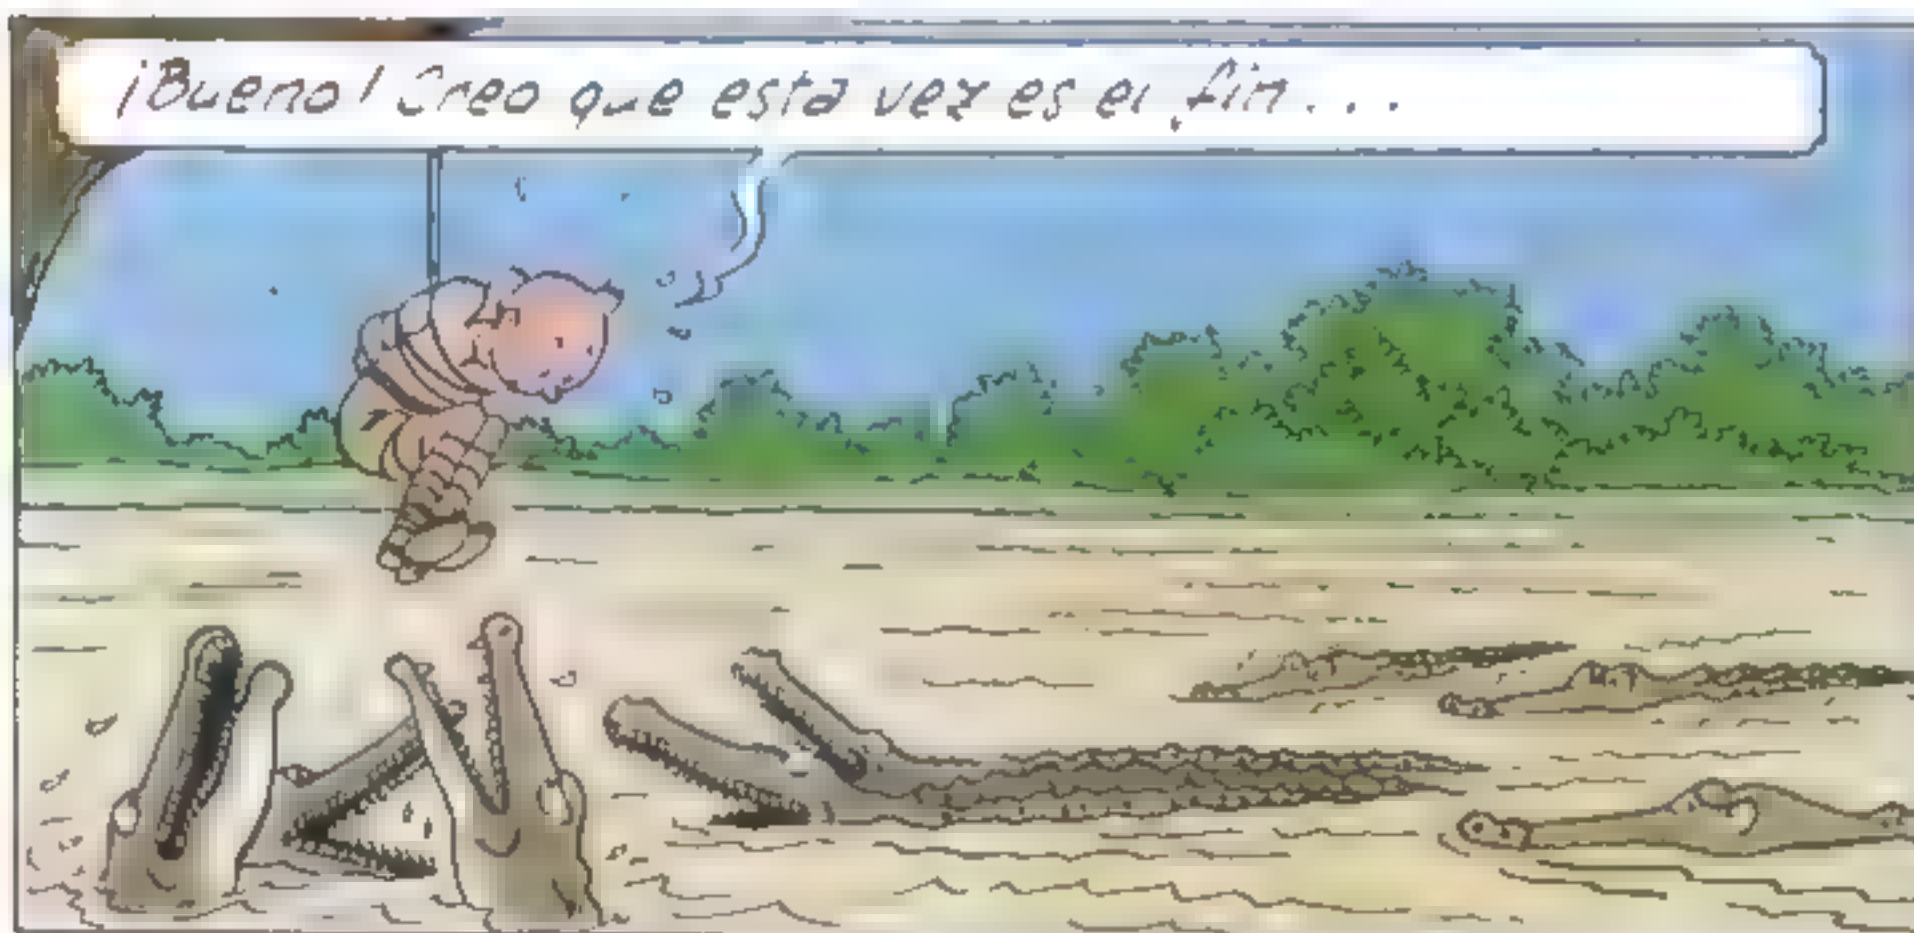

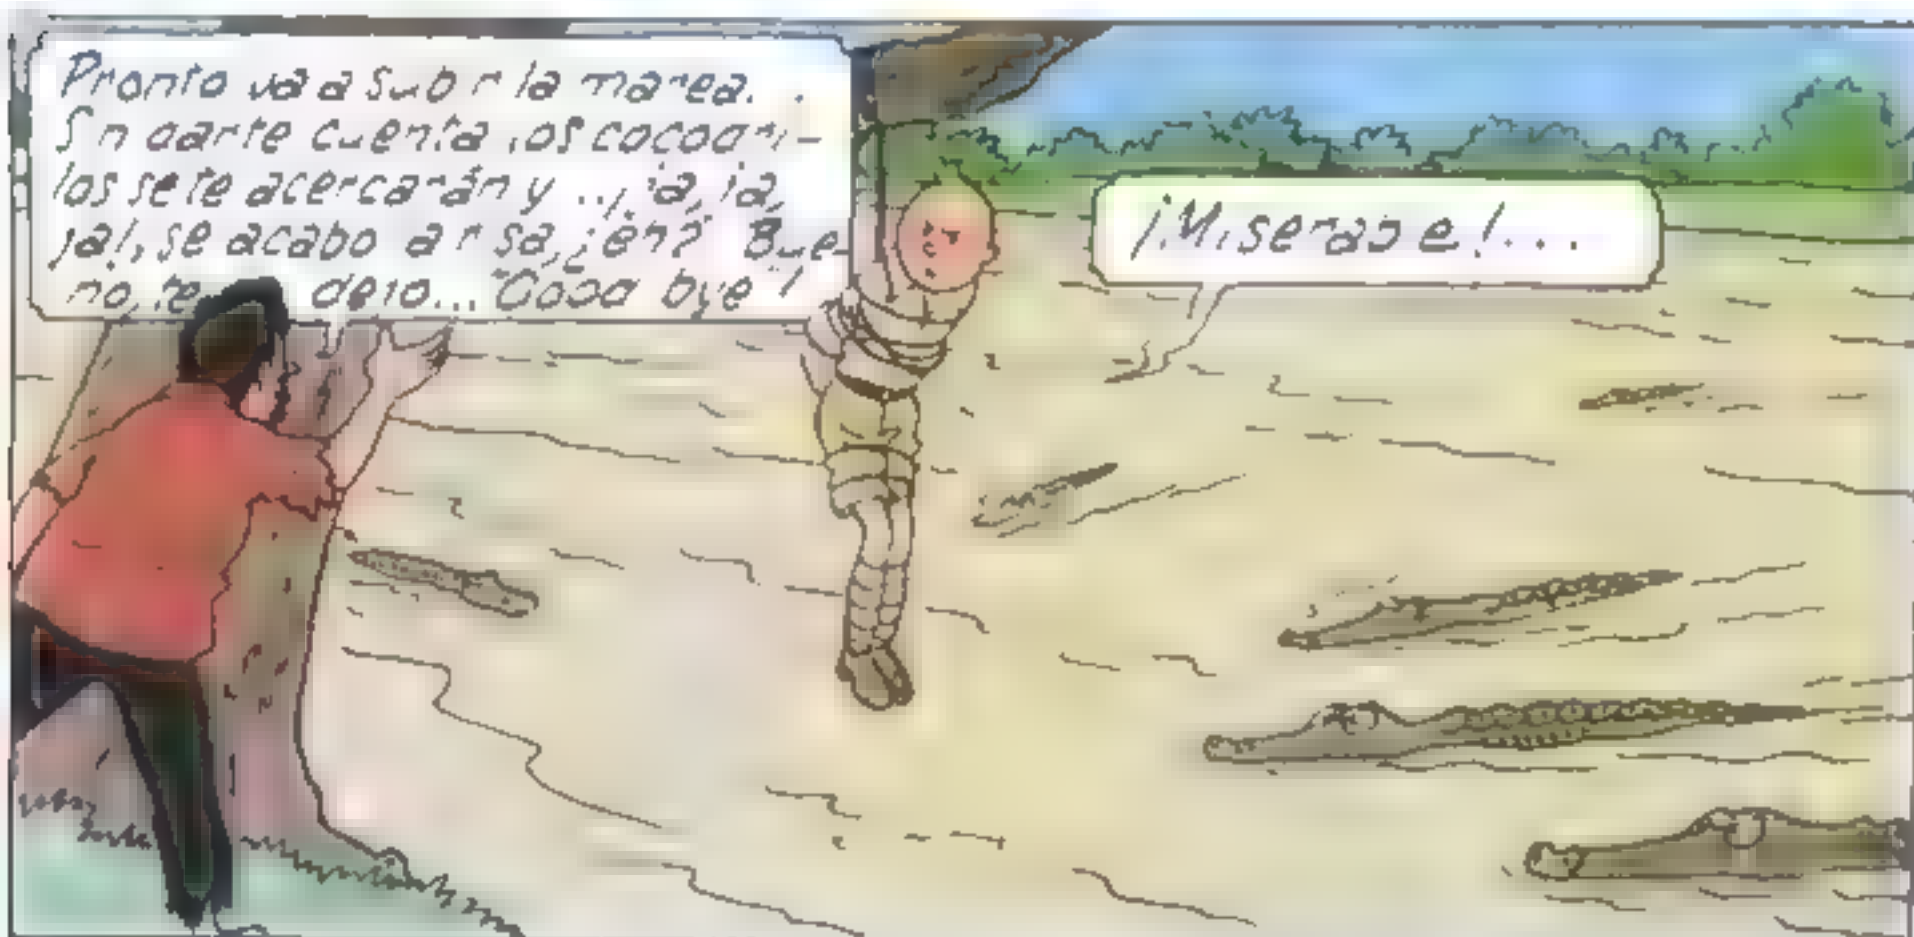

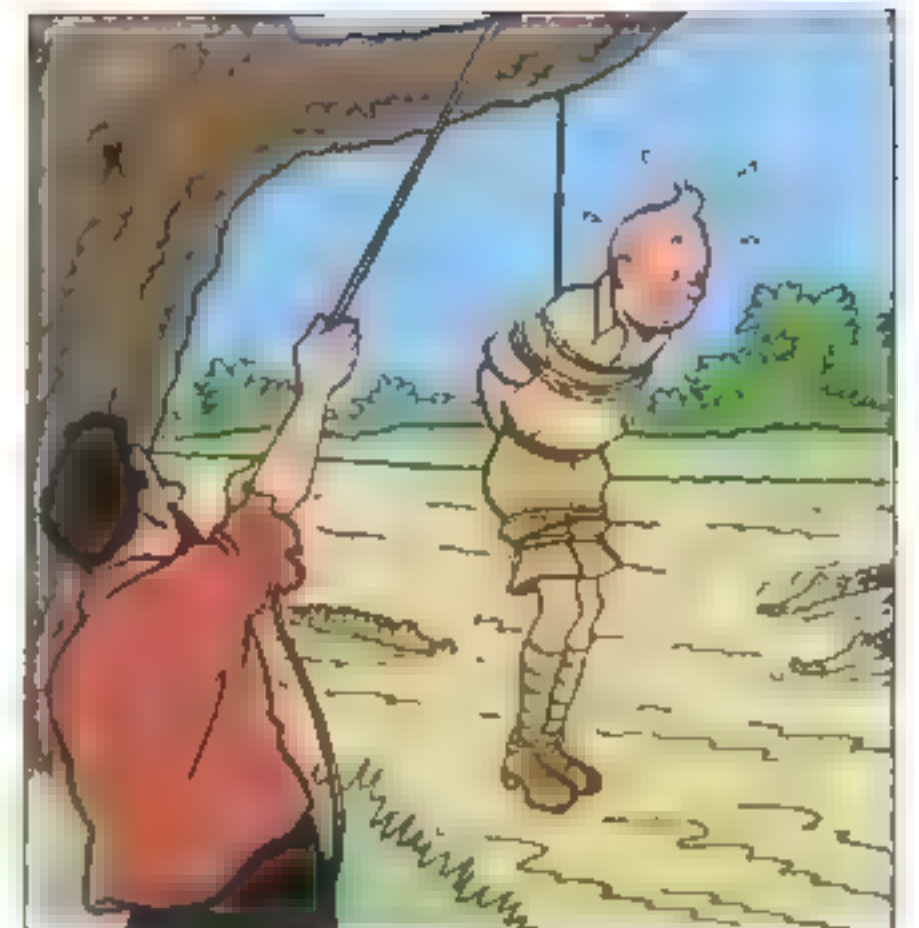

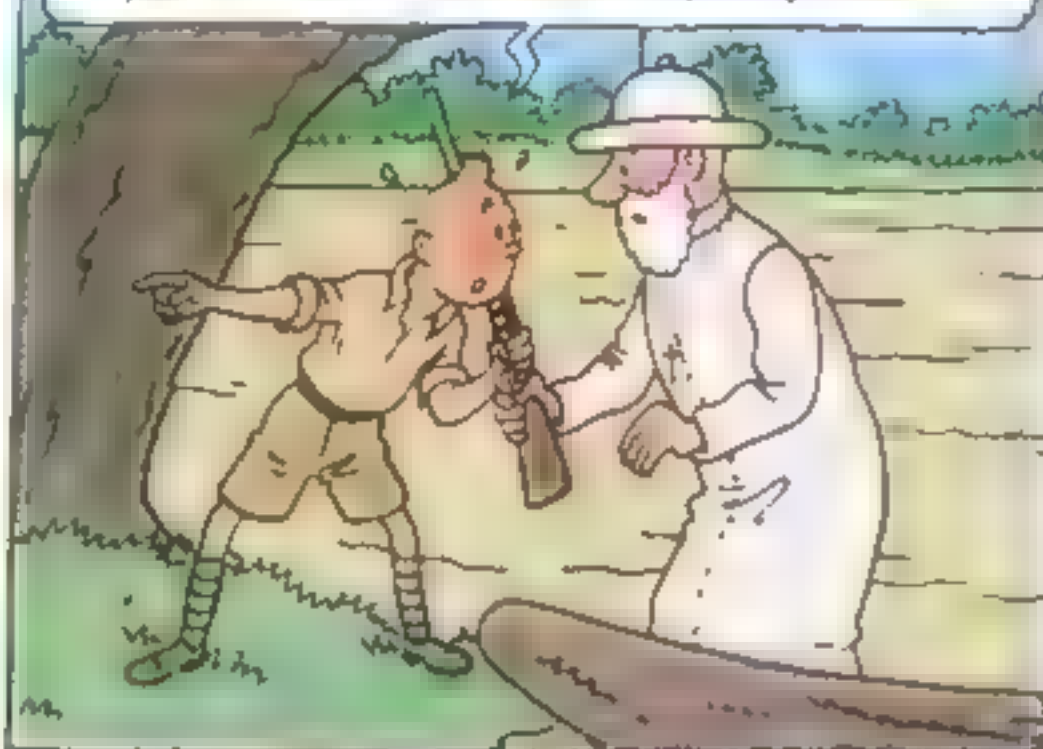

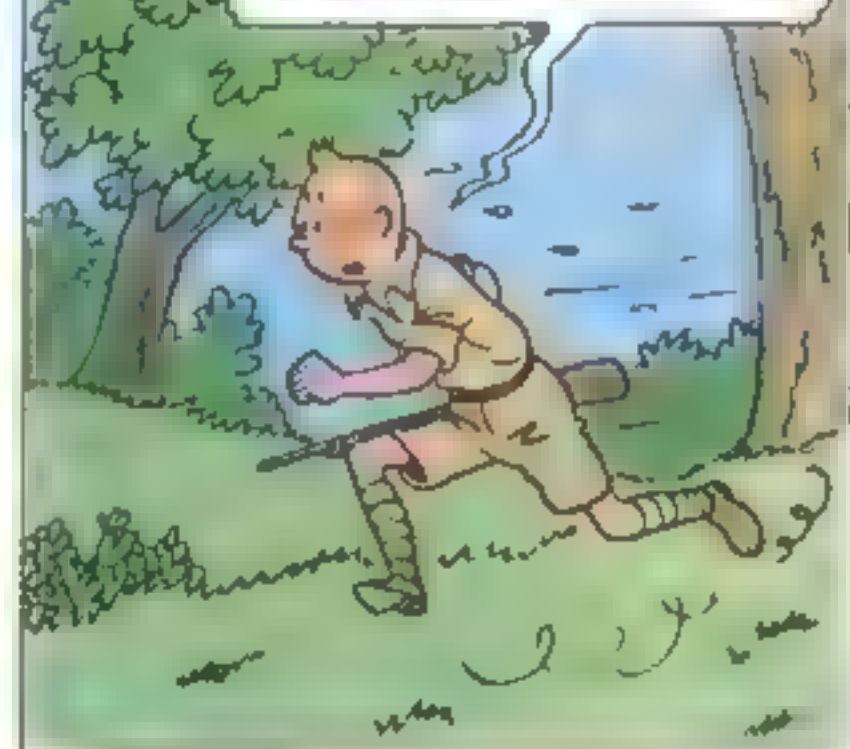

Pero... Si no me equivoco...  
¡tú eres Tintín!... ¿Qué ha  
sucedido?

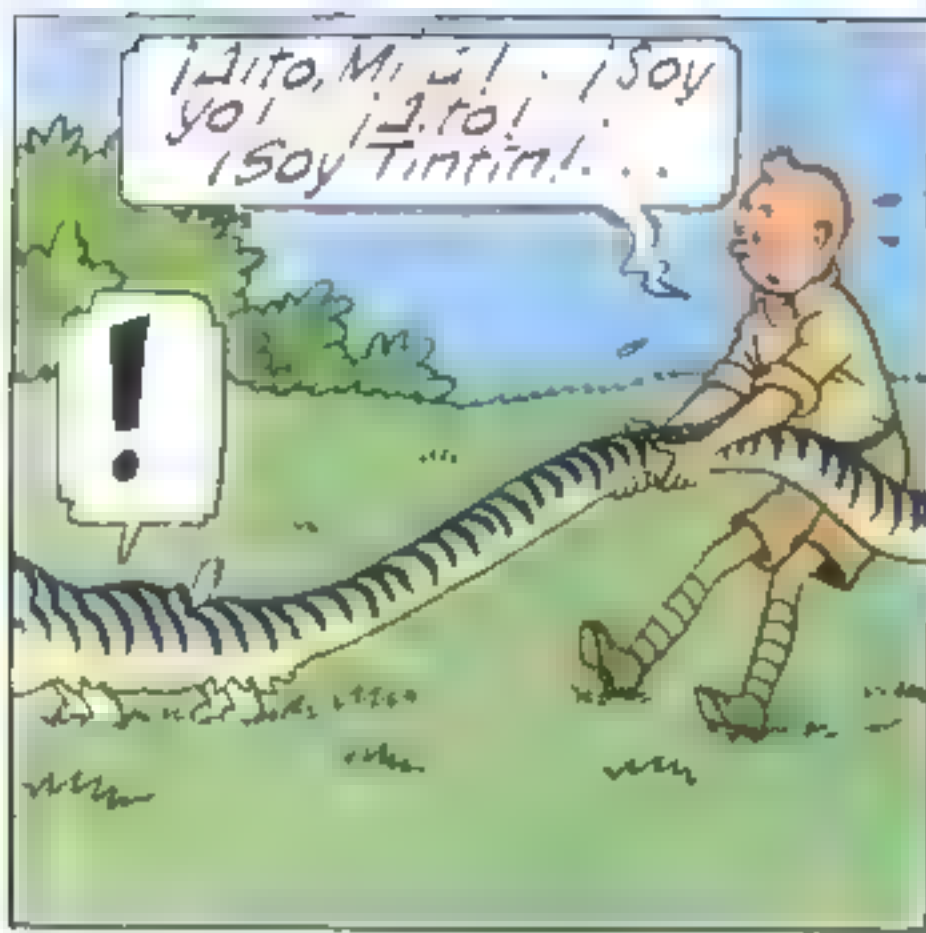

¡Su escopeta, Padre, rápido!...  
¡Milú está en peligro!

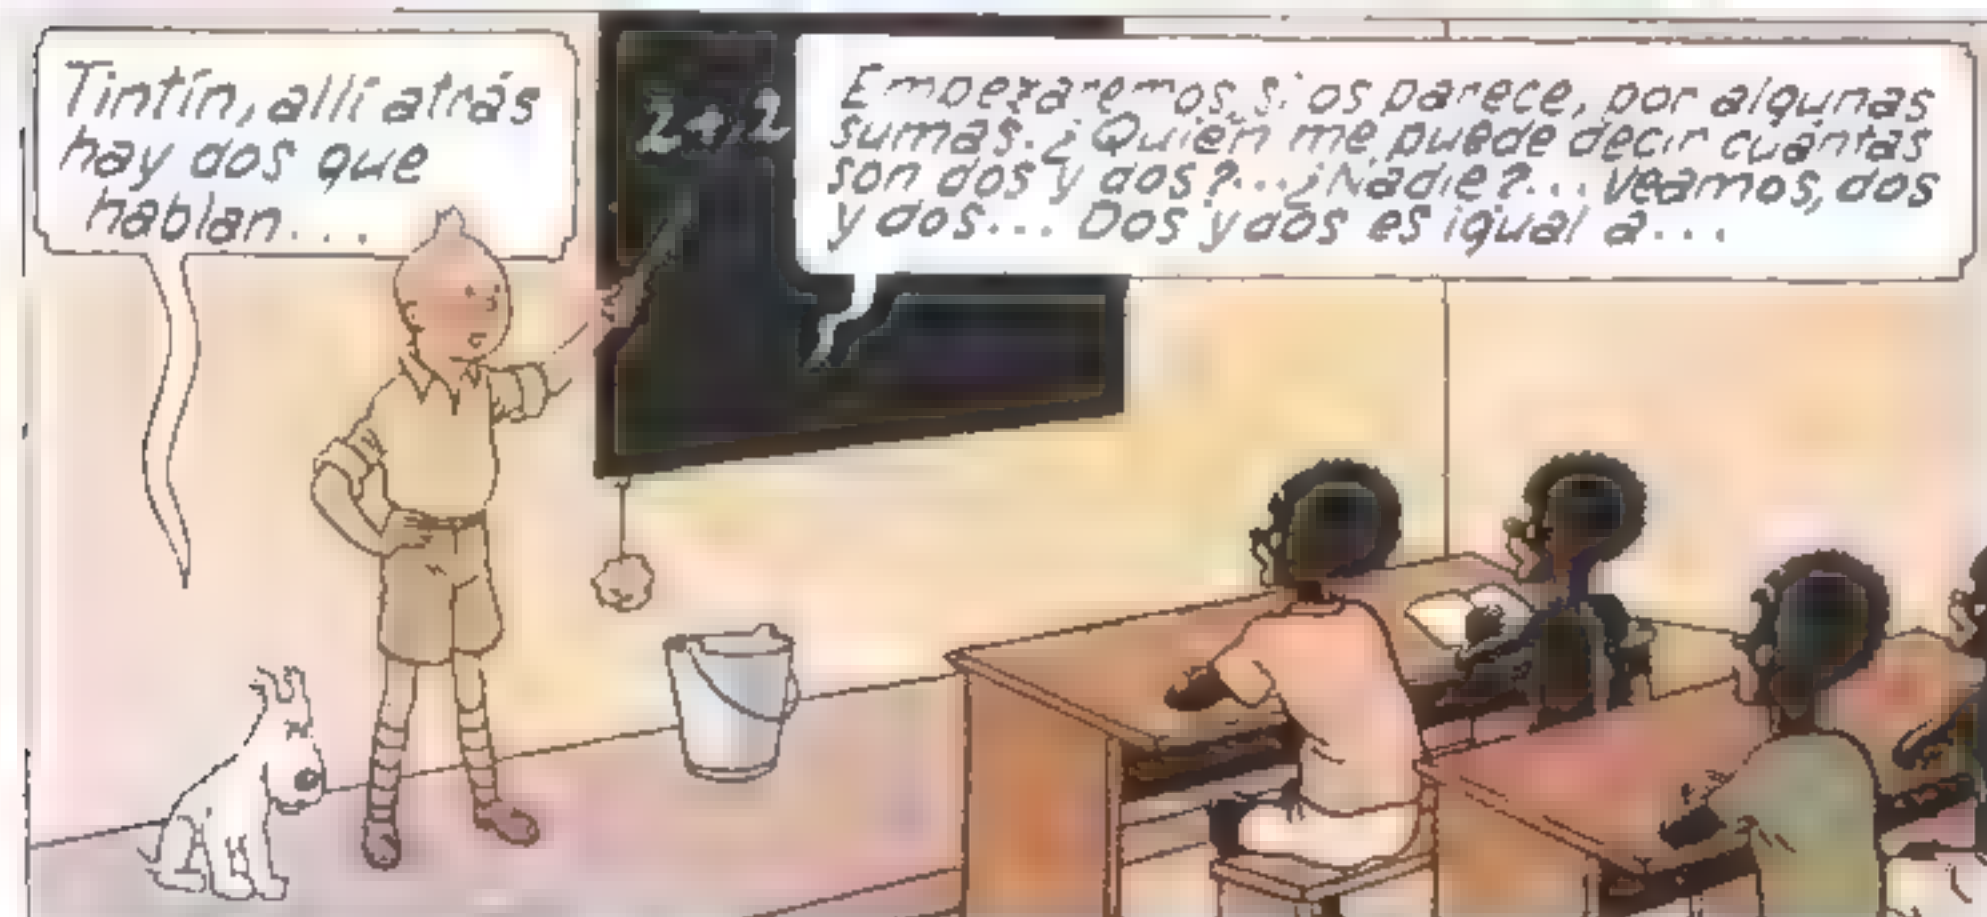

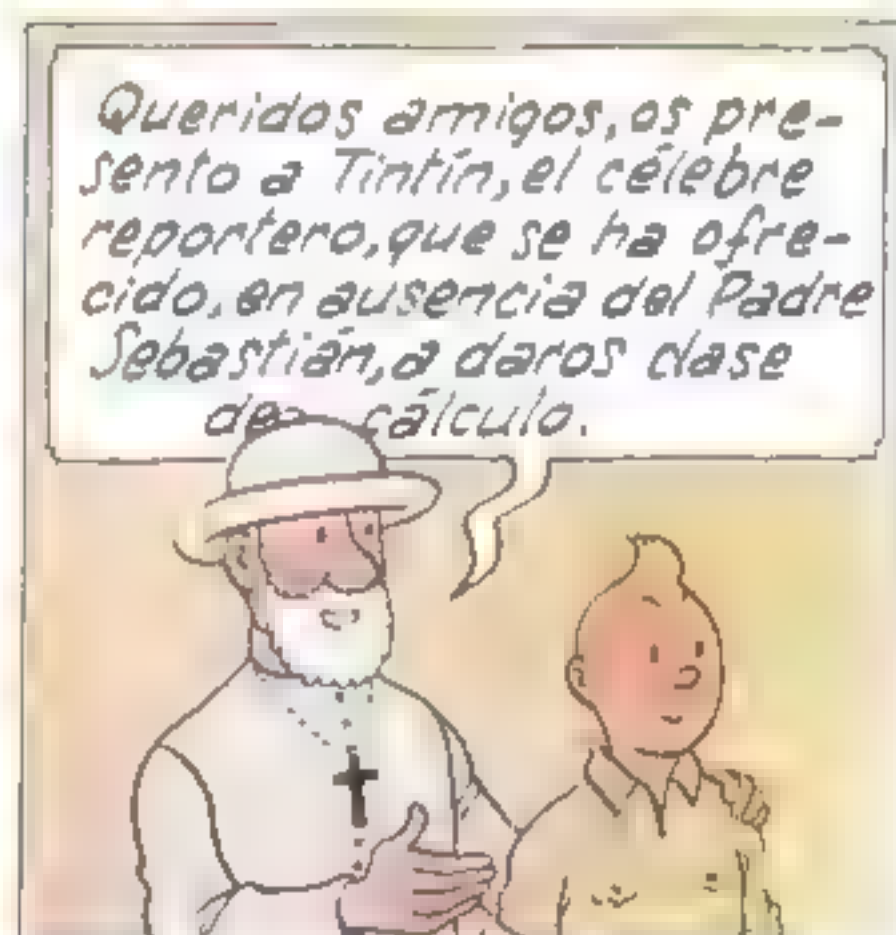

¡Ojalá llegue a  
tiempo!

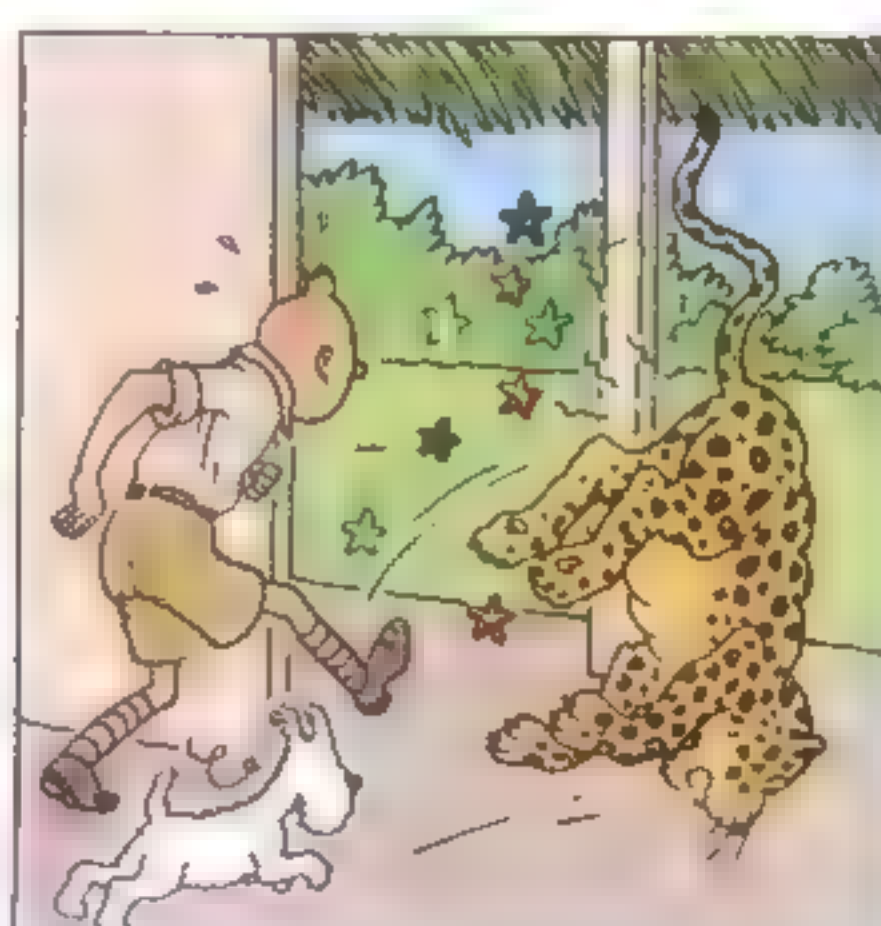

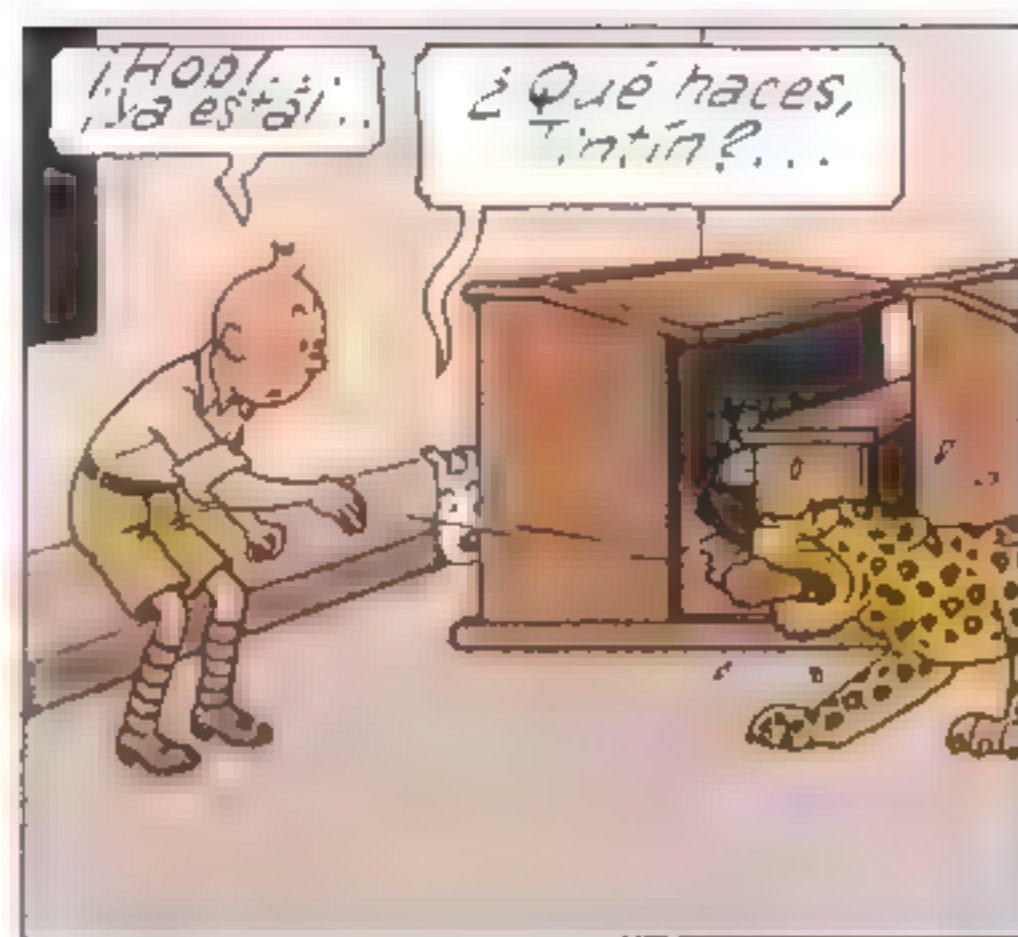

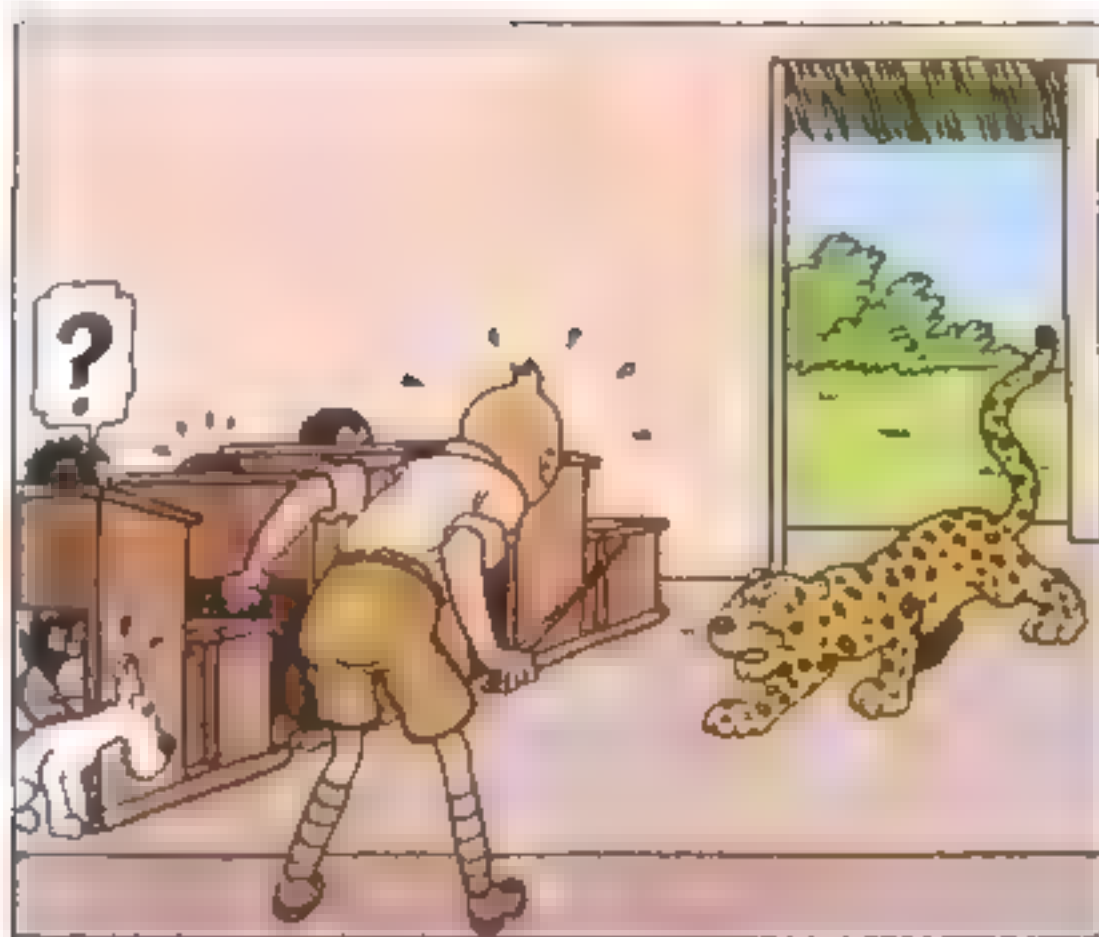

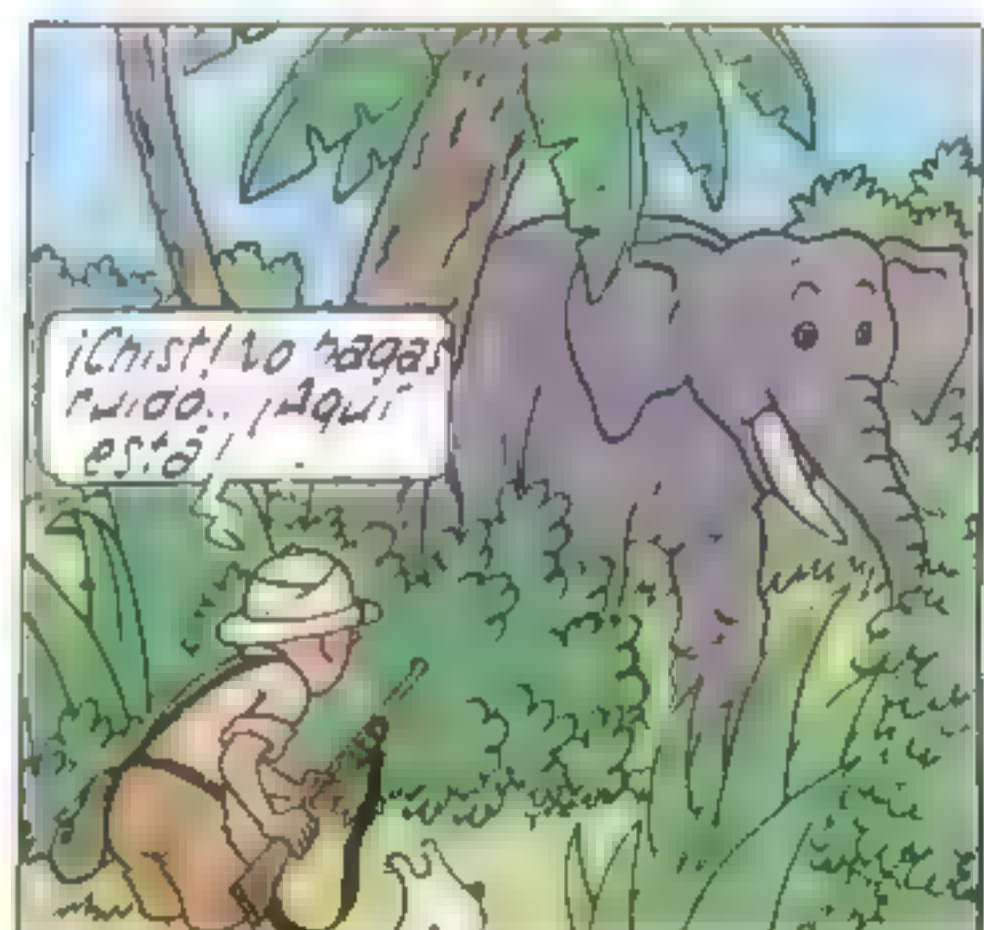

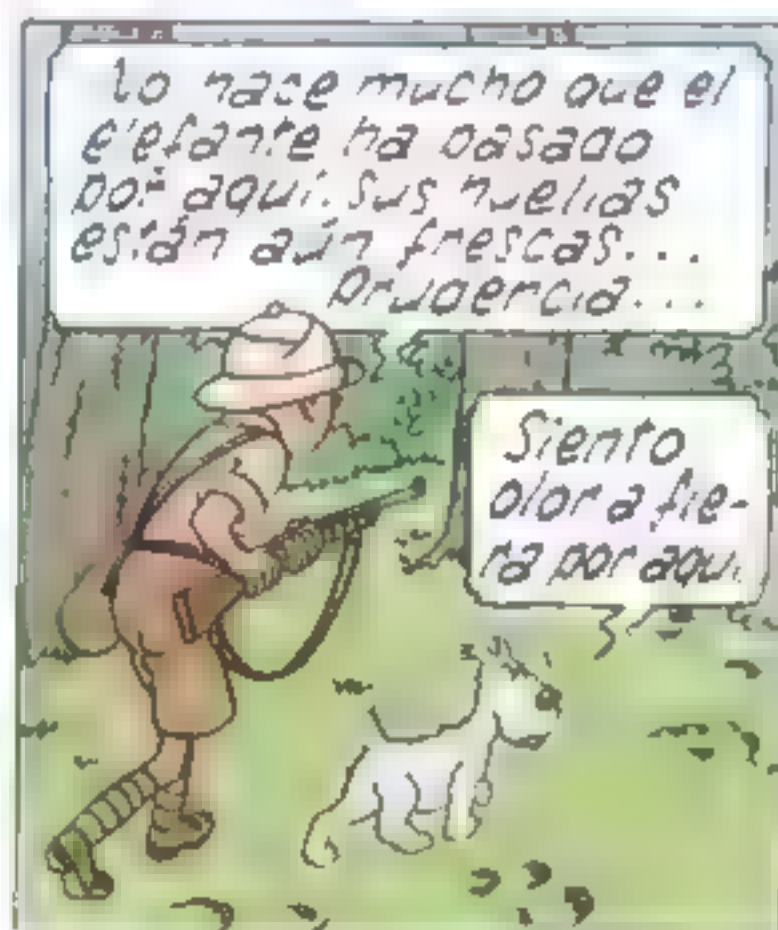

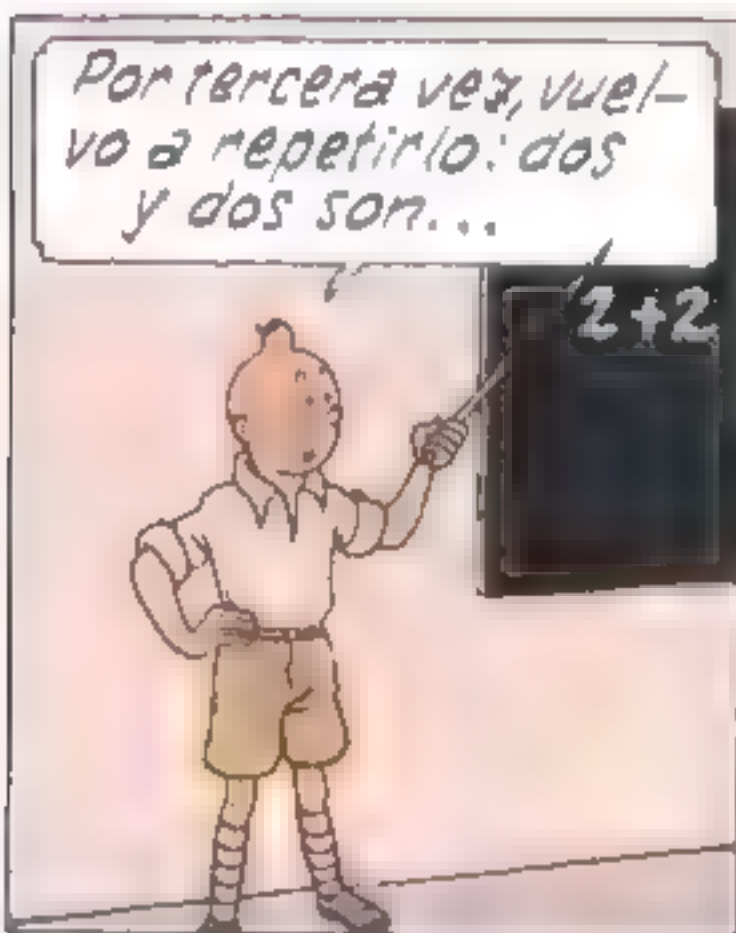

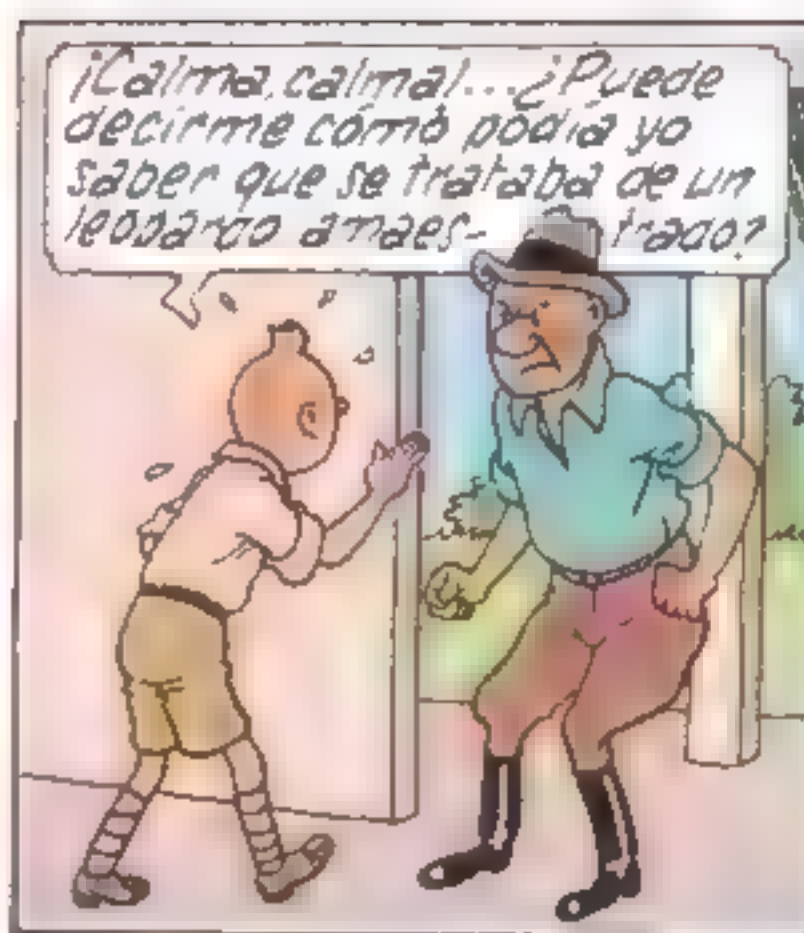

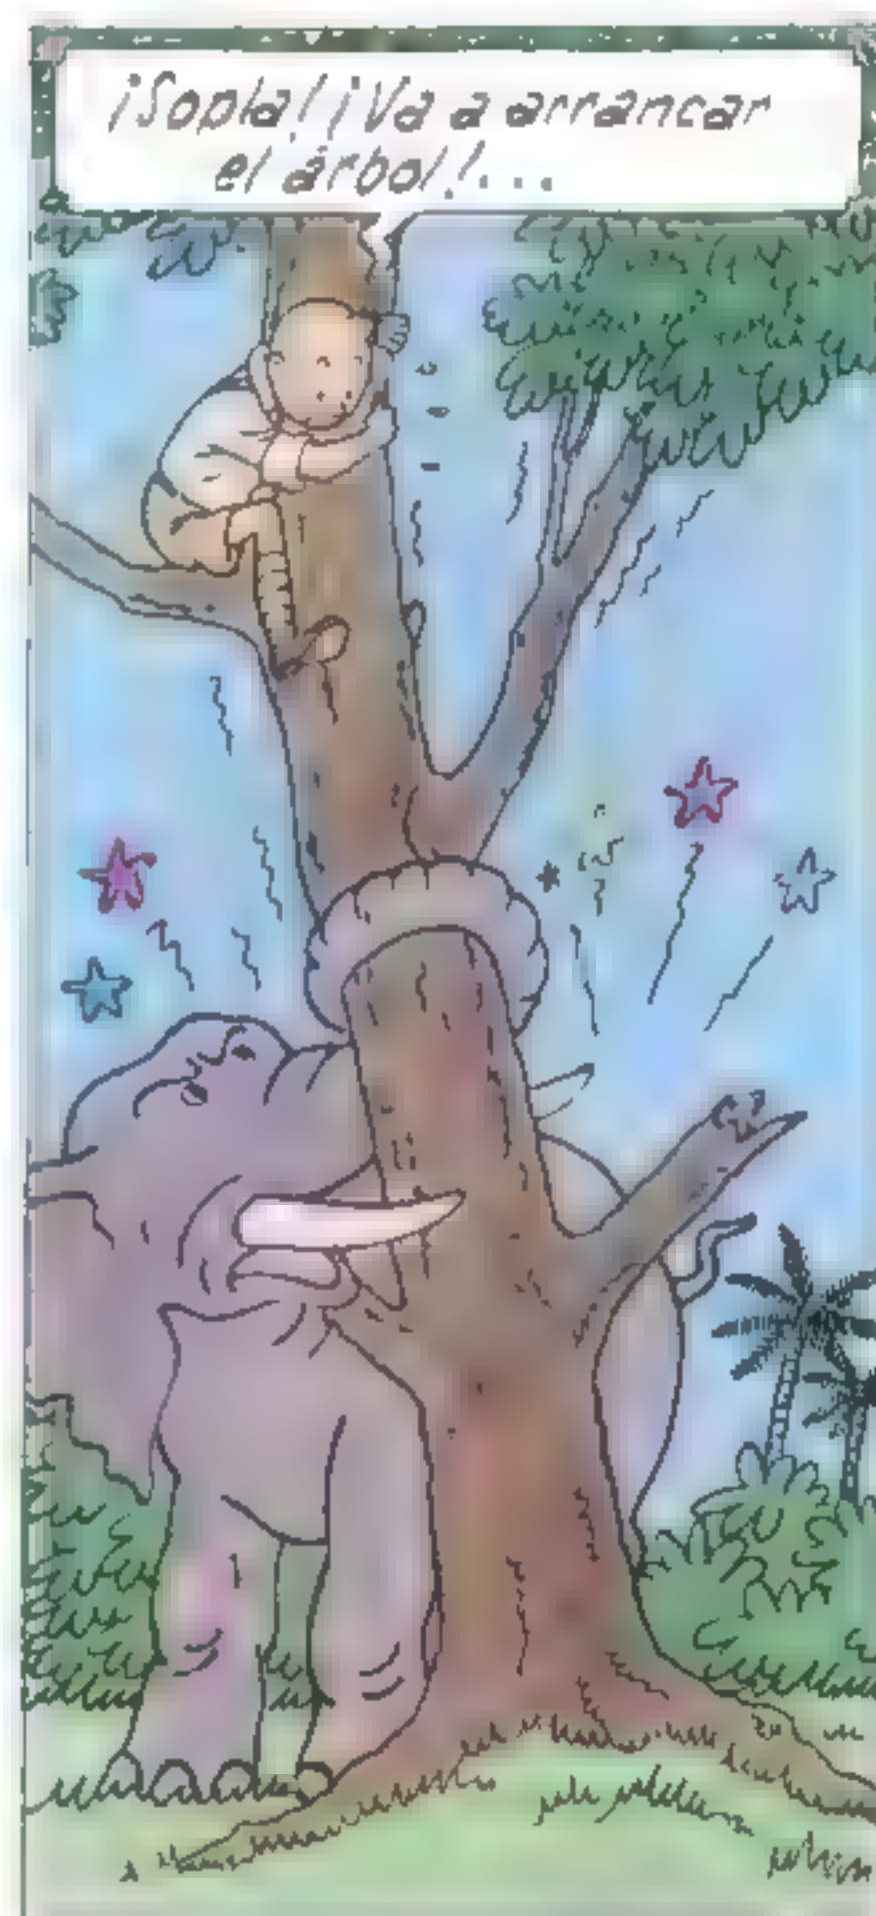

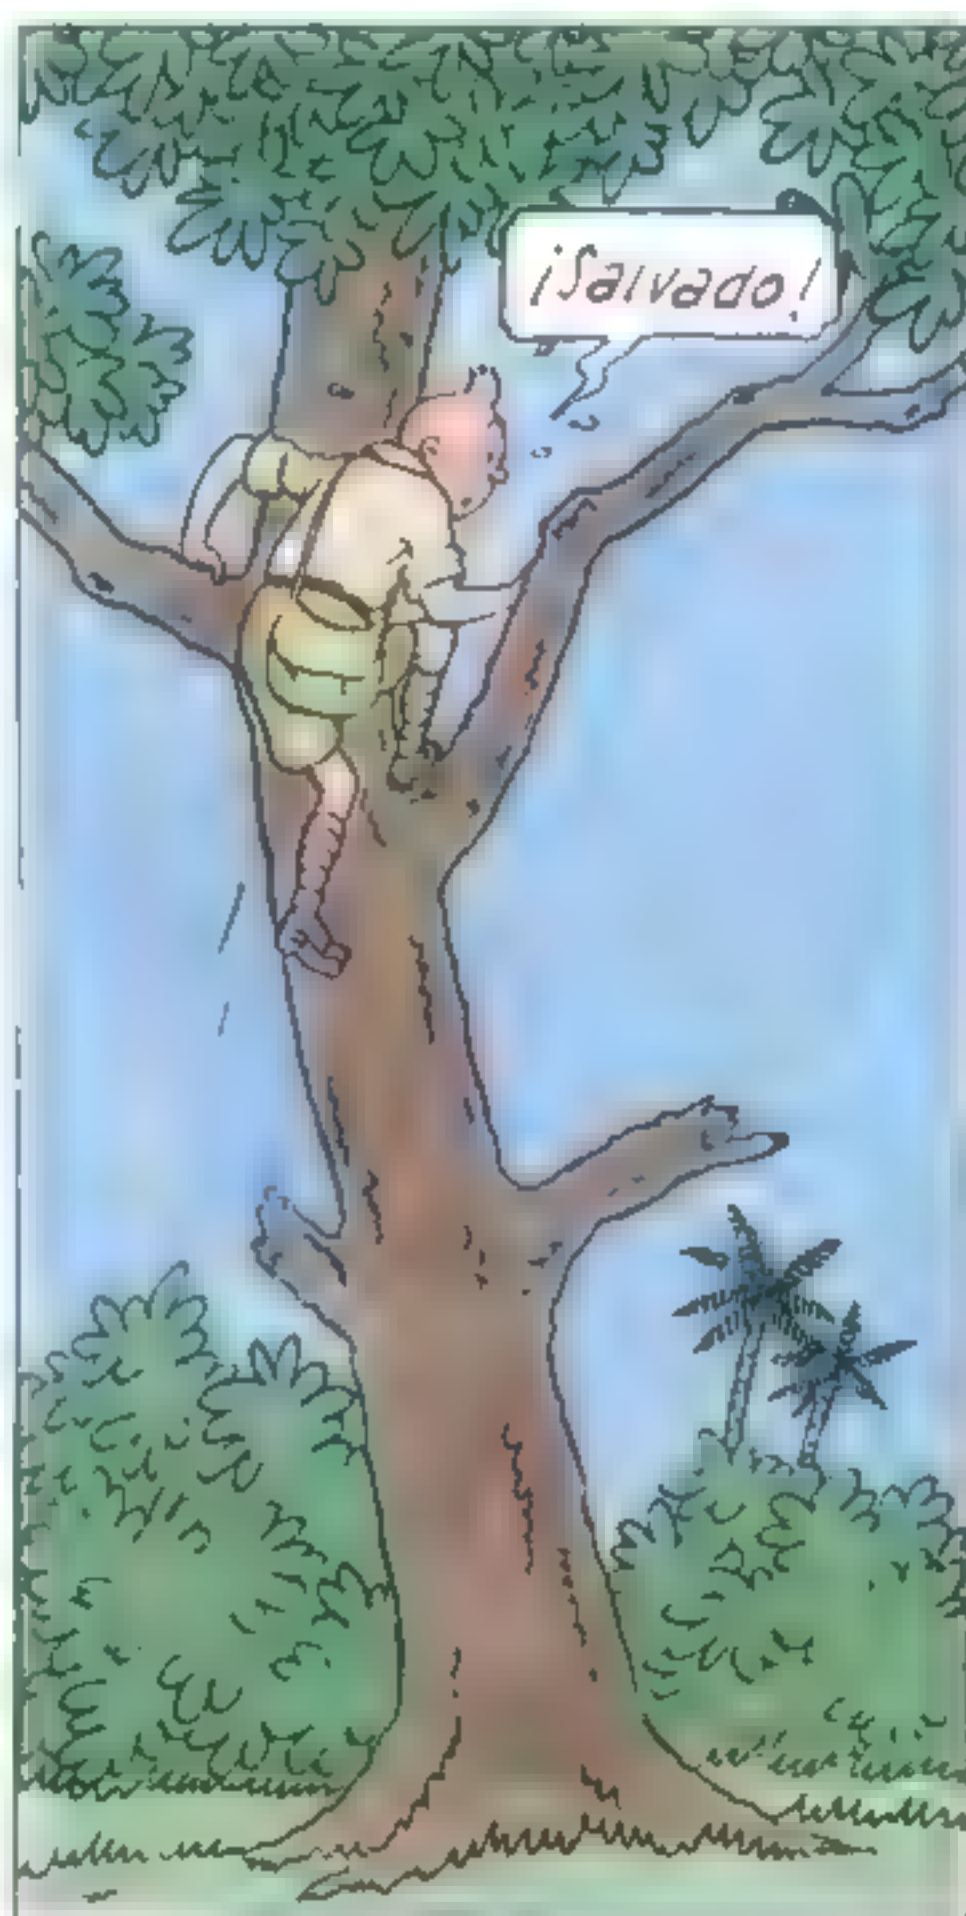

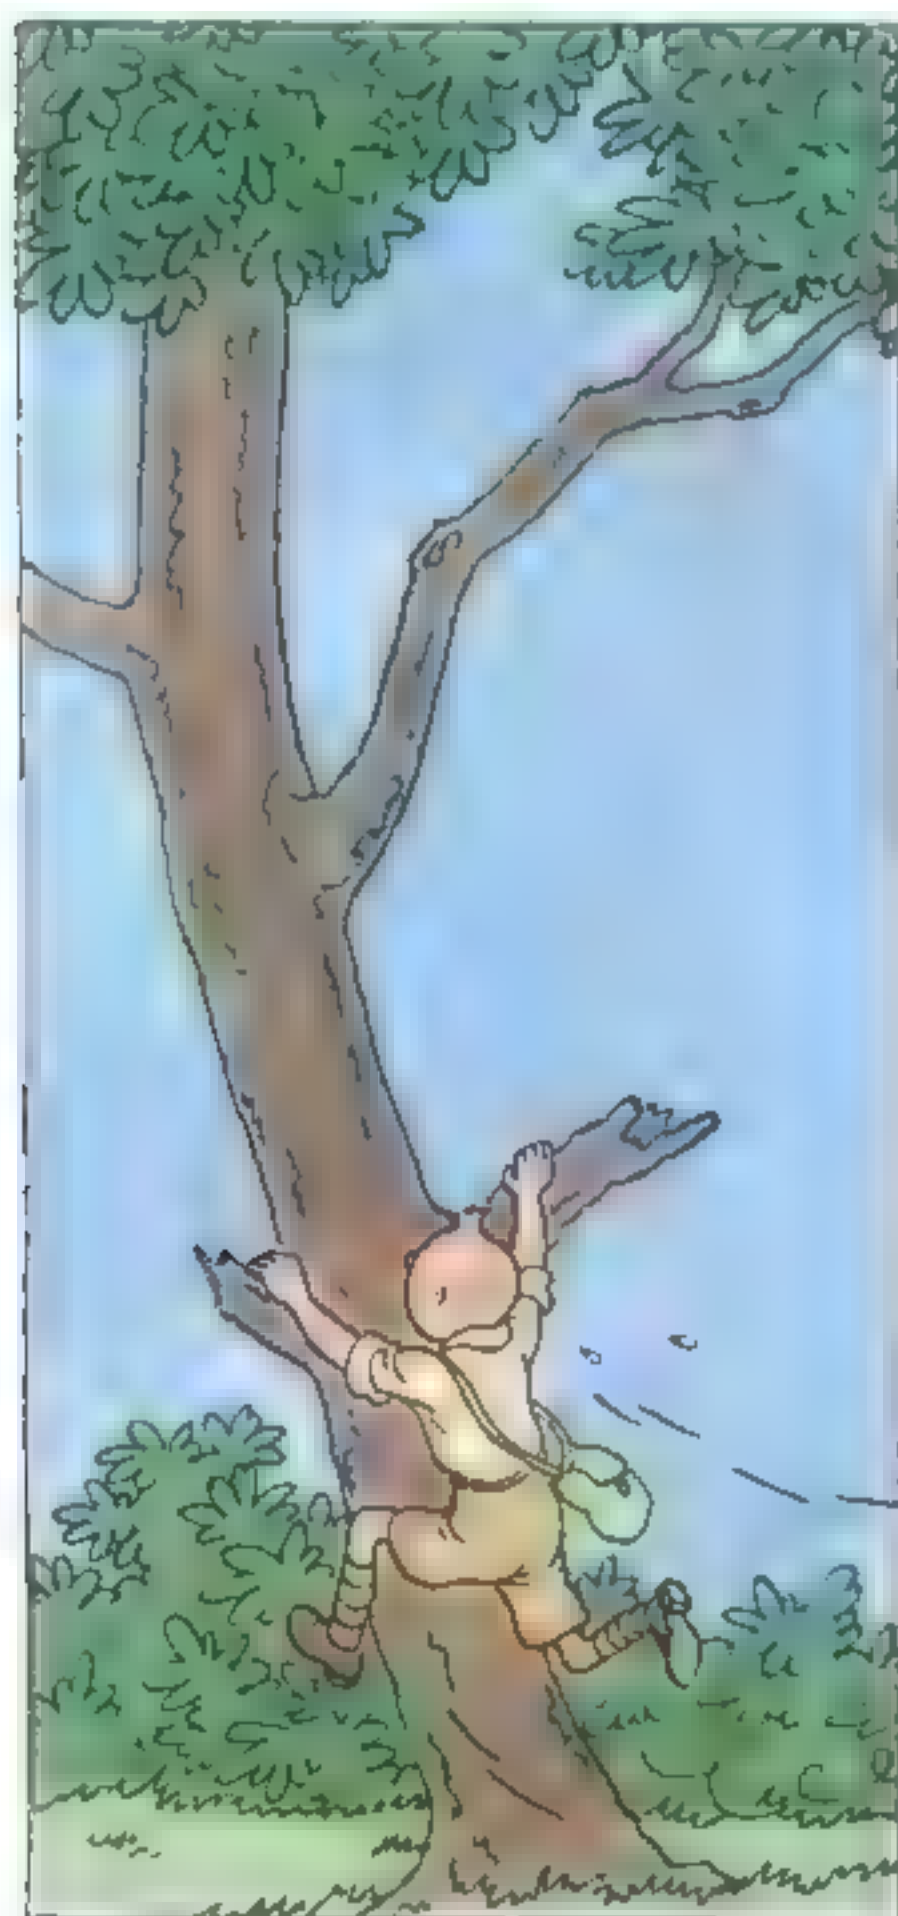

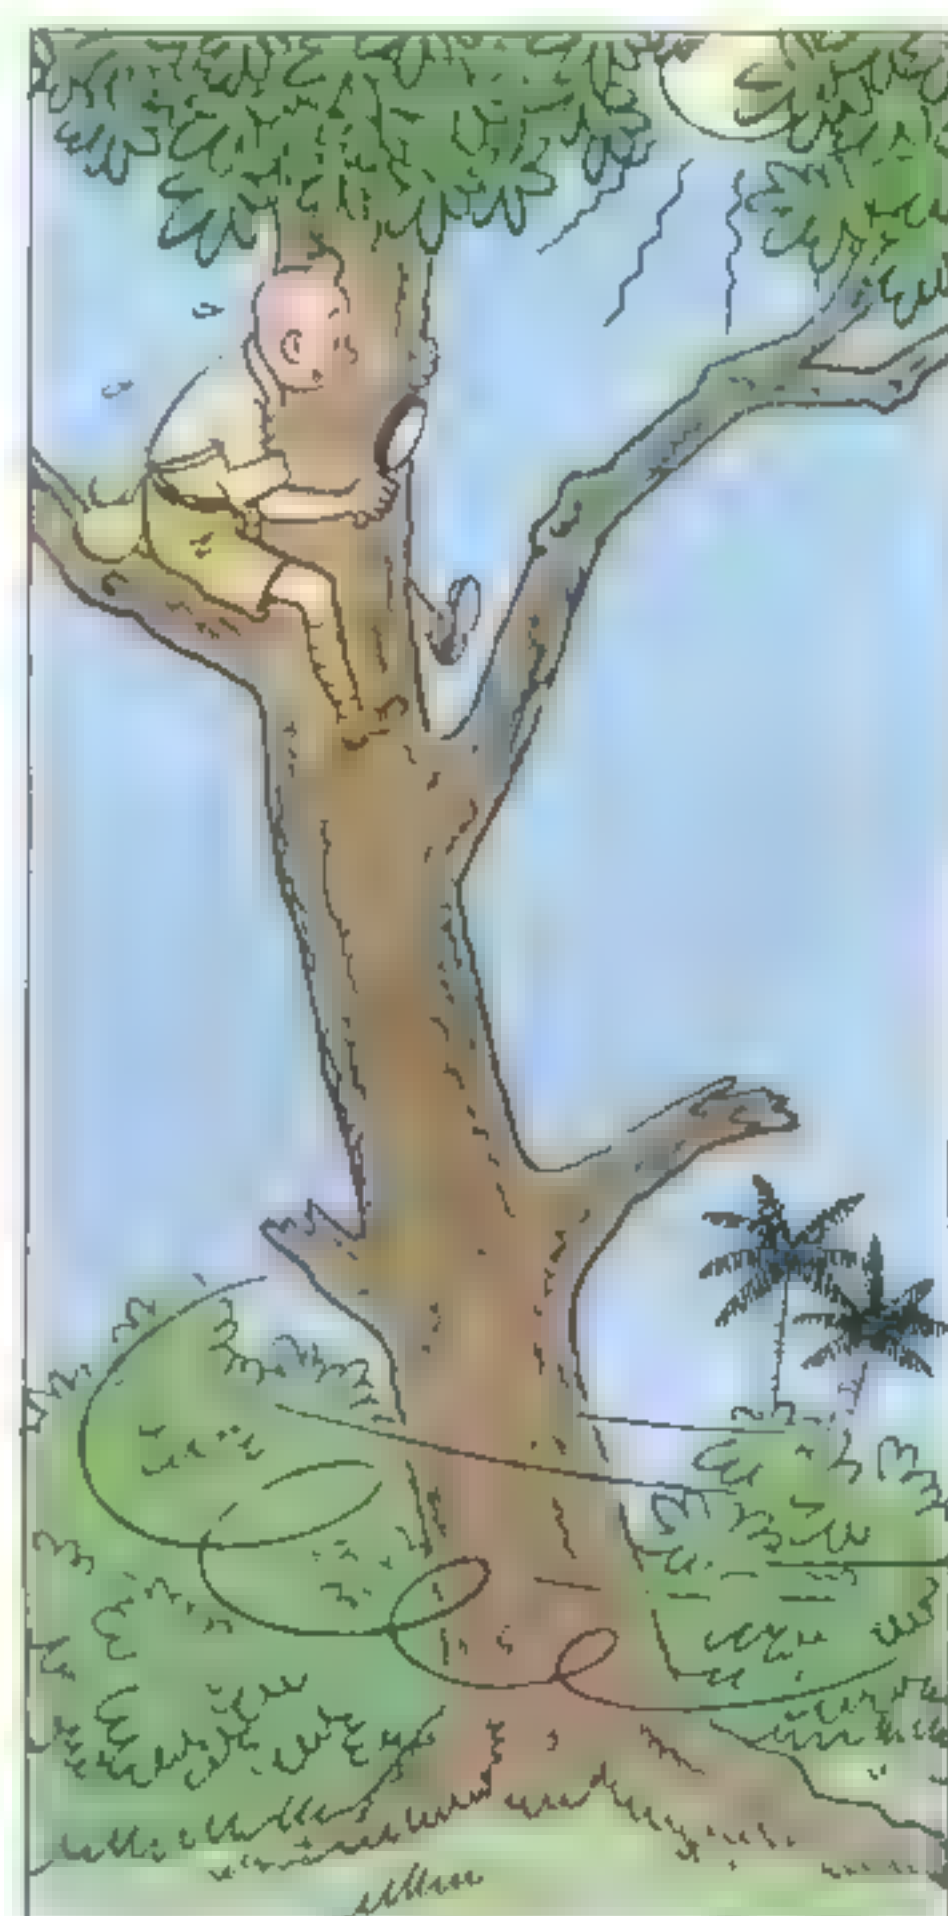

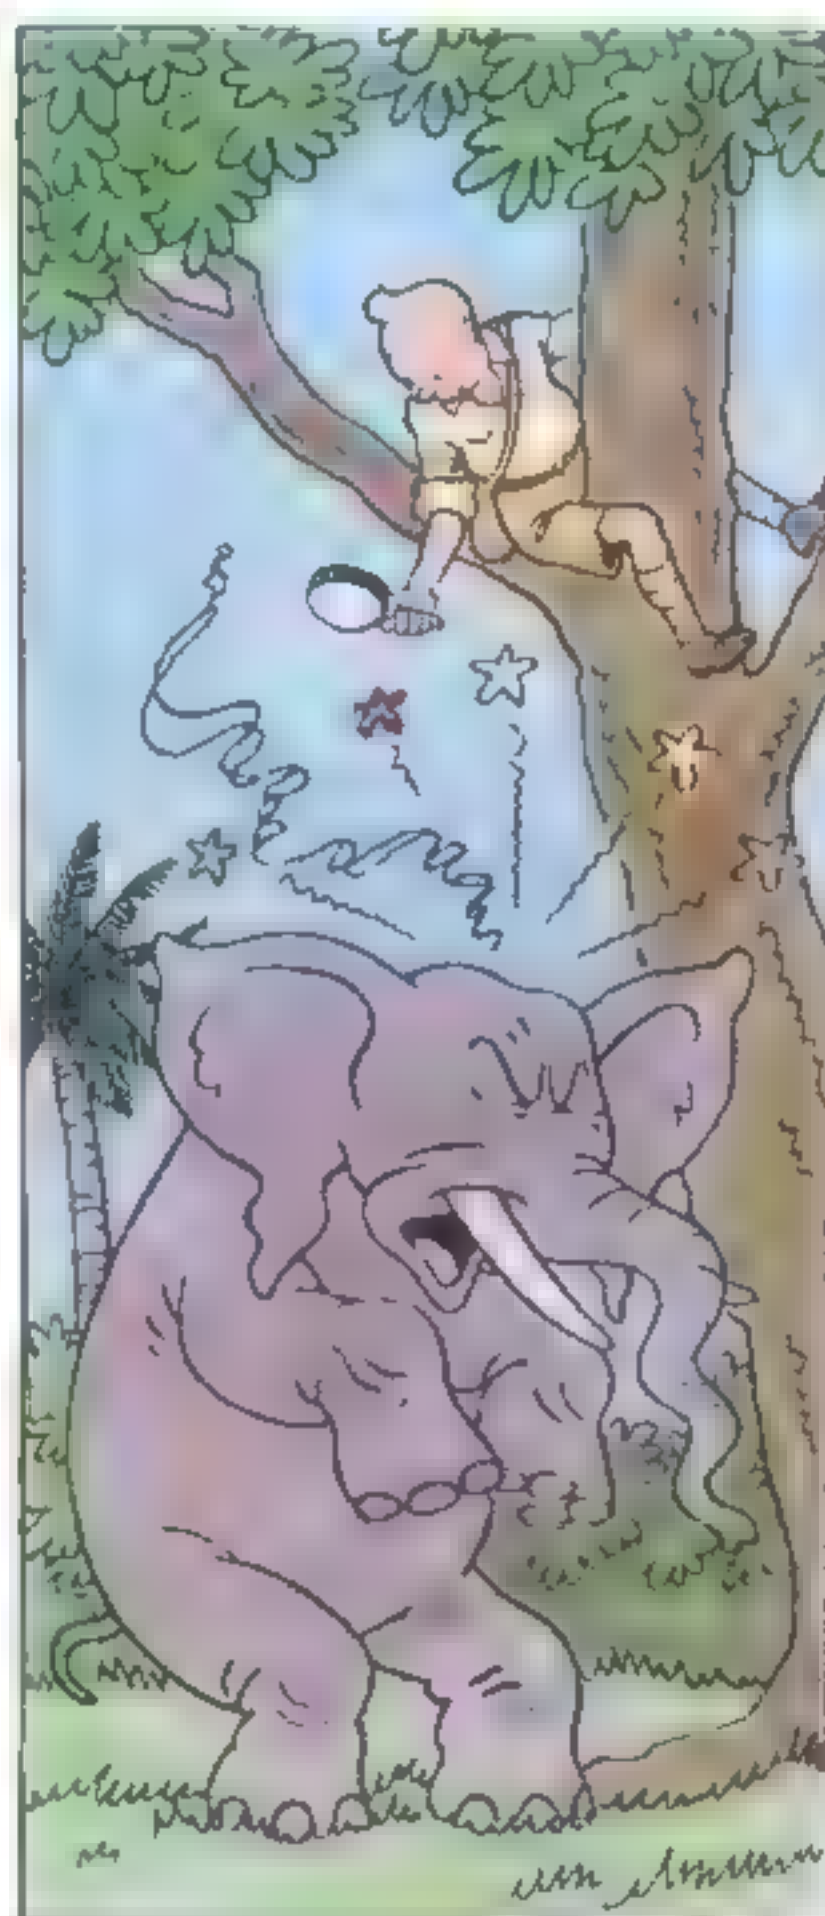

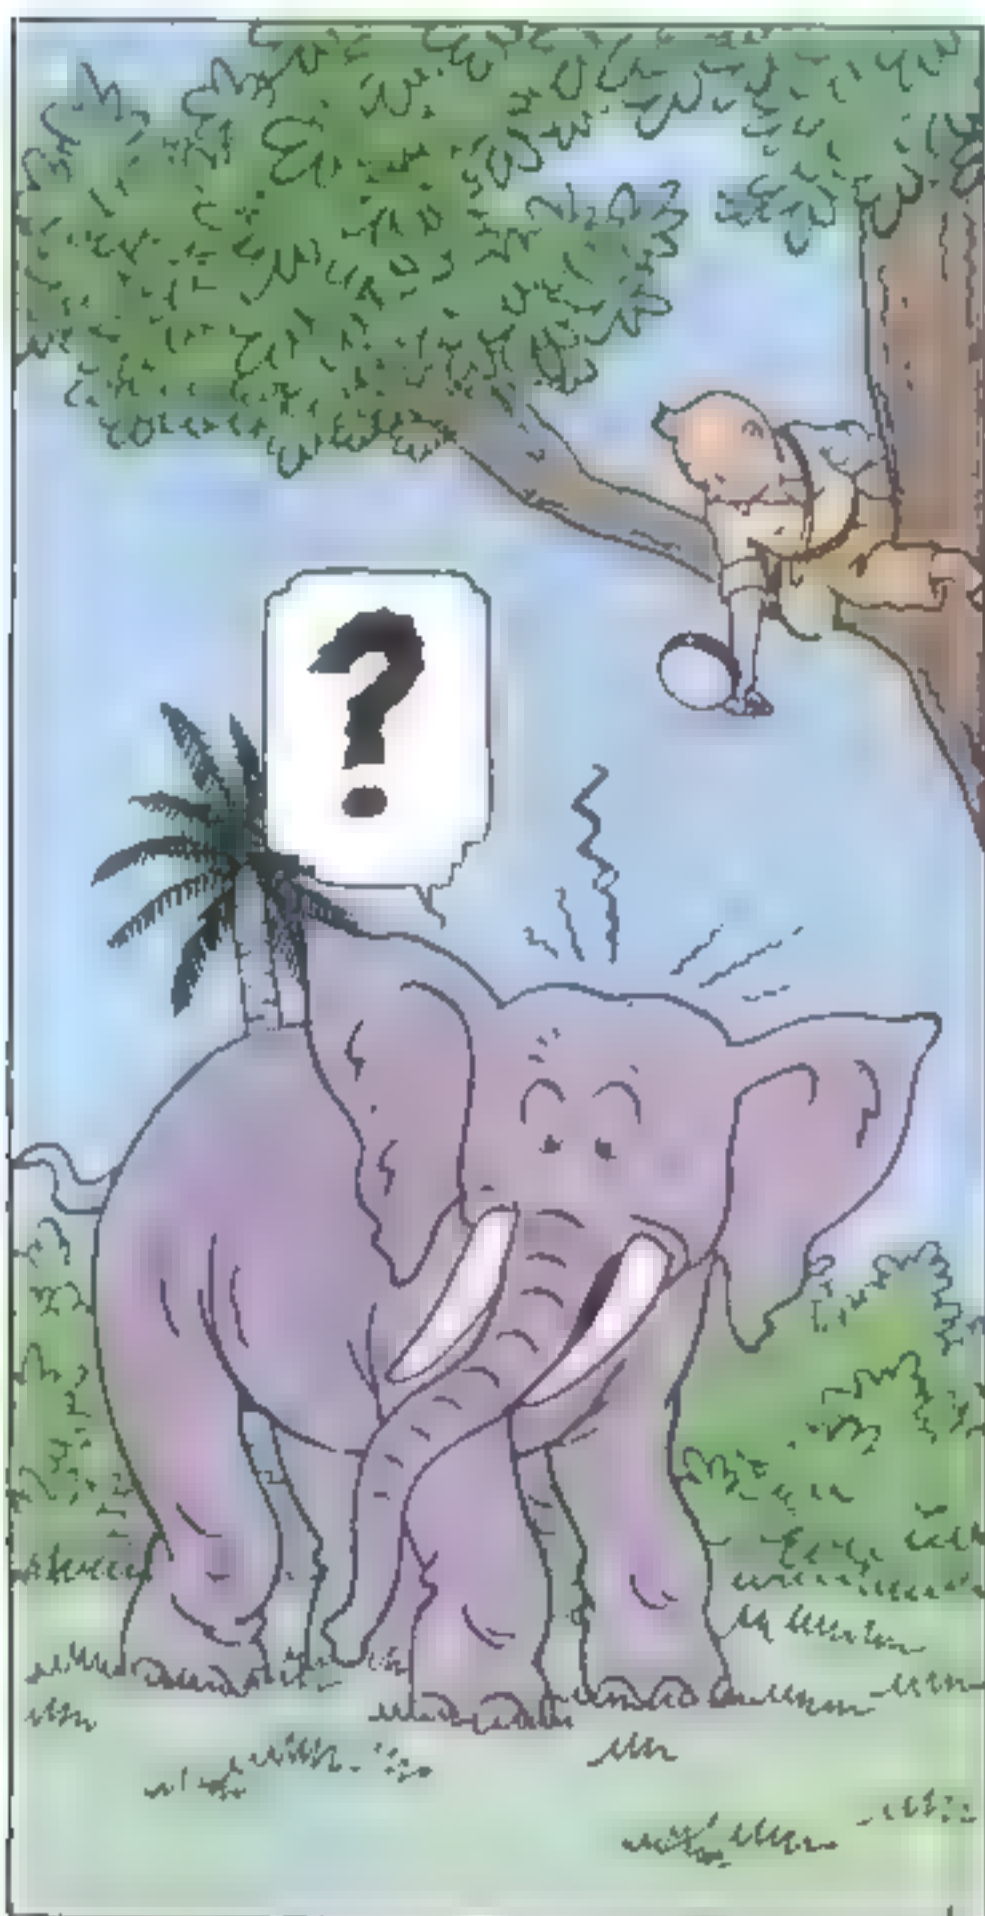

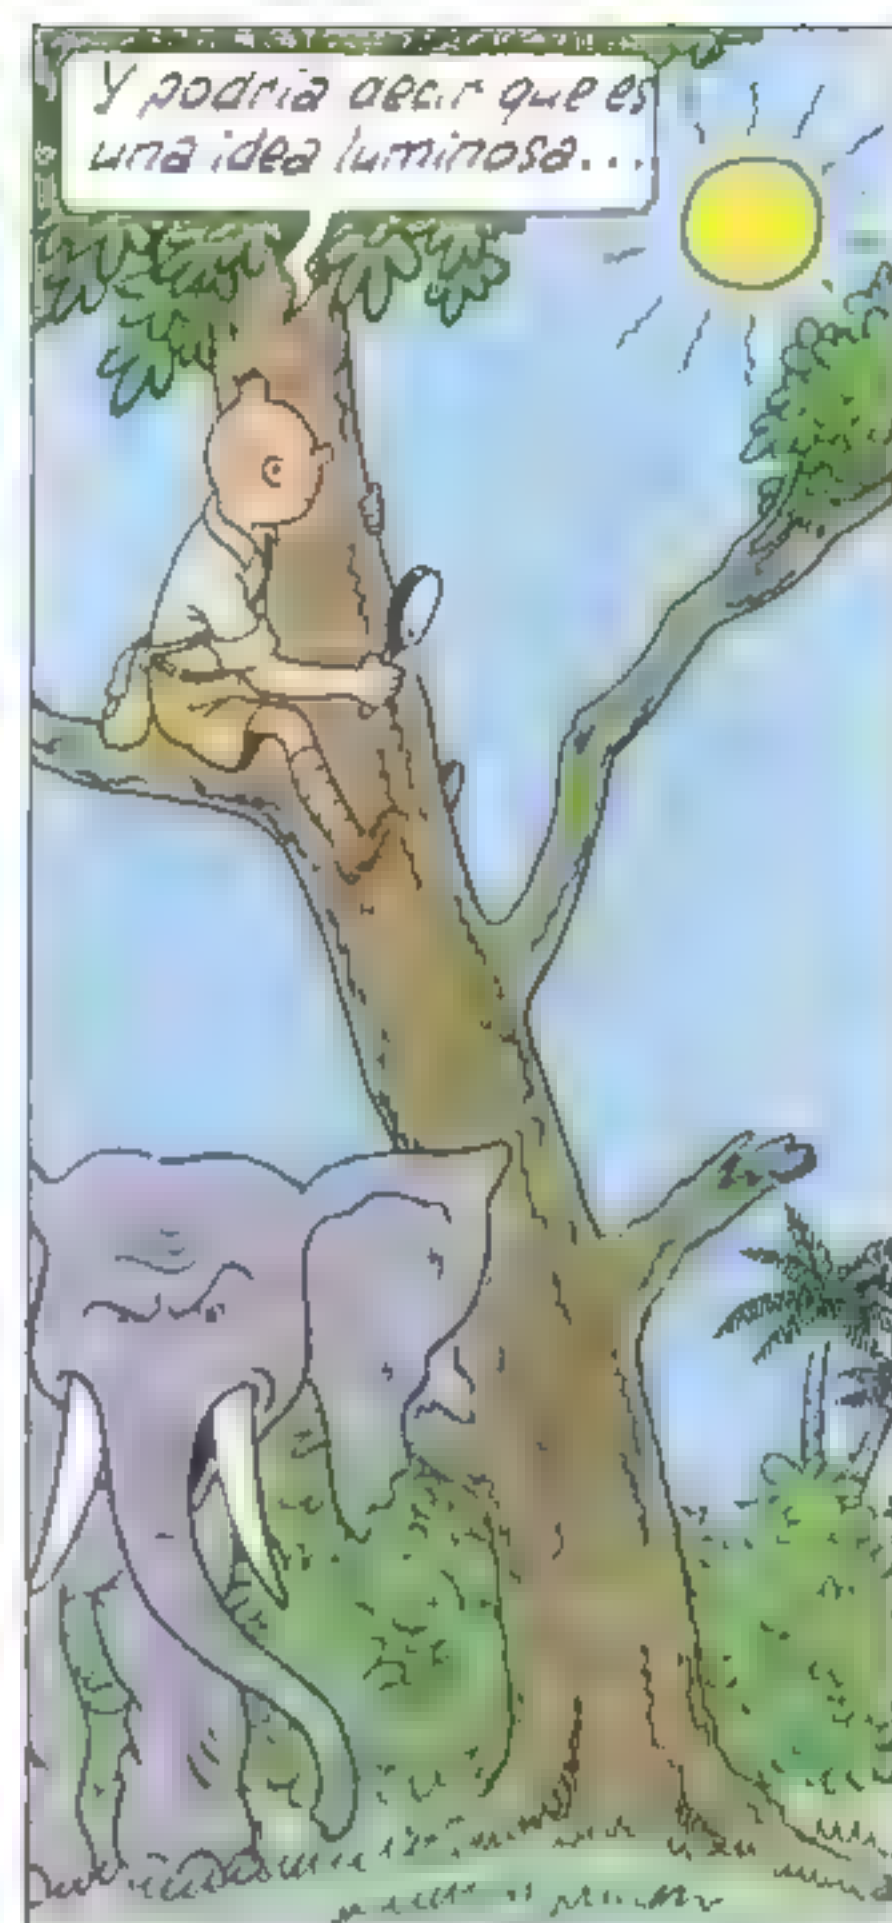

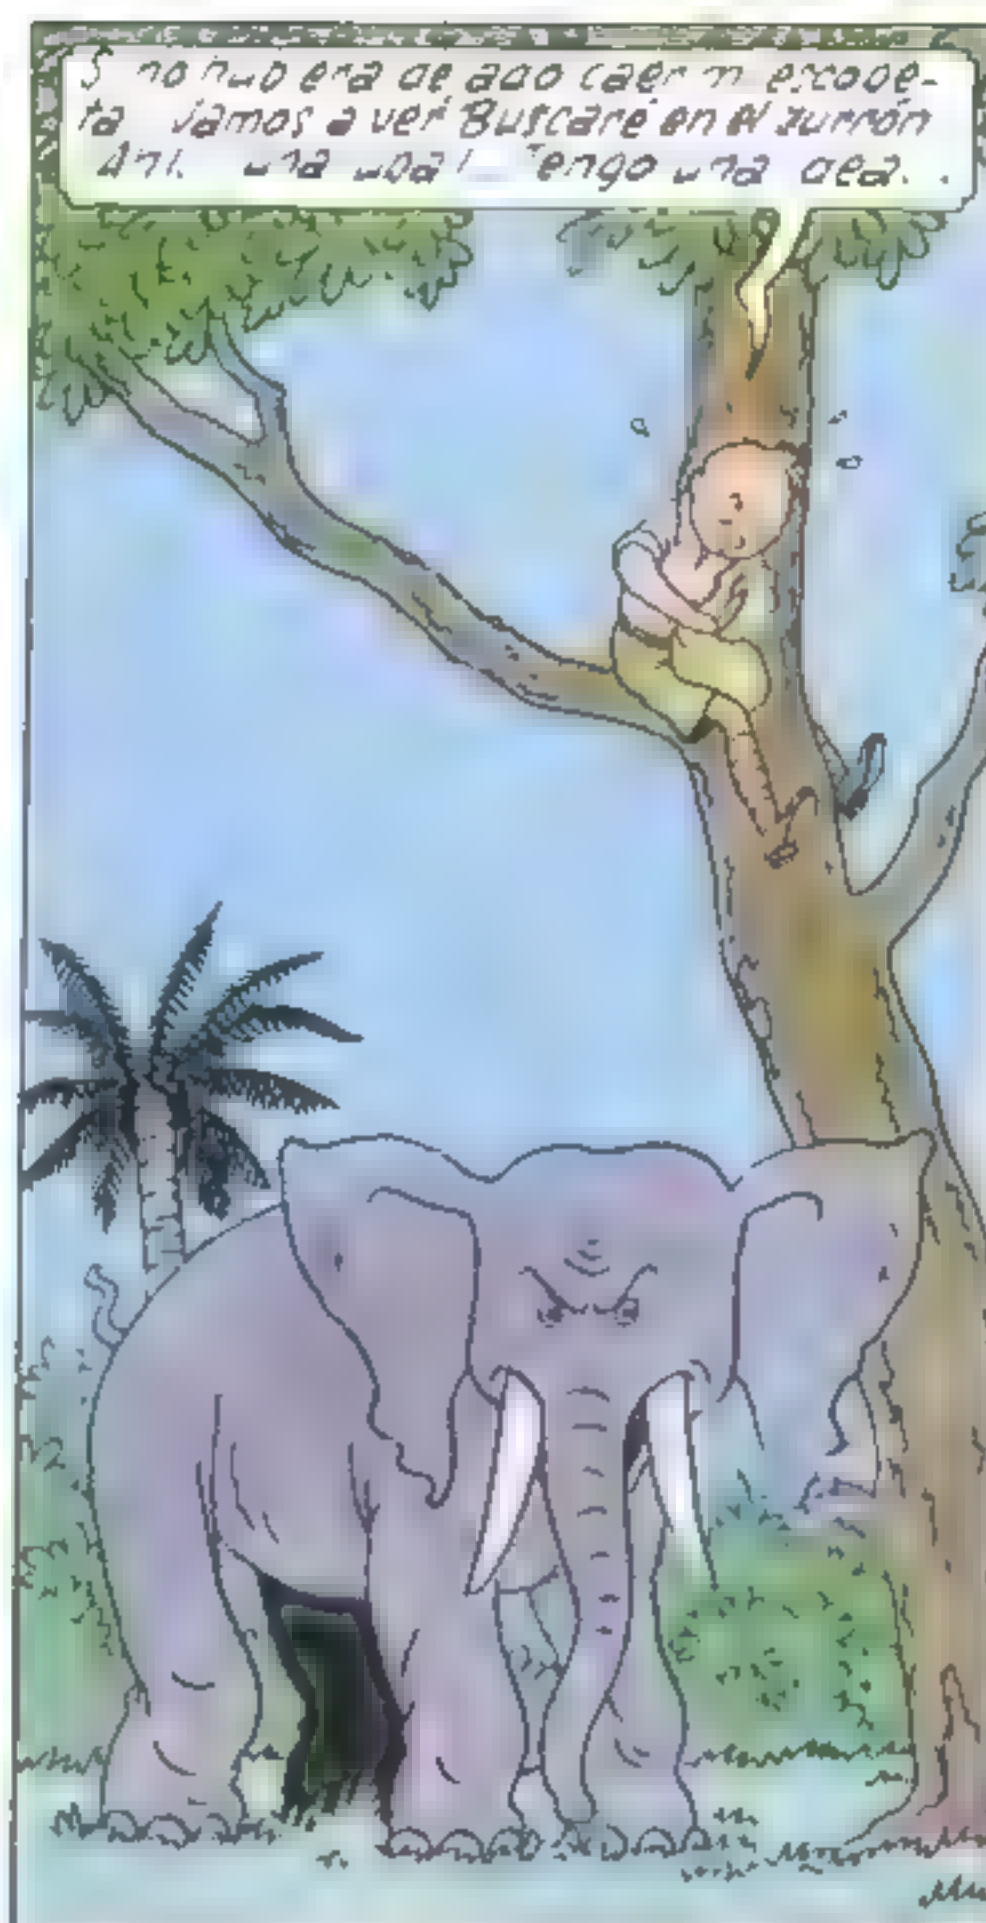

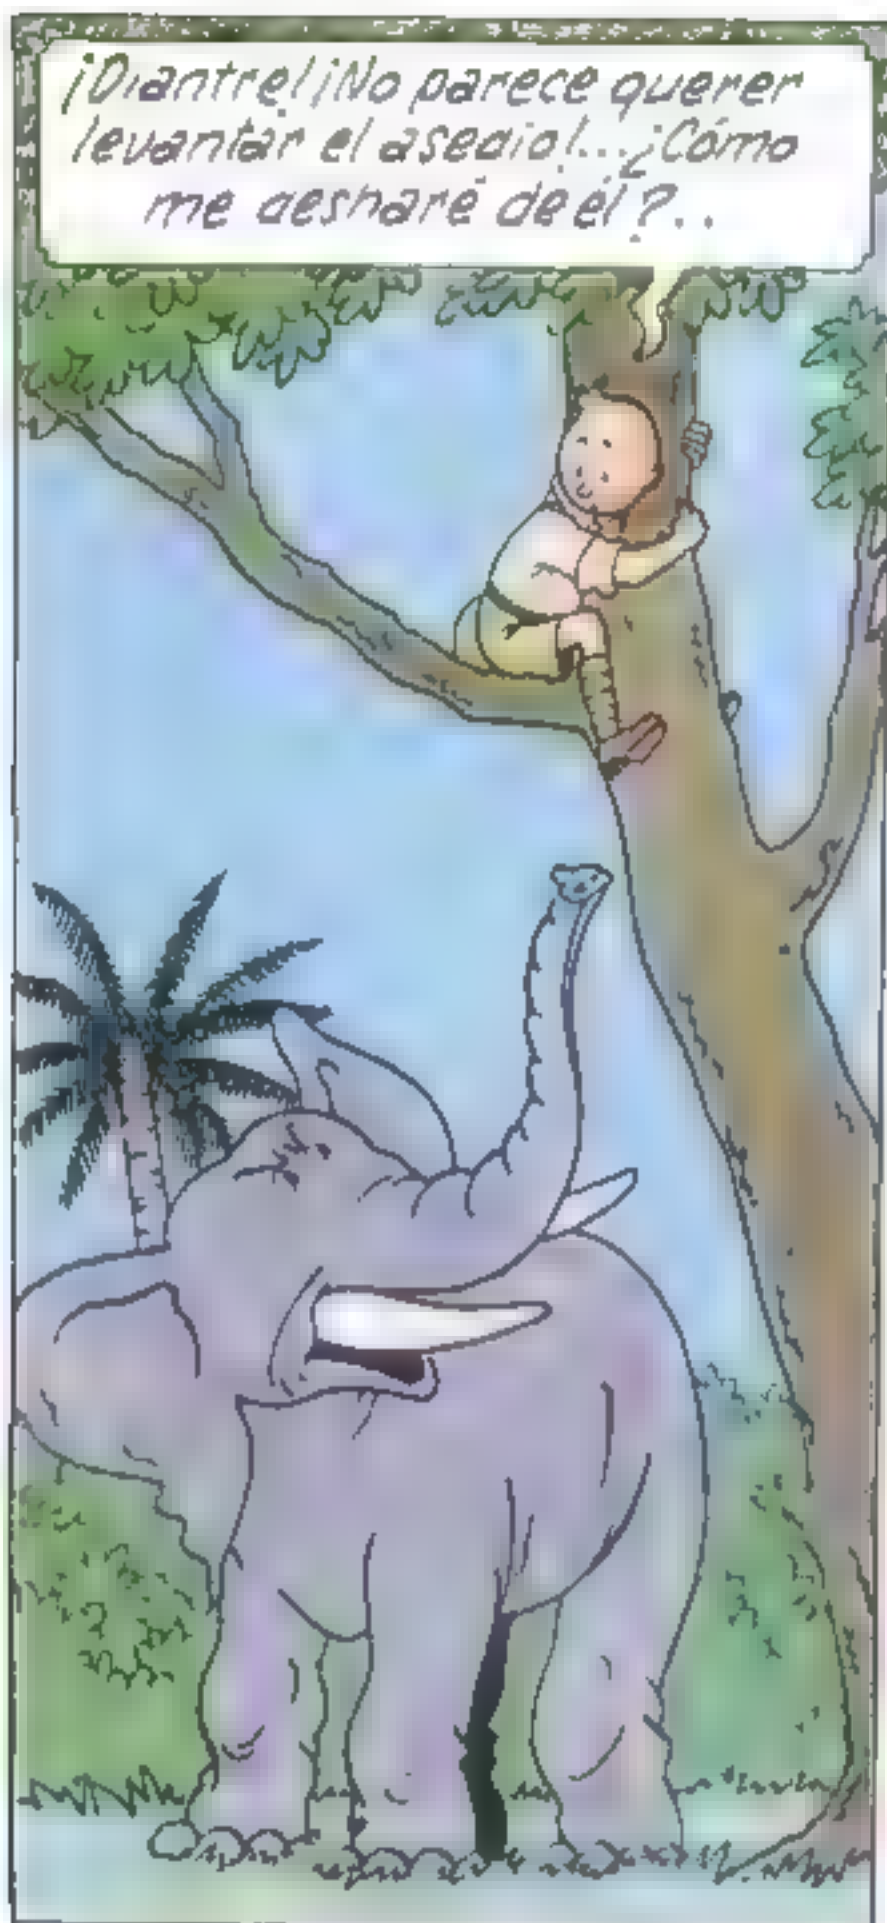

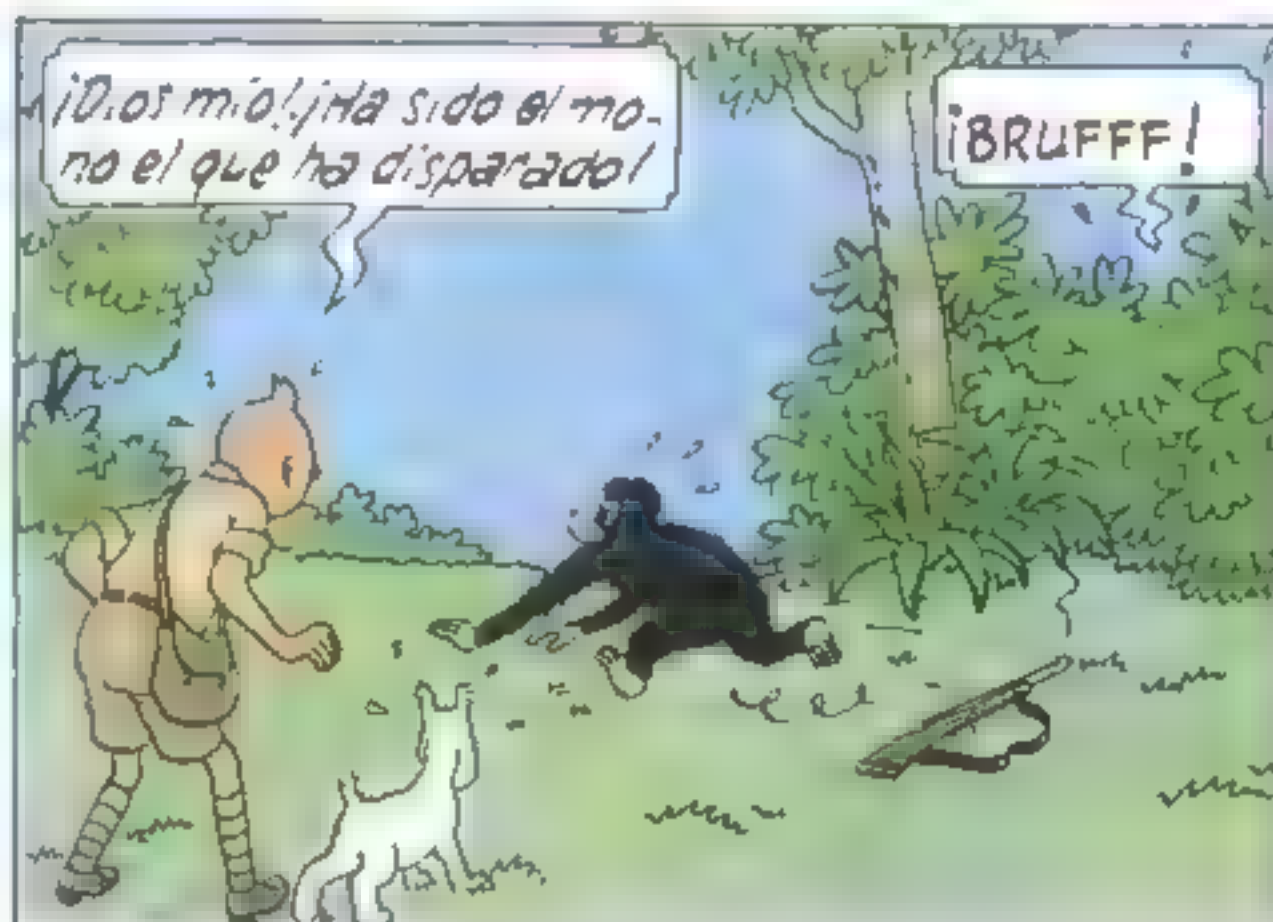

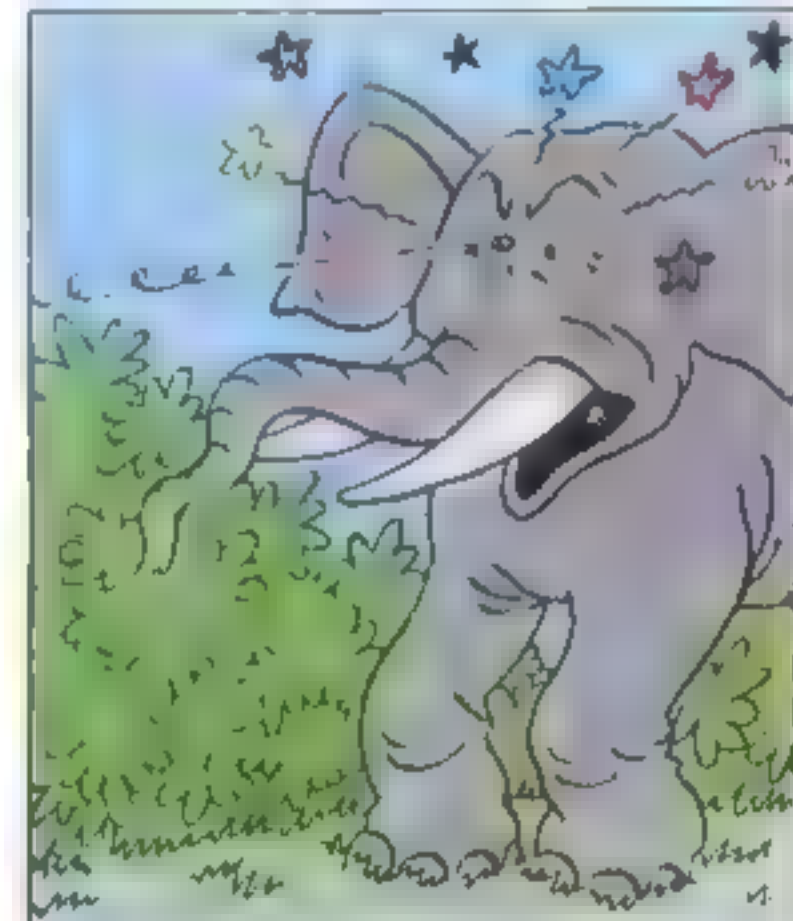

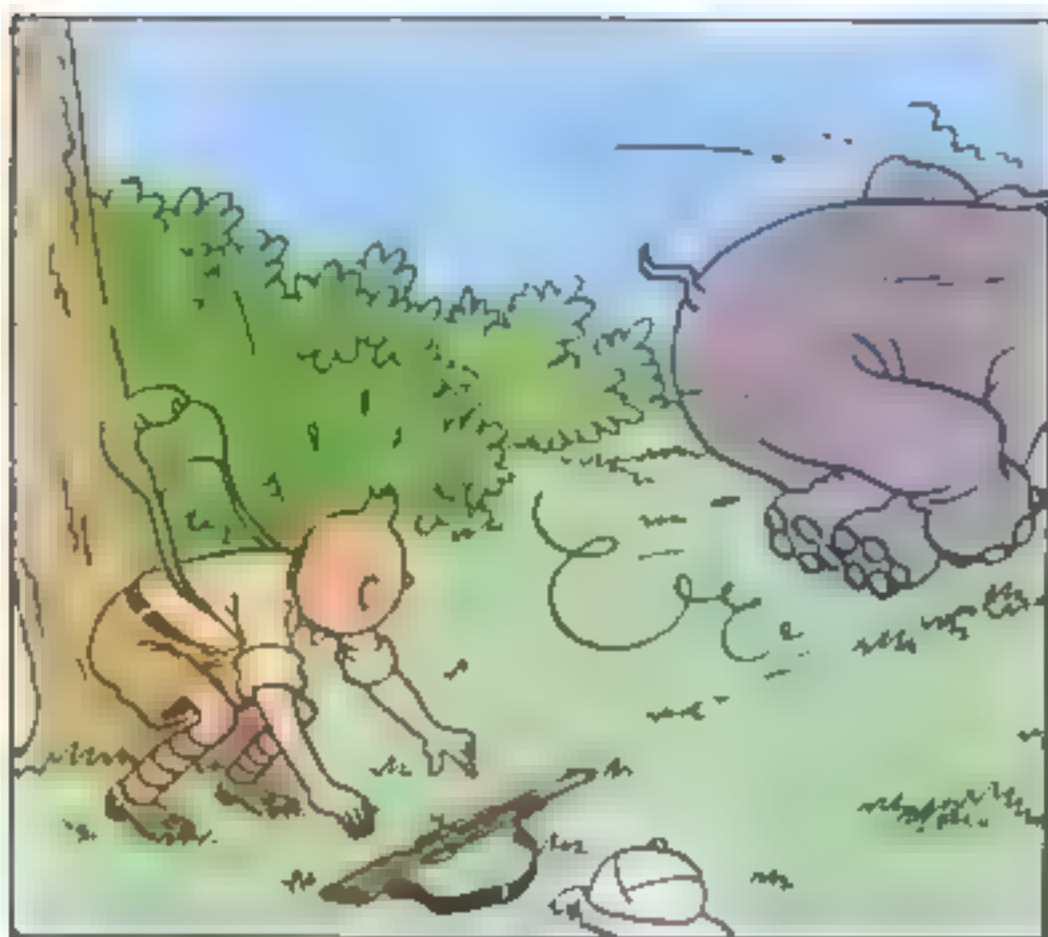

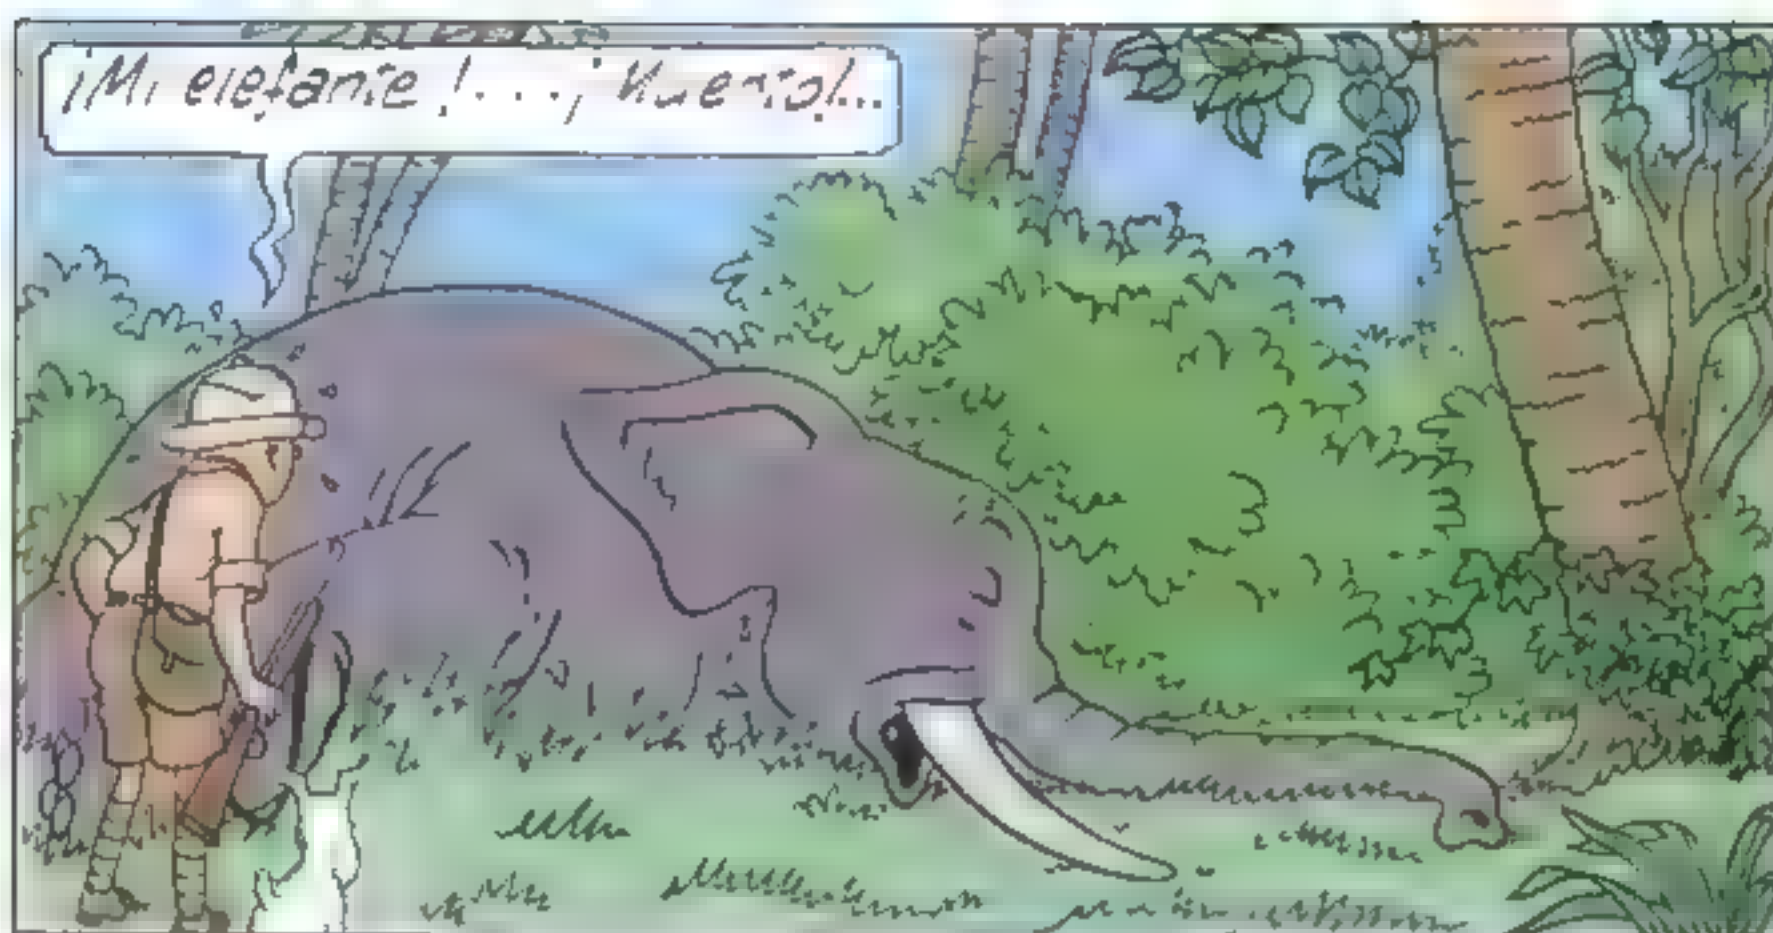

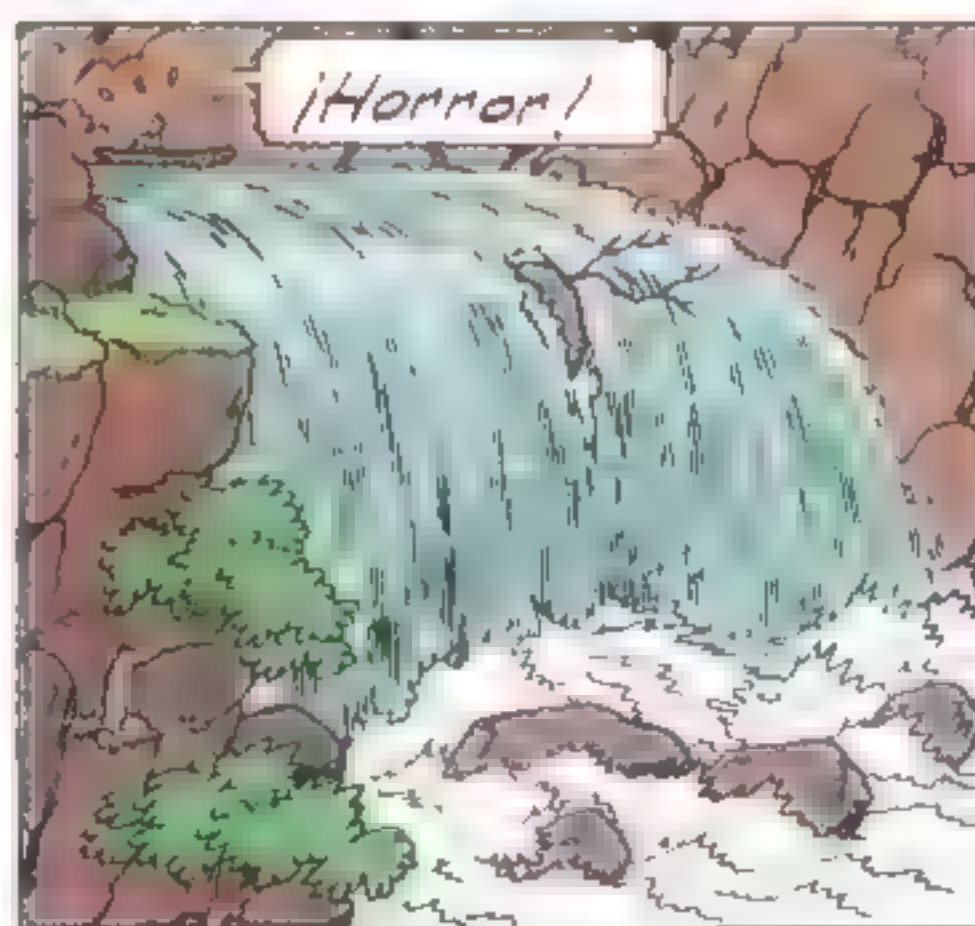

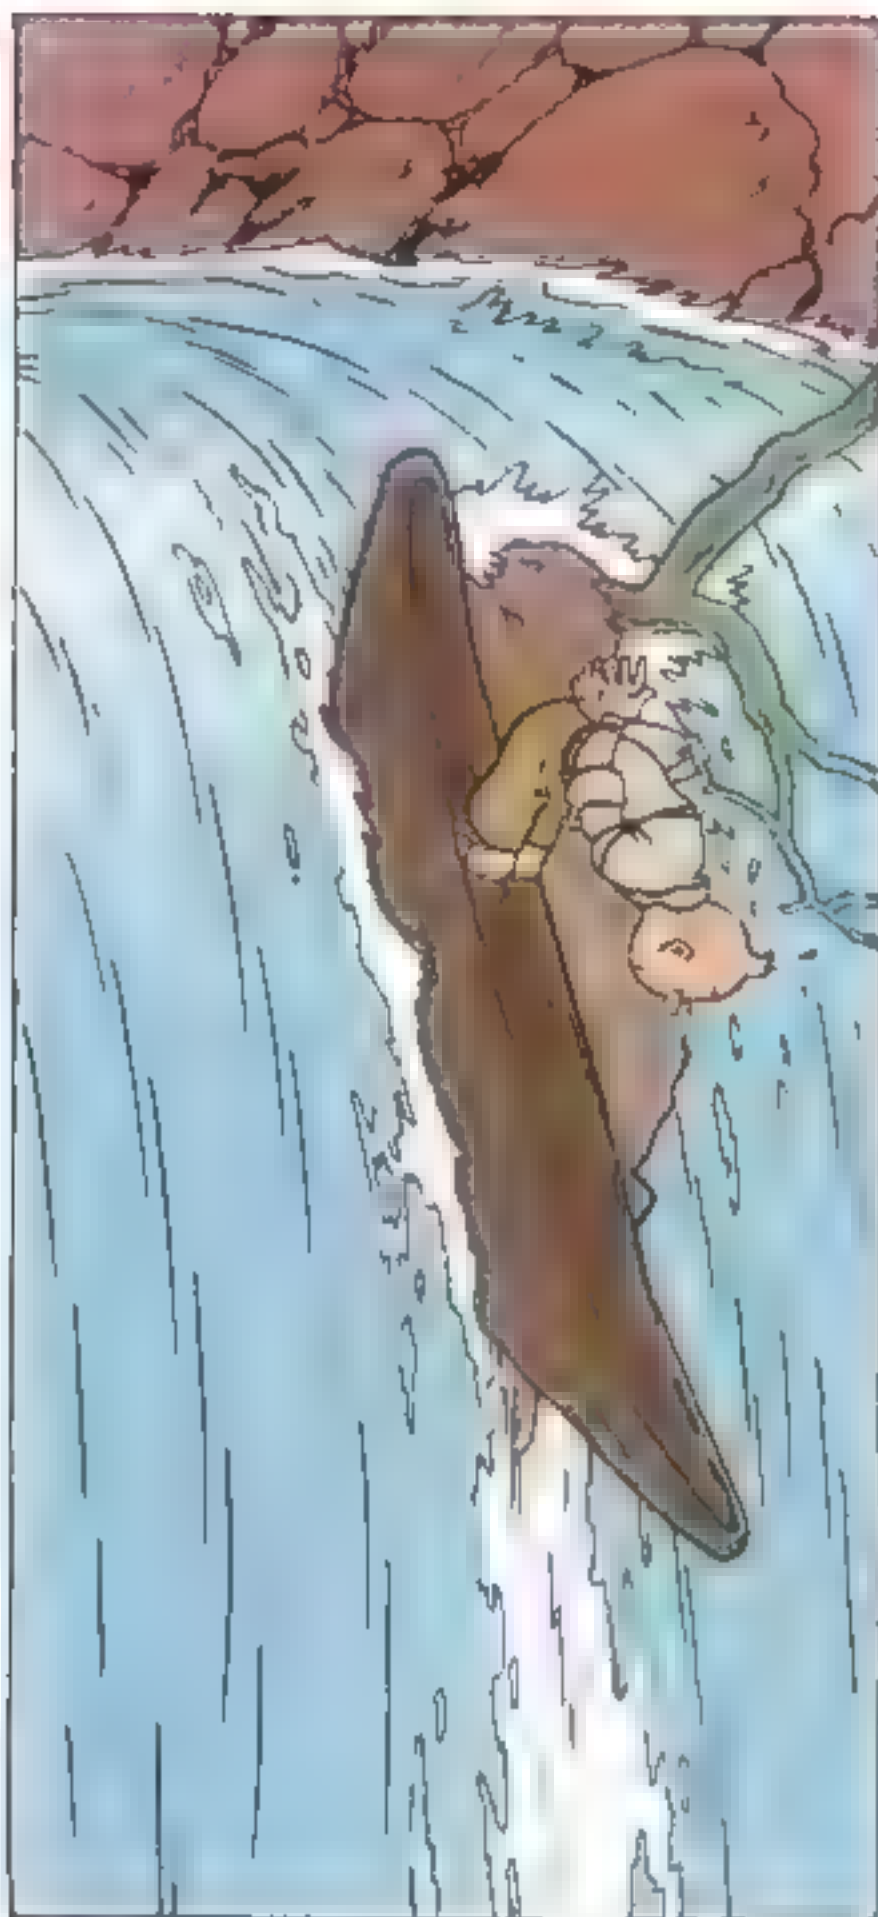

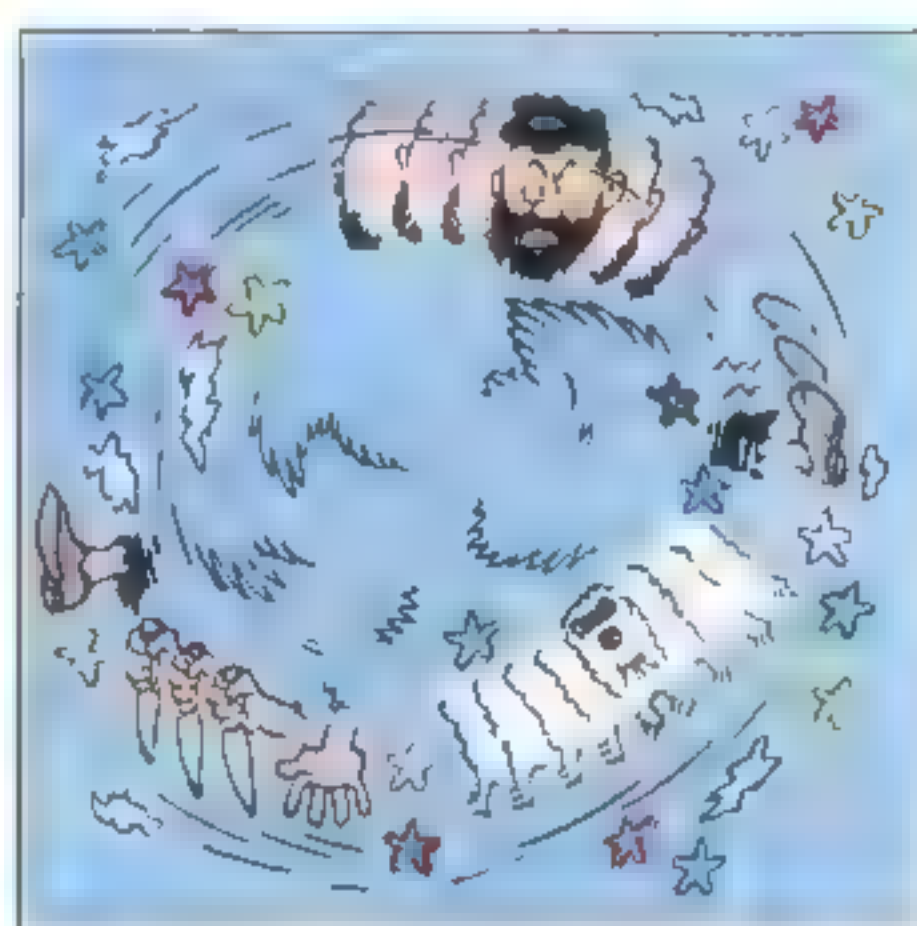

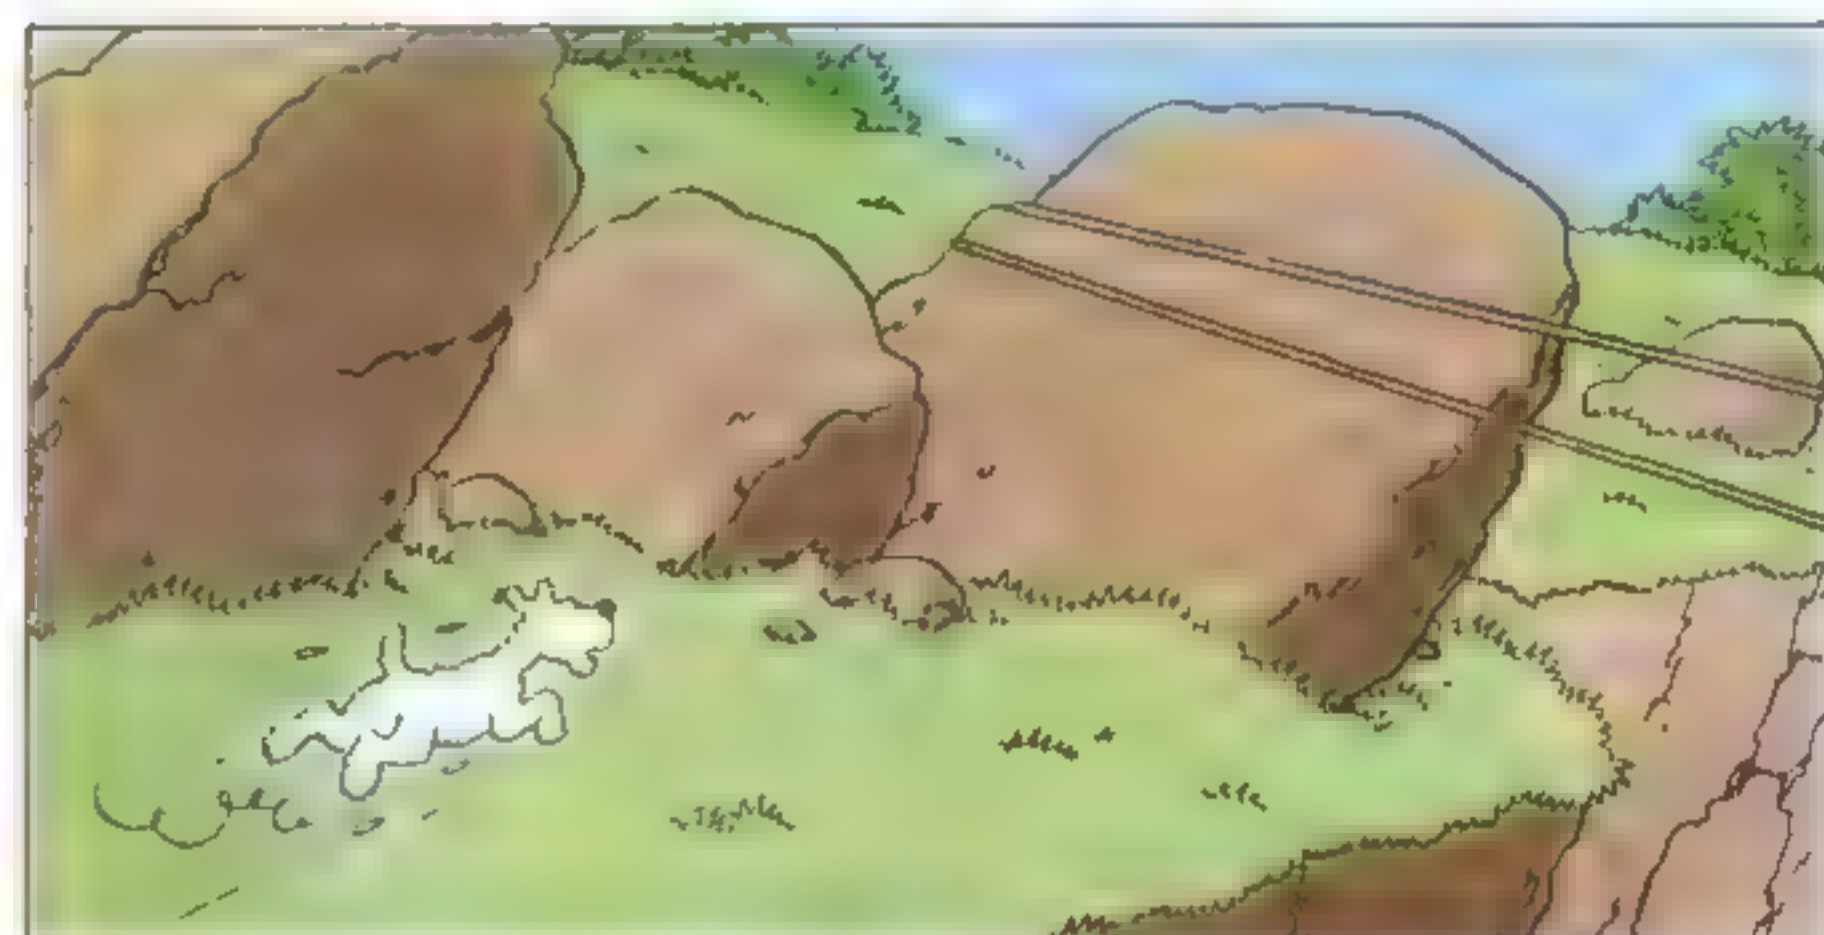

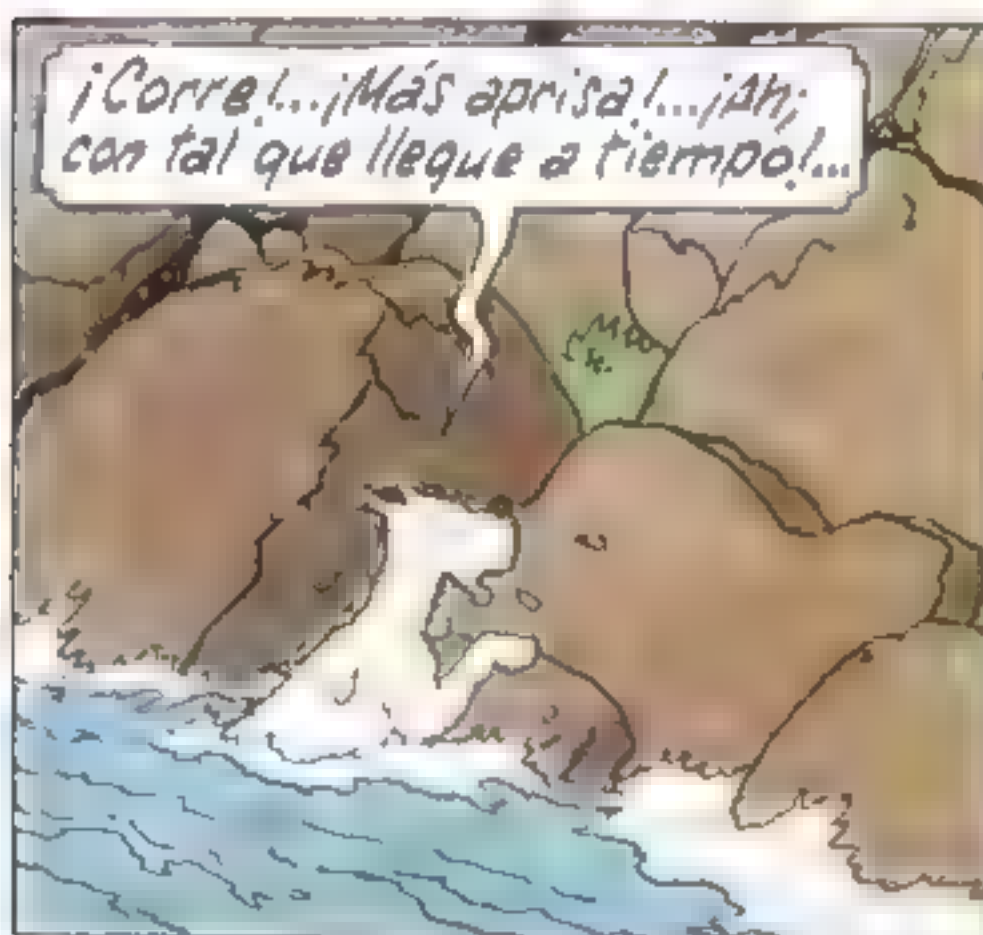

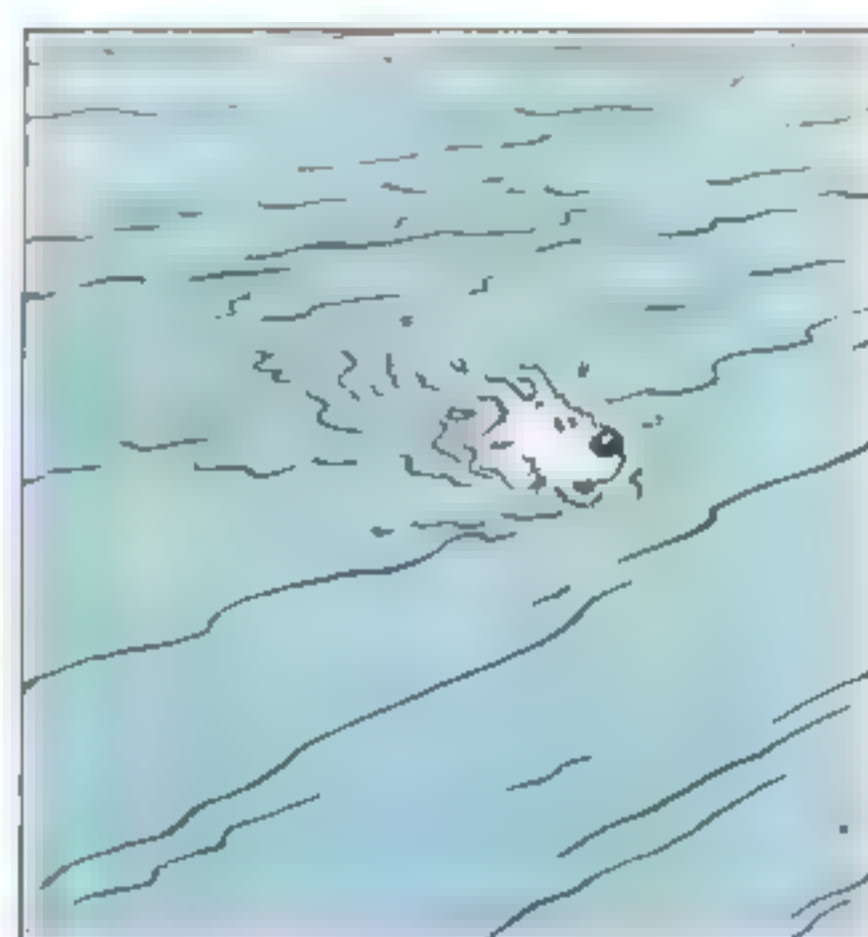

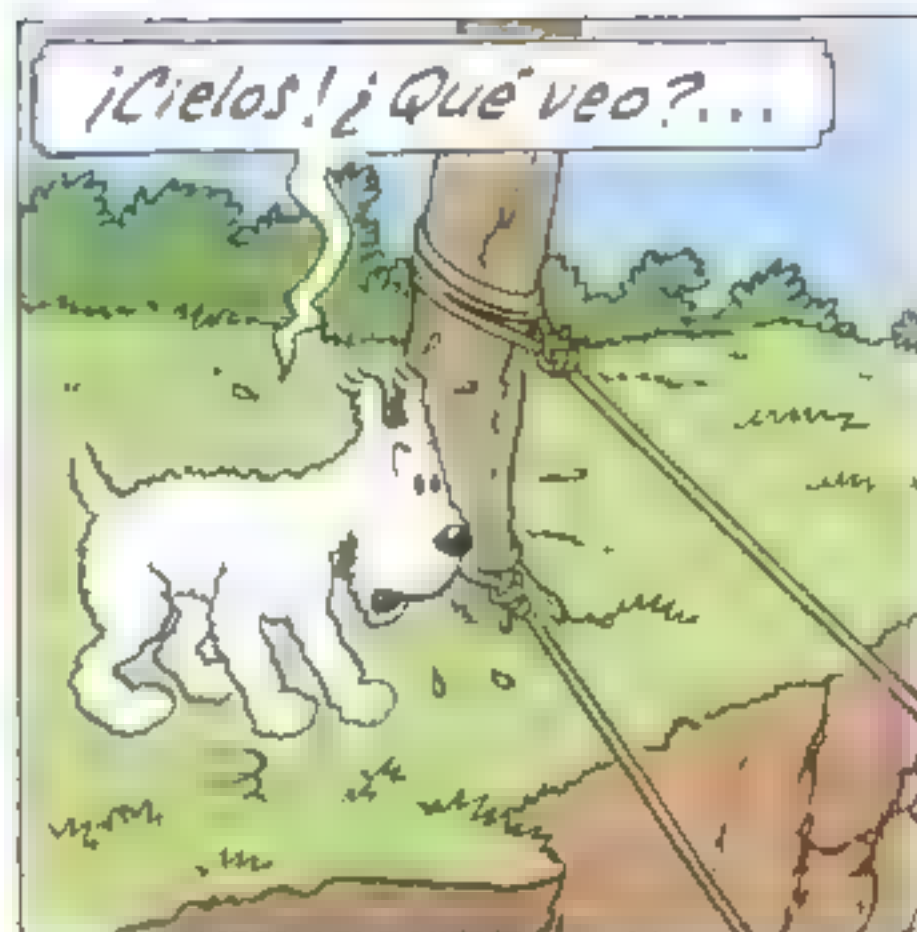

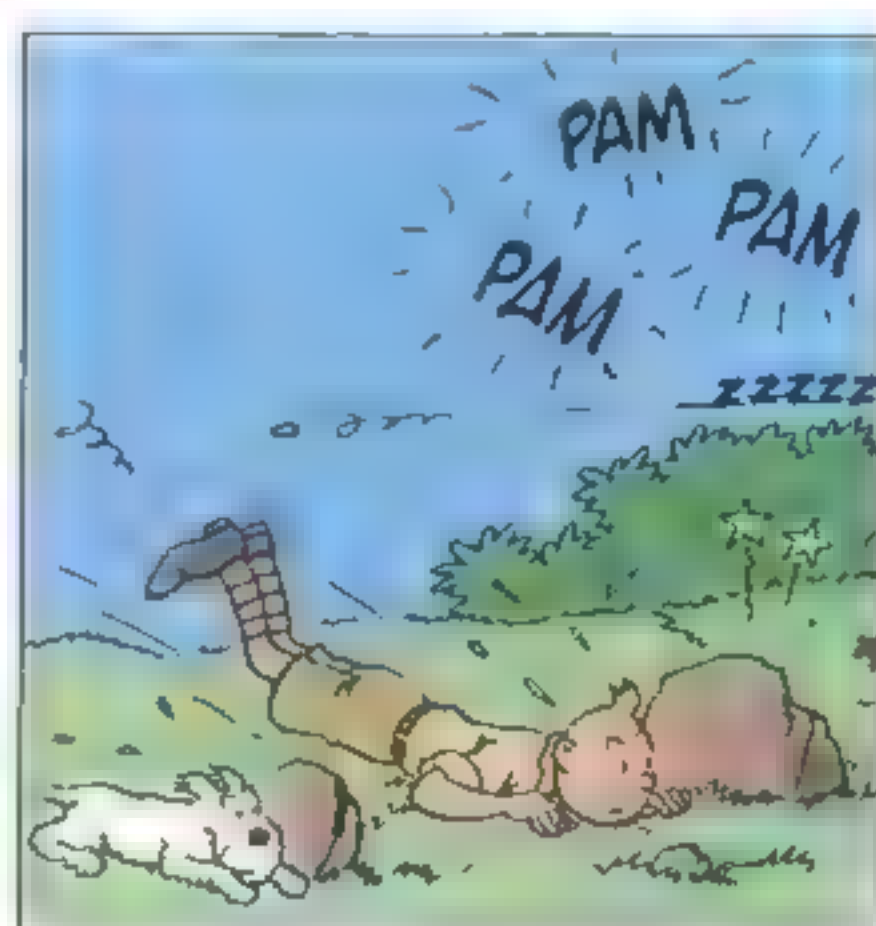

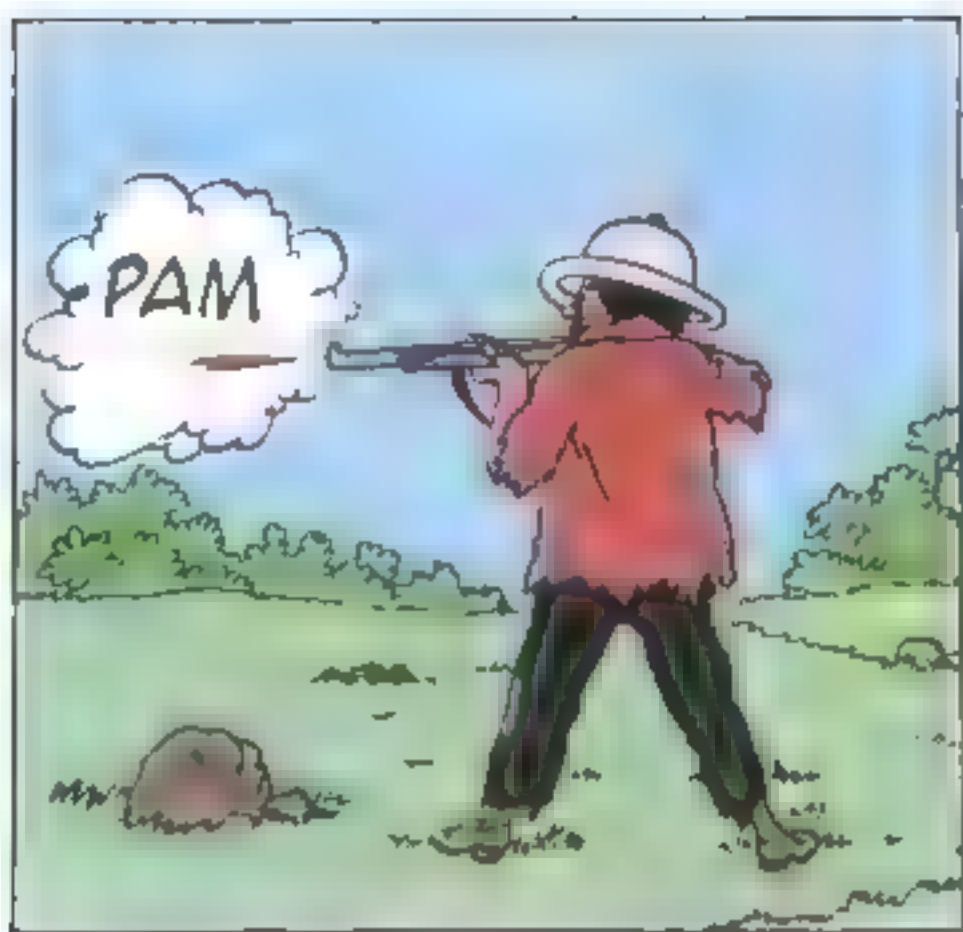

Tengo la impresión de que más bien voy a ser yo el que los descuelgue...
